[WWW.BIKEIT.CO.UK](http://WWW.BIKEIT.CO.UK)

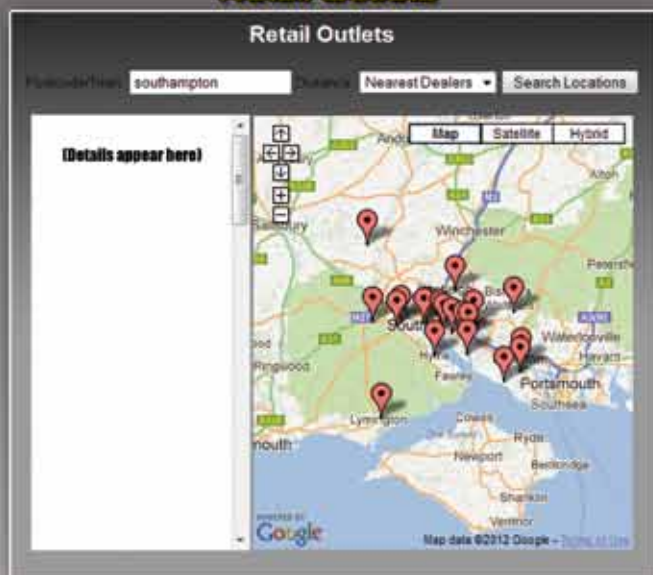

The [www.bikeit.co.uk](http://www.bikeit.co.uk) website provides a wealth of resources to keep you fully updated of Bike It products, news, sponsorship and distribution.

## Online Catalogue

Browse the latest catalogue page by page, free and easy access.

## Retail Outlets

Google location search facility showing the nearest Bike It retail stockist

**News & PR**  
See what's been happening in the news, magazine articles and features.

**flickr**  
See Bike It products in use - photos submitted by Bike It customers. If you have any photos you wish to send in, email them to [flickr@bikeit.co.uk](mailto:flickr@bikeit.co.uk)

## New Releases

Features every new product released during the season - never miss out on the latest product launches

## Downloads

A fantastic resource offers downloads of fitting-instructions and product application guides

# Online Trade Ordering

<http://store.bikeit.co.uk>

Join our many trade customers now enjoying the benefits of online ordering.

- > Simple to use and time-saving
- > Product search function, quickly locates required item.
- > 'Quick order entry'.
- > Automated email transaction acknowledgement
- > Viewable order history, reorder or amend previous orders

Existing Bike It customers should contact their Field/Account Manager to activate their account

# Español

Estimado cliente Bike It,

Esta es su copia personal del catálogo Bikelit 2013, que tiene dos frentes. Esta es la Sección de ROAD (Calle), pero si vuelve el catálogo, usted tendrá todos los ítems relacionados con el motocross que se encuentran en la sección OFF ROAD. Nos gustaría darle algunos consejos para un uso más fácil. Los precios de compra no se encuentran en el catálogo, pero en una lista separadamente impresa, un CD, ó por correo electrónico con un archivo de Excel. Nos gustaría informarlo que Bike It ofrece tarifas muy competitivas y que en muchos países de la UE las entregas gratis son bien posibles, haciendo un pedido de valor mínimo, puede consultar la nuestra tabla de pedidos mínimos para portes gratis.

Hace casi 2 años que Bike It está ofreciendo a través de la página web ya renovada, este catálogo en forma de libro. También ofrecemos a los clientes finales la posibilidad de encontrar los nuestros distribuidores más cercanos en nuestro buscador de distribuidores. El distribuidor puede hacer los pedidos directamente en la web, asegurado por su nombre de usuario y su contraseña. Con la búsqueda fácil tendrá toda la información necesaria, entrada rápida de sus pedidos, la confirmación por correo electrónico, historial de pedidos, stock actualizado... Miren la hoja 2 y 3 de este catálogo pues tiene más información del web site. Todavía no está a utilizar los pedidos directos en la web? Por favor hable con su agente Bike It local ó pidan a (la Oficina Europea, a la Oficina Ibérica) para obtener ayuda. Le deseamos que sea un placer para usted las comprar con nuestro catálogo.

Caro Cliente Bike It, questo è la tua copia del catalogo Bike It 2013, che ha due lati. Questa è la sezione stradale (ROAD), girando il catalogo troverai la sezione dedicata al motocross (OFF ROAD). Speriamo che il formato del catalogo ti permetterà una consultazione rapida. I prezzi di acquisto non sono indicati sul catalogo, bensì sul CD-Rom in allegato. Il tuo Agente di Zona può fornirti anche una copia stampata mentre gli aggiornamenti con i nuovi articoli saranno disponibili in formato Excel durante l'anno. Vorremmo sottolineare lo sforzo che Bike It sta facendo per offrire dei prezzi di trasporto vantaggiosi; in molti paesi europei, al raggiungimento di un determinato fatturato per ordine, offriamo addirittura il porto franco. Consulta la tabella dei Costi di Trasporto (FREIGHT RATES).

Da ormai due anni il catalogo è disponibile anche on line nel formato Flipping Book. Sul nostro sito si possono trovare anche i nostri rivenditori nella sezione dealer locator . Se sei un nostro rivenditore che compra direttamente dall'Inghilterra, è disponibile anche un sito, dove potrai ordinare on-line. Così saprai subito la disponibilità dell'articolo desiderato, il valore totale dell'ordine, la storicità degli ordini fatti in questo modo. Vedi le pagine 2 e 3 del catalogo per ulteriori informazioni. Non utilizzi ancora questo sistema? Chiedi informazioni al tuo Agente Bike It. Ti auguriamo un buon lavoro e molto successo con questo Catalogo!

Chers clients Bike It,

Voici votre catalogue Bike It 2013 catalogue, qui est divisé en deux parties. Cette partie est le volet ROUTE, retournez le catalogue pour retrouver le volet MX.

Vos prix d'achat ne figurent dans ce catalogue, mais dans un tarif à part, disponible en format papier ou Excel (sur CD ou par email). Nos frais de transport sont très compétitifs et nous proposons des livraisons en franco de port basées sur la valeur de la facture vers la plupart des pays européens (voir le tableau de frais de port dans le tarif pour plus de détails).

Sur notre site web vous trouverez aussi ce même catalogue à feuilleter, ainsi qu'un moteur de recherche destiné aux particuliers pour localiser nos points de vente dont vous.

Vous avez également la possibilité de commander en ligne sur notre portail professionnel, avec une connexion sécurisée, et bénéficiez d'autres fonctions pratiques – la recherche rapide, la disponibilité en stock, la saisie de commande rapide et l'historique de vos commandes. De plus, nous vous envoyons un email lorsque vous passez une commande pour en accuser sa réception.

Les pages 2 et 3 de ce volet ROUTE du catalogue contiennent plus d'informations sur notre site web et notre portail.

Si vous n'utilisez pas notre portail encore, demandez à votre agent ou responsable commercial Bike It pour établir votre accès.

Sehr geehrter Bike It Kunde,

Anbei erhalten Sie in Ihren persönlichen Bike It Katalog 2013, der zwei Fronten hat. Auf dieser Seite finden Sie die ROAD Strassen-Sektion. Wenn Sie den Katalog umdrehen, finden Sie alle MotoCross bezogene Produkte in der OFF ROAD Sektion zusammengefasst. Wir möchten Ihnen einige Hinweise abgeben, um die Zusammenarbeit einfacher zu gestalten. Ihre Einkaufspreise sind nicht im Katalog gedruckt, sondern in einer separaten Preisliste, auf einer CD oder als Email in einer Excel-Datei zu finden. Wir möchten Sie darauf hinweisen, dass Bike It ein sehr attraktives Frachtgebührensysteem unterhält, so das Frei-Haus Lieferungen in viele EU-Länder möglich sind, abhängig von minimalen länderspezifischen Rechnungswerten. Schauen Sie sich dazu unsere "Freight Rates" Tabelle an.

Bike It bietet auf der neu gestalteten Website [www.bikeit.co.uk](http://www.bikeit.co.uk), diesen Katalog als sogenanntes "Flipping Book", auch Online an. Ebenso bieten wir Endverbrauchern mittels dem Retail Outlets Dealer Locator Service, Sie als Bike It Kunde zu finden bzw. anzurufen. Unter Online Ordering, unserem kennwortgeschütztem Händler-Shop System, bieten wir Ihnen schnelles Suchen, Lagerinformationen, schnelle Auftragseingabe sowie Auftragsbestätigung per Email und Ihre Auftragsvergangenheit an. Schauen Sie auch noch auf den Seiten 2 und 3 für weitere Website-Informationen. Verwenden Sie unser Onlinebestellen noch nicht? Dann sprechen Sie bitte mit Ihrem lokalen Bike It Agenten oder kontaktieren Sie die Verkaufsleitung im European Office. Wir wünschen Ihnen viel Spaß beim Blättern in unserem neuen Katalog und freuen uns auf Ihren Einkauf!

Order Code	Size
<b>MGPDSV01</b>	Medium
<b>MGPDSV02</b>	Large
<b>MGPDSV03</b>	Extra Large

## Track & Paddock Stands

MotoGP track and paddock stands are essential for race and track days. The stands elevate the bike for ground clearance to remove wheels and improve access for repairs, bike set-up and to fit and remove tyre warmers.

MotoGP stands are constructed from 32mm tube, fully reinforced for extra strength, finished in durable black powder coating with PU ground-stops on the underside of the handle for easier handle access and improved contact grip.

Rear stands are supplied complete with spring loaded swingarm adaptors.

Front stands are supplied with under fork adaptors.

**FRONT**  
 Order Code: **MGPSTD02**

**REAR**  
 Order Code: **MGPSTD01**

**FRONT & REAR SET**  
 Order Code: **MGPSTD03**

NB - Front paddock stands should always be used in conjunction with a rear stand.

## Bobbin Hook Adaptors

Pair of bobbin hook adaptors replace standard cup adaptors, allowing you to lift the bike by the bobbins instead of swing arms.

Order Code: **PDSHOOK**

## Premium 1pc Paddock Stands

MotoGP Premium stands are manufactured from continuous uncut tubing, supplied as a ready-to-use stand requiring no self-assembly of tube sections. This superior design and production minimises potential weakening and movement of the stand, compared to conventional multi-part self-assembly paddock stands.

Stands are constructed from 32mm cold rolled steel, 1.4mm thick tubing (1.9mm on headlift upper section), and incorporate internal reinforcement steel plugs for increased stand strength and stability. All tube work is formed on leading CNC tube-bending machines ensuring optimum accuracy.

All stands are complimented by a durable black powder-coating, and feature injection moulded polyurethane wheels – robust, oil resistant and offering efficient grip and movement.

### Front

Front stands include a self-levelling zinc-coated under-fork hardware kit. RIDE Magazine 'BEST BUY'

#### FRONT

Order Code: **MGPSTD05**

NB - Front paddock stands should always be used in conjunction with a rear stand.

### Rear

Rear stands include a lockable zinc-coated bobbin-spool hardware kit for quick and effective lifting. The stand can be widened and is suitable for all the latest sportsbikes.

#### REAR

Order Code: **MGPSTD04**

MGPSTD05

MGPSTD04

MGPSTD06

### Headstand

Headstands include a selection of five headlift pins\* suitable for the majority of today's sportsbikes.

\* 13mm / 15mm / 16.5mm / 17mm / 18mm

## Tyre Warmers

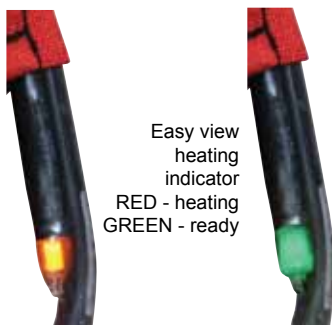

Official MotoGP tyre warmer set, includes front and rear warmers.

Self fitting elasticated sides offer a snug fit and uniform heat distribution. Warmers heat to a thermostatically controlled 80 degree Celsius for optimum tyre temperature, and retain that setting until warmers are removed or switched off.

LED indicators clearly show when the warmers are heating or the thermostat is at the maximum temperature setting.

Supplied with storage bag.

The track day essential.

Easy view heating indicator  
 RED - heating  
 GREEN - ready

Two sizes available to fit all superbikes.

Order Code	Rear Fitment	Front Fitment	Plug
MGPWARM01	180/55-17 190/50-17 190/55-17	120/70-17	UK 3 pin
MGPWARM01E	180/55-17 190/50-17 190/55-17	120/70-17	Euro 2 pin
MGPWARM03	200/55-17	120/70-17	UK 3 pin
MGPWARM03E	200/55-17	120/70-17	Euro 2 pin

## Digital Tyre Warmers

Digitally controlled tyre warmer kit for optimum tyre preparation.

Both the front and rear warmers feature encased digital thermostat units which allow the user to manually input a desired temperature for the warmer to maintain.

The resulting advantage over standard tyre warmers is being able to heat the warmer to a higher or lower temperature according to weather conditions and time restraints, plus more accurate and easy to read data.

Features:

- LCD display for easy reading
- Power indicator light
- Temperature setting from 40-99 degree Celsius
- Real time temperature reading during heating

Order Code	Rear Fitment	Front Fitment	Plug

## 2-Stage Track Pump

- High volume / high pressure selectable.
- Fits Schrader (motorcycle / auto) and Presta (cycle) valves.
- Unique 2-stage mechanism enables optimum tyre inflation and accuracy up to 160psi

Order Code: **MGPTYR12**

## Track Pump

- Robust, lightweight track pump
- Contoured handle grip with inset pressure display
- Fold-up foot plates
- Essential for quick and accurate maintenance of tyre pressures

Order Code: **MGPTYR01**

## Brake Reservoir Shroud

MotoGP protective shroud, covers front brake master cylinder reservoir for protection and absorbs discharged brake fluid.

Order Code: **MGPBRK09**

## Tyre Pressure Monitor

Correct tyre pressures are essential for safe and successful motorcycle riding. Maintaining correct tyre pressure also ensures optimum fuel usage and tyre life.

The MotoGP Tyre Pressure Monitor allows any user to easily maintain tyre pressure.

- Digital LCD Display
- Selectable Pressure Ratings (PSI, BAR, KPA, KGF/CM2)
- Rotating Nozzle
- Pressure Release Button
- Anti-shock Case Protector
- CE Approved

Order Code: **MGTPM01**

## Grip Sleeves

Vinyl grip sleeves protect grips from oil and grease when work is being carried out. Great for use in transit to and from track days.

Order Code: **MGPSLV01**

## Messenger Helmet Bag

Teardrop shaped helmet bag.  
Integral across-body shoulder strap.  
Plenty of storage for helmet, gloves etc.  
Soft protective inner lining.  
Fully padded wall construction.  
2-way front zip closure.

Order Code: **MGPHEL08**

## Helmet Bag

Simple drawstring helmet bag featuring MotoGP design.  
Inexpensive solution to protect expensive lids.

Order Code: **MGPHEL07**

## Tailbag Holdall

This tailbag holdall is shaped specifically to carry and store one crash helmet, and can also be used as a convenient tailbag. Manufactured from robust microfibre outer material, it is fully lined for extra protection. Each side features external compartments for gloves and accessories. When off the bike, the tailbag straps and bunjees can be stored in the base compartment. Complete with shoulder carry strap and storm cover.

Order Code: **MGPHMHBK**

## Garage Pit Mat

Nylon fibred garage and pit work mat with non-slip oil and water resistant PVC backing, as recommended by affiliated racing bodies. Use to show off bikes in the workshop, garage or showroom. Increases safety and comfort when working around the bike.

'Parc fermé' winner printed design.

Order Code: **MGPMAT01**

## Garment Bags

- Motorcycle leathers and textiles are costly and need caring for.
- These bespoke garment bags are oversized to allow motorcycle clothing with armour to be safely stored.
- Each bag is constructed from heavy grade nylon, with robust jumbo full-length zipper.
- Hanger eyelet system allows the bag to be folded securely for carrying by the webbing handles. (Hanger included).
- Ideal for transporting leathers to and from track days.

Order Code **MGPGAR04** Size Full length (for 1 piece leathers)

**MGPGAR02** 3/4 jacket length

## Rider Mouth Guard

**NEW**

Intended to protect a rider's teeth from the involuntary habit of grinding teeth during riding, this guard fits around the upper teeth and absorbs vibration and shock between the upper and lower jaw.

Use on the track or road.

Complete with hard storage case.

Universal fitting, can be moulded for improved personal fit.

Order Code: **MGPMGD12**

## Beanie Hats

Thermal beanies in two great MotoGP designs.

Order Code	Colour
<b>MGPAT06</b>	Black
<b>MGPAT07</b>	Grey

## Neck Tube

Comfort fit thermal neck tube. Contrast trim and MotoGP embroidered logo. Constructed from 100% cotton (350g).

Order Code: **MGPNTBBK**

## Balaclava

Super comfort fit thermal balaclava with contrast trim and embroidered logo. Constructed from 100% cotton (290g).

Order Code: **MGPBALBK**

## Windproof Neck Tube

Utilising technical material that blocks wind and water, this adjustable neck tube ensures maximum comfort and protection from wind and rain.

Order Code: **MGPNTB07**

## Neo Mask

This ventilated neoprene face mask features a special shaping to fit snugly and offer optimum protection between nose and neck. Velcro neck fastener, contrast trim and logo print.

Order Code: **MGPNEOBK**

## Bandit Mask

Cotton/ Lycra mix stretch-to-fit face mask with bibbed neck. Usable as a neck tube, contrast trim and MotoGP embroidered logo. Constructed from 95% cotton, 5% lycra mix (220g).

Order Code: **MGPBDTBK**

## Teardrop Knee Sliders

Suitable for track and road use. Teardrop shaped MotoGP knee sliders utilise firm grip velcro and solid plastic pucs. Available in Black, Blue and Red.

Order Code    Colour  
**MGPKSL01**    Black  
**MGPKSL02**    Red  
**MGPKSL03**    Blue

## Knee Slider

MotoGP Knee sliders suitable for track and road use. Features a highly durable composite puc with reduced friction properties, offering great surface contact feedback. The puc is bonded to a velcro mounting patch, ready for fitting to leathers. Contoured bespoke left and right sided moulds ensure optimum fitment.

Order Code: **MGPKSL04**

**NEW**

Arriving  
Spring 2013

## Head Tube

A versatile piece of headwear which can be used as a balaclava, bandana, headscarf, face mask and much more! Made from a stretchy cotton-lycra mix, this seamless tube offers optimum comfort for on and off-road bike use. Emblazoned with MotoGP logos and riders.

Order Code: **MGPTUB01**

... as a face mask

... as a pirate cap

... as a neck tube

... as a skull cap

## Visor Track Tints

PC film inserts that stick to the inside of helmet visors. Each film filters transmitted and UV light, the perfect alternative to sunglasses and coloured visors. Each pack contains 1 smoked tint and 1 iridium tint. Universal fit.

MotoGP track tints should only be used during the daytime and not on public highways. Track use only!

Order Code: **MGPTKTIRU**

## Bandana

Versatile bandana with feature MotoGP design.

Simply tie and use as bandana, neck scarf, head or wrist band.

## PVC Printed Keyrings

Fantastic photographic quality keyfobs detailing in-race shots of MotoGP's best. Features carbon effect MotoGP print on reverse. Metal ring fitment.

Order Code	Description
<b>MGPKEY72</b>	Andrea Dovizioso #4 / Repsol Honda
<b>MGPKEY73</b>	Nicky Hayden #69 / Ducati Team
<b>MGPKEY74</b>	Colin Edwards #5 / Monster Yamaha Tech 3
<b>MGPKEY75</b>	Jorge Lorenzo #1 / Yamaha Factory Racing
<b>MGPKEY76</b>	Dani Pedrosa #26 / Repsol Honda Team
<b>MGPKEY77</b>	Valentino Rossi # 46 "Knee Down" / Ducati Team
<b>MGPKEY78</b>	Valentino Rossi # 46 "Tuck" / Ducati Team
<b>MGPKEY79</b>	Marco Simoncelli #58 / San Carlo Honda Gresini
<b>MGPKEY80</b>	Ben Spies #11 / Yamaha Factory Racing

## Logo Keyrings

Official MotoGP keyfobs, in variety of fitments and functions

Order Code	Description
<b>MGPKEY61</b>	Premium metal keyfob with injected colour logo. Metal ring fitment.
<b>MGPKEY26</b>	Rubber keyfob with colour logo. Metal ring fitment.
<b>MGPKEY44</b>	Carabiner style keyfob, great for belt loops. Metal ring fitment.
<b>MGPKEY82</b>	Neck lanyard with quick release buckle. Clasp fitment suitable for keys, mobile phones, ID and paddock passes etc.

## Rider Paddock Chair

- Unique styling rider's paddock chair
- Deep support seat and back utilising memory foam
- Durable construction and high detail stitching
- Integrated shoulder and thigh supports
- Fully adjustable tilt and recline action
- Pneumatic height adjuster
- Carbon Fibre effect vinyl upholstery
- Chromed base with 5 swivel casters

Order Code:  
**MGPCHR01**

Perfect in home studies and at computer desks.  
Great in showrooms and waiting areas!

## Sticker Set

25 piece sticker set of MotoGP riders and logos.

Order Code: **MGPSET01**

\* Design may vary

## Track & Paddock Umbrella

Deluxe paddock umbrella with MotoGP logos feature print. (75cm radius shell, sponge handle, carbon fibre shaft)

Order Code: **MGPUMB06**

## Parking Sign

Aluminium punched parking sign, with feature print. 205mm x 290mm, pre drilled for mounting.

Order Code: **MGPSIG10**

## Ladies Automatic Umbrella

Eye catching ladies automatic umbrella featuring MotoGP print. Handle mechanism makes for easy opening and closing. Complete with storage case. Size: 50cm radius

Order Code: **MGPUMB04**

## Doormat

This novelty doormat is a must-have for any serious MotoGP fan. Non-slip backing and robust top material. Great at home and in showrooms!

Approx size : 40cm x 60cm

Order Code: **MGPMAT03**

## HOMOLOGATED APPROVED SYSTEMS

*Black*  
//SERIES//

### Road Black Series Carbon Fibre Slip-on Systems

Dyno tuned and track tested, like all TBR exhausts, the Black Series are aimed at those who want absolute top level performance without sacrificing good looks. All systems include filament wound seamless carbon fibre, stainless steel slip-tubes, and magnesium endcaps.

## RACE CANS

VIPER BY NAME - VIPER BY NATURE

"MAXIMUM POWER & TORQUE - IN STYLE"

*Viper Race Cans present a wide range of road and sports bike exhausts, offering stylish upgrades to original exhausts with increased performance*

- Reduced weight over original cans
- Increase in power output and torque
- Easy to fit slip-on and bolt-on cans
- Low maintenance
- Unique race acoustic

*Developed and manufactured in an original equipment facility, Viper Race Cans utilise optimum materials such as stainless steel and carbon fibre to guarantee exhaust cans of unfaltering build quality.*

*Formats available cater for all needs and budgets from 'straight-through' Alloy Round cans to road legal E-marked Carbon Fibre cans with end-cap and removable baffle. Whether the bike is a daily commuter or track machine, Viper provides plenty of choices in can shape, material and size.*

**Straight-through Race Can formats;**

- Alloy - Round / Oval / Stubby Oval / Micro Oval / Stubby Oval with Carbon end-cap / Micro Oval with Carbon end-cap
- Carbon Fibre - Oval

**E-marked Can with removable baffle formats;**

- Alloy - Round / Oval / Oval with Carbon Fibre end-cap
- Carbon Fibre - Oval / Oval with Carbon Fibre end-cap

<b>BAN5963</b>	Banjo clamp 59-63mm
<b>BAN6368</b>	Banjo clamp 63-68mm

## Exhaust Packing Sheets

Easy-use sheets of sound absorption media, manufactured from highly voluminised continuous filament glass yarn using sophisticated texturisation techniques. Suitable for both street and off-road applications.

The material is uniquely compressed and stitched together with a fine low temperature melting thread, which dissolves on contact with exhaust gas, releasing the compressed fibres to expand and fully fill chamber voids. Ideally suited for repacking non-uniform shaped cans such as oval and tri-oval, which can be tricky to repack correctly with standard materials.

### Easy to use;

- > available in 3 lengths to suit most popular exhaust sizes (length can also be trimmed for precision)
- > no need to use stainless steel wool to cover the perforated pipe
- > simply wrap sheet around the perforated pipe and cut to attain the required fill volume (each sheet is 1M wide)

### Material benefits;

- > higher temperature resistance (up to 1000°C), eliminating need for s/s wool
- > high resistance to High Pulse Compacting
- > increased sound absorption compared to traditional materials
- > improved thermal insulation - reduced need for internal or external heat shields
- > more efficient than conventional needle mat or blown-in fibre products

Order Code	Size
<b>EXCPCK350</b>	350mm x 1M
<b>EXCPCK400</b>	400mm x 1M
<b>EXCPCK450</b>	450mm x 1M

Fibres compressed by melting thread

Fibres expanded after thread has melted

## Centre Stand Stopper

Rubber stopper with allen bolt fitting, replaces or upgrades existing stopper to protect bike stand pipe contact with link pipe.

Order Code:  
**EXCRUB01**

## dB Killer

Designed for use with Viper oval and round cans this angled dB Killer simply bolts into the end of Viper cans to reduce noise emission.

Order Code: **EXCKILL**

N.B. Requires drilling at exhaust outlet nozzle.

## Can Shield

This carbon fibre shield simply straps over Viper oval cans, protecting covered area from impact knocks and scratches.

Can be located anywhere along the can, especially effective on the front end, the most common point of impact when bike is dropped or crashed\*.

Order Code: **EXCPROA**

\* Viper Can Shield helps to minimise damage to cans, it is not a guarantee of no damage.

## Baffle Kit

BS Approved easy to install / un-install universal Viper can baffle, inserts into end section of straight-through cans, simple bolt fixing secures baffle in place. Any protruding baffle can be easily trimmed to fit flush with the exhaust nozzle.

N.B. Fitting requires drilling hole into nozzle of exhaust can.

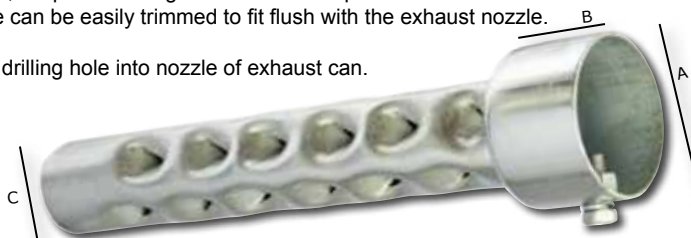

Dimensions:

A = 48mm

B = 28mm

C = 32mm

## Exhaust Inlet Reducer Kit

Inlet reducer kits consist of inter-changeable sleeves to allow exhaust fitment to narrower pipes.

Order Code	Description
<b>EXCRDC04</b>	4pc sleeves, 38mm/41mm/44.5mm/47.5mm (minimum closure 36mm)
<b>EXCRDC08</b>	3pc sleeves, 46mm/49mm/52mm (minimum closure 44mm)

## Exhaust Gaskets

Avoid sales of illegal and harmful asbestos type with our asbestos free formula. Pack of 10.

Order Code	Outer Diameter	Order Code	Outer Diameter
<b>EXG26</b>	26mm	<b>EXG44</b>	44mm
<b>EXG28</b>	28mm	<b>EXG45</b>	45mm
<b>EXG30</b>	30mm	<b>EXG46</b>	46mm
<b>EXG33</b>	33mm	<b>EXG47</b>	47mm
<b>EXG35</b>	35mm	<b>EXG48</b>	48mm
<b>EXG36</b>	36mm	<b>EXG49</b>	49mm
<b>EXG38</b>	38mm	<b>EXG51</b>	51mm
<b>EXG39</b>	39mm	<b>EXG53</b>	53mm
<b>EXG40</b>	40mm	<b>EXG54</b>	54mm
<b>EXG41</b>	41mm	<b>EXG55</b>	55mm
<b>EXG42</b>	42mm	<b>EXG56</b>	56mm
<b>EXG43</b>	43mm	<b>EXG62</b>	62mm

## Replacement Silencers

OEM equivalent replacement silencers at a fraction of the cost.

Order Code	Model
<b>HONDA</b>	
<b>EXHVIS</b>	VISION
<b>EXHC90CUB</b>	C90 CUB
<b>EXHANF125</b>	ANF125 Innova

## Ladder Display Stand

This purpose designed stand is perfect for displaying up to 6 Viper race cans and accessories.

Manufactured from lightweight aluminium, each ladder stand includes 6 exhaust hangers which can be attached 3 on each side of the unit. If less cans are required for display, remove the exhaust hangers and replace with eurohooks (included) to display a multitude of other product.

A double-sided perspex header section allows A4 size graphics to be easily inserted for optimum POS presentation, whilst a weighted base section keeps the unit stable and secure.

Order Code: **POSLAD01**

## Exhaust Mounting

Universal mounting brackets provide additional support for exhausts without integral hangers. Available in 2 1/2" and 2 7/8" pipe diameter fitment

Order Code	Description
<b>EXUST02</b>	2 1/2" pipe fitment, central hanger
<b>EXUST04</b>	2 7/8" pipe fitment, offset angled hanger

## Universal Silencers

A comprehensive range of universal road silencers in traditional and custom styles. Each silencer is finished to a superb high chrome quality, details of baffle and bracket configurations listed individually below. Some models are supplied with inlet reducer kits allowing a range of inlet diameters as detailed. Inlet reducer kits are also available to buy separately, see opposite page.

## Viper Scooter Silencers

Viper's range of reverse sports silencers are available for most of today's scooters. Homologated for road use, the reversed and downward end can is designed to improve power and speed over the original manufacturer's silencer.

It must be noted that the consequential increase in speed and power may render the scooter too powerful for the legal limit set for learner riders.

All silencers are available in a choice of 2

body finishes, "original smoked varnish" and "high chrome". Both types feature stylish black end cans with the VIPER logo.

## Clutch Rollers

### DON'T FORGET TO ORDER CLUTCH ROLLERS!

Viper Scooter Silencers are supplied WITHOUT clutch rollers. It is recommended that new rollers are fitted at the same time as the Viper exhaust silencer being fitted. Full details of the clutch roller range is detailed below, check the application chart on this page for the correct rollers to use for each scooter model.

NB: The rollers compatibility detailed here is based on the scooter's rider weighing 75kgs / 12 stone or less.

Order Code	Specification
VIPROLA	15x12 4.75g
VIPROLB	16x13 6.5g
VIPROLC	19x15 4.5g
VIPROLD	17x12 5.5g
VIPROLE	19x15.5 4.5g

6 pieces per pack

## Silencer Gaskets

Bespoke replacement exhaust gaskets for Viper scooter silencers. Model fitment as shown below.

## Fly Screens

With headlight bracket fitting kit, this classic design fits round headlights, protecting clocks and wiring. Great for Bandits & Hornets

**Light Smoked**  
 Order Code: **SCRU020**

**Dark Smoked**  
 Order Code: **SCRU021**

**Iridium**  
 Order Code: **SCRU022**

**Blue**  
 Order Code: **SCRU023**

## Bubble Fly Screens

Complete with headlight bracket fitting kit. Suitable for all round headlights. The Bubble screen protects clocks and offers some rider wind protection.

**Dark Smoked**  
 Order Code: **SCRU024**

**Clear**  
 Order Code: **SCRU025**

## Tall Boy Fly Screens

The Tall Boy's shape offers a higher screen to create some wind protection for the rider. Perfect for commuters and tourers. With headlight bracket fitting kit. Suitable for all round headlights.

**Dark Smoked**  
 Order Code: **SCRU027**

**Clear**  
 Order Code: **SCRU028**

**Light Smoked**  
 Order Code: **SCRU026**

## Deluxe Highway Custom Shield

Premium acrylic custom windshield.  
Features integral high-chrome chassis  
Fully adjustable fitting kit, fits 22mm and 25mm bars

Order Code:  
**SCRU031**

## Dominator Fly Screens

Bespoke fly screen to fit the popular Dominator twin headlight. Includes headlight bracket fitting kit.

**Dark Smoked**  
Order Code: **SCRUDOM05**

**Light Smoked**  
Order Code: **SCRUDOM06**

**Blue**  
Order Code: **SCRUDOM07**

**Iridium**  
Order Code: **SCRUDOM08**

## Custom Blade Screens

Classic style acrylic custom blade screens available in Clear and Light Smoked. Both screens available with a Black or Chrome fitting kit (included) to fit 7/8 and 1" bars.

**Light Smoked**  
Order Code *Fitting kit colour*  
**SCRU016** *Black*  
**SCRU017** *Chrome*

**Clear**  
Order Code *Fitting kit colour*  
**SCRU018** *Black*  
**SCRU019** *Chrome*

Black and chrome fitting kit options.

## Screen Bolts

An 8pc pack of bolts to fit screens to fitting kits and fairings. Includes anodised bolts, protective nylon washers and nuts.

Order Code	Colour
<b>BOLSCRBLK</b>	Black
<b>BOLSCRBU</b>	Blue
<b>BOLSCRCH</b>	Chrome
<b>BOLSCRGD</b>	Gold
<b>BOLSCRR</b>	Red

## Screen Fairing Bolts

This bolt kit features threaded rubbers that fit directly into the lugs of fairings. Nylon washers offer protection to the screen from the anodised bolts. 8pcs per pack

Order Code	Colour
<b>BOLFAIRBLK</b>	Black
<b>BOLFAIRBU</b>	Blue
<b>BOLFAIRCH</b>	Chrome
<b>BOLFAIRGD</b>	Gold
<b>BOLFAIRR</b>	Red

## Spike Fairing Bolts

8pcs screen fairing bolt kit, featuring 'spike' bolt heads  
Includes threaded rubbers and nylon washers  
Silver colour

Order Code: **BOLSPKCH**

## Screen Trim

Coloured screen trims to colour co-ordinate Airblade screens to bikes. Each trim is 1m long (enough to trim two screens). Available in a range of colours.

Order Code	Colour	Length
<b>SCRTRIMBU</b>	Blue	1m
<b>SCRTRIMCH</b>	Chrome	1m
<b>SCRTRIMGD</b>	Gold	1m
<b>SCRTRIMR</b>	Red	1m
<b>SCRTRIMSM</b>	Smoked	1m
<b>SCRTRIMTR</b>	Transparent	1m

## POS Display Unit

Merchandising screens has always been a challenge, this superb POS display can be hung from slat wall, attached to a wall or suspended from the ceiling, for perfect presentation of Airblades' range of colour finishes.

Each screen is removeable from the display to allow customers to match against their bike for the ultimate in rider choice.

Surround the display with Bike It screen trim and fairing bolts for optimum upselling opportunities.

Display comes complete with 4 mini screens in Blue, Iridium, Dark Smoked and Clear finishes, and all accessories required.

Order Code: **POSAIR01**

# Chain & Sprocket Kits

A winning combination of two proven products – Triple S chains and JT sprockets. Triple S chain, as developed by Team Yamaha UK's BSB and MX teams, is the perfect replacement chain for today's motorcycles.

Available in Standard, HD, O-Ring, X-Ring and now Solid Bush options. Here you will find a selection of Chain and Sprocket kits aimed at the small cc and commuter market. For the full listing of chains and sprocket kits please also check the CHAIN and OFF ROAD sections.

The listed chain and sprocket kits comprise the correct combination sprockets and chain type / grade for the bikes as stipulated by the manufacturer. Use of alternative chain will render warranty claims void.

NB; Bike It reserve the right to send an alternative length chain which will need to be cut to the correct length by the customer. If JT sprockets are not available Bike It will send an alternative brand.

## High Performance Dry Charge (DB Series)

20-30% more starting power than conventional batteries, more plates per cell give higher cranking performance. Extra power for machines with additional electrical components or high compression engines.

Order Code	Dynavolt Ref	Alt. Ref	ACID Packs Req.

CB7LB2	DB7L-B2	CB7L-B2	2

Supplied dry without electrolyte.  
Order electrolyte packs as detailed.

## Gel Nanotechnology (MG Series)

### High Performance MG...

An advanced range of sealed activated models (MG). Utilising a real gel electrolyte, rather than liquid, able to fully cover the active material all the time, providing a larger effective surface area and prevent lead from sulphation.

Order Code	Dynavolt Ref	Alt. Ref

6N63B1	6N6-3B-1	1

Supplied dry without electrolyte.  
Order electrolyte packs as detailed.

## Gel Nanotechnology Upgrades

### MG versions of DTX and DB models.

Dynavolt have taken some of the most popular maintenance free and conventional battery models (eg DTX9BS and DB4L-B) and developed upgrade batteries using MG technology. These upgrade batteries offer improved battery performance over the original battery type, and as they are factory sealed and activated they do not require acid-filling to commission.

### GEL NANO UPGRADE - DTX Series

Order Code	Upgrade from	Alt. Ref
MG4LBS	DTX4L-BS	YTX4L-BS
MG5LBS	DTX5L-BS	YTX5L-BS

MGCB4LB	DB4L-B	YB4L-B
MGCB5LB	DB5L-B	YB5L-B
MGCB9B	DB9-B	YB9-B

## Conventional Sealed Activated Batteries

Dynavolt factory-activated sealed batteries are supplied pre-charged and require no acid-filling to commission. This range is targeted as direct standard replacement for OE batteries fitted to the majority of the latest motorcycles.

Order Code	Dynavolt Ref	Alt. Ref
MGS6ZS	MGS6ZS	YTZ6-S
MGS7B4	MGS7B4	YT7B-4
MGS7ZS	MGS7ZS	YTZ7-S

## Maintenance Free With Acid Packs (DTX Series)

Valve regulated lead acid batteries once activated, are totally sealed. This eliminates spills and leakages, making them particularly suitable for motorcycles, ATVs and personal watercraft. Each battery is supplied with an easy-fill acid pack for activation, no further maintenance or topping up is required. Robust and vibration resistant, maintenance free batteries last up to three times longer than conventional batteries.

## Tubeless Scooter Tyres 10"-14"

A comprehensive range of tubeless scooter tyres available for the majority of today's scooters.

All tyres are fully E-mark compliant to ECE No.75, offering great grip and wear-rates.

Tyres supplied are Cougar brand wherever possible, if Cougar is not available Bike It will send an alternative brand of equivalent specification.

## Viper Scooter Silencers

Viper's range of reverse sports silencers are available for most of today's scooters. Homologated for road use, the reversed and downward end can is designed to improve power and speed over the original manufacturer's silencer.

It must be noted that the consequential increase in speed and power may render the scooter too powerful for the legal limit set for learner riders.

All silencers are available in a choice of 2

body finishes, "original smoked varnish" and "high chrome". Both types feature stylish black end cans with the VIPER logo.

## Replacement Silencers

OEM equivalent replacement silencers at a fraction of the cost.

Order Code	Model
HONDA	
EXHVIS	VISION
EXHC90CUB	C90 CUB
EXHANF125	ANF125 Innova

## Clutch Rollers

### DON'T FORGET TO ORDER CLUTCH ROLLERS!

Viper Scooter Silencers are supplied WITHOUT clutch rollers. It is recommended that new rollers are fitted at the same time as the Viper exhaust silencer being fitted. Full details of the clutch roller range is detailed below, check the application chart on this page for the correct rollers to use for each scooter model.

NB: The rollers compatibility detailed here is based on the scooter's rider weighing 75kgs / 12 stone or less.

Order Code	Specification
VIPROLA	15x12 4.75g
VIPROLB	16x13 6.5g
VIPROLC	19x15 4.5g
VIPROLD	17x12 5.5g
VIPROLE	19x15.5 4.5g

6 pieces per pack

## Silencer Gaskets

Bespoke replacement exhaust gaskets for Viper scooter silencers. Model fitment as shown below.

## Sam Browne Reflective Belt

**NEW**

The timeless and original Sam Browne style safety belt. Features crystalline reflective tape mounted on a robust nylon webbing strap, oversize buckle for ease of use with gloved hands, fully adjustable on the waist and shoulder.

Order Code: **REFBWN**

## Reflective Brace

High visibility brace, made from crystalline reflective tape, as used by British police and emergency services. Features waist belt with 2 shoulder straps, fully adjustable to fit all sizes! Waist and chest bands use large size click buckles, easy to use even with gloves on.

Order Code: **REFBRC**

## Reflective Over Jacket

A superior high visibility product, the 3/4 length sleeves offer additional safety and visibility, especially from the side and in heavy traffic. Features white reflective crystalline tape as used by the British police and emergency services.

Features:

- Generous cut
  - Zip front
  - Hi-Vis reflective crystalline tape
  - 3/4 Length sleeves
  - Lightweight - fits over existing clothes
- One size fits all.

Order Code: **REFJACK**

## Reflective Bib Vest

High visibility bib-vest for increased safety. Bright colours and reflective tape helps other road users see riders both day and night.

Features:

- Generous cut for comfort
  - Strong zip fastening front
  - EN471/EN340 "Hi-Vis" tape
- One size fits all.

Order Code	Description
<b>REFVEST</b>	Yellow
<b>REFVORG</b>	Orange

## Urban Hi-Vis Gilet

A robust premium hi-vis garment for wearing over motorcycle jackets. Manufactured from tough Oxford material with mesh lining.

Hi-vis yellow colour with reflective trim for increased on-road visibility.

Features lower back zip-pocket with overflap, waist pockets and zipped chest-pocket. Fully adjustable 'floating' sides for optimum fitting.

Order Code	Size
<b>REFGLT11</b>	Medium
<b>REFGLT12</b>	Large / XL

## Commute Hi-Vis

A hard-wearing hi-visibility gilet for wearing over motorcycle jackets.

Manufactured from durable nylon with inner mesh lining.

Jumbo front zip.

Highly visible yellow colour with reflective piping and trim detail.

Stretch side panels ensure comfort fit without baggy feeling.

2 internal pockets.

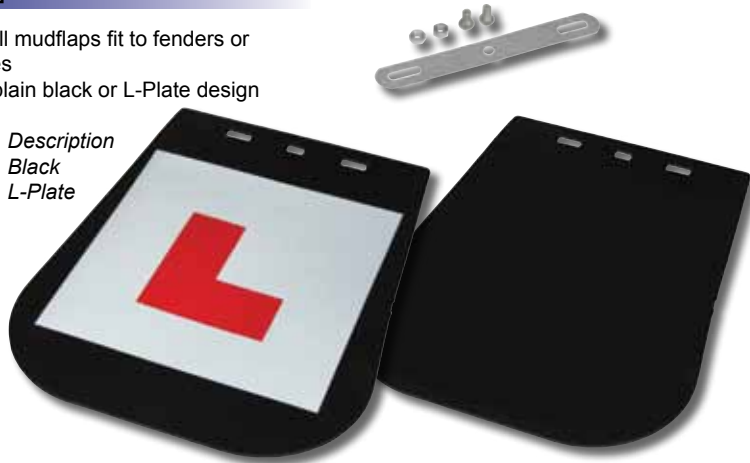

Order Code	Size
<b>REFGLT14</b>	Small / Medium
<b>REFGLT15</b>	Large
<b>REFGLT16</b>	XL / 2XL

## Mudflaps

Easy to install mudflaps fit to fenders or number plates  
Available in plain black or L-Plate design

Order Code	Description
<b>MUD011</b>	Black
<b>MUD015</b>	L-Plate

## ABS Top Box

ABS luggage top boxes.

Universal fitting bracket will fit most carrier racks.

The top-box can be removed from fitting bracket when not in use, using the anti-tamper quick release mechanism activated securely from inside the box.

Spring-activated self-locking mechanism.

Reflective detail trim for increased safety.

Order Code	Description
<b>LUGBOX10</b>	24L Capacity
<b>LUGBOX11</b>	48L Capacity

## L Plates

Order Code	Description
<b>LPT01</b>	Self Adhesive (pack of 10)
<b>LPT02</b>	Tie-On (4 hole) (pack of 10)
<b>LPT03</b>	Rigid 2mm thick (pack of 10)
<b>LPT04</b>	Rigid 2mm thick with Fixing brackets (pack of 10)

## Plastic Tax Disc Holders

This original budget plastic holder features simple clip-in window closure. Supplied on a card of 10 pieces.

Order Code	Description
<b>TDHPBLK</b>	Black (per 10)
<b>TDHPW</b>	White (per 10)

## Road Gloves

TEXTILE WINTER THERMAL

- Waterproof textile road glove
- Reinforced leather palm section
- Reflective piping
- Webbing tab-pull adjuster across wrist
- High cuff for wind protection
- Thermal lining

Order Code	Sizes
<b>GLVRD18S</b>	Small
<b>GLVRD18M</b>	Medium
<b>GLVRD18L</b>	Large
<b>GLVRD18XL</b>	XL
<b>GLVRD18XXL</b>	2XL

## "URBAN" Scooter Apron

- Provides wind and rain protection for rider
- Simple waist fitment by adjustable webbing belt and buckle
- Apron is tailor-fitted to rest over legs when riding
- Thick and durable oxford outer layer
- Inner fleece lining for maximum warmth
- 2 side pockets with reflective piping
- Supplied with storage bag

Order Code: **RCOLEG02**

## "CHASER" Scooter Apron

- Provides wind and rain protection for rider
- Connects to scooter by webbing straps and velcro closures
- Bib fitment for additional rider protection
- Apron is designed to attach to scooter, creating protective cover for legs
- Thick and durable oxford outer layer
- Inner fleece lining for maximum warmth
- Folds flat into internal storage compartment with shoulder strap when not in use
- Supplied with storage bag

Order Code: **RCOLEG03**

## Biketek CNC Adjustable Sports Levers

Biketek adjustable levers offer a superior quality upgrade to standard OEM levers. Precision CNC machined, the levers are ergonomically designed to provide improved lever feel and control. The multi-setting adjuster enables the lever to be set at the exact reach for the rider, resulting in better control and comfort. Features grooved lever blade for better grip, with detail aero cut-out. Premium quality finish in classic anodised gunmetal colour with black adjuster, these levers will prove a stylish upgrade to all bikes. Sold individually.

### Handlebar Accessory Mount Bracket

Designed to provide a perch for accessories that have a 22.2mm tube mounting bracket, such as Sat-Navs, smart phones and cameras. The 22.2mm diameter perch sits on an adjustable arm, the bracket has a 10mm bolt hole enabling fitment to many mounts such as mirror boss and lever clamps.

Order Code: **BARMNT15**

**NEW**

### 28.6mm Handlebar Clamp Conversion

Aluminium and CNC finished handlebar clamp, converts 22.2mm bar clamps to wider 28.6mm size, enabling use of jumbo bars of 28.6mm diameter.

Order Code: **BARRIS06**

### Handlebar Accessory Mount Top Clamp

A clever and simple solution for mounting accessories such as Sat-Navs and cameras to a motorcycle. This replacement top clamp features an extended arm with a thread mount to enable accessories to be bolted on. The top clamp will fit 22.2mm bars. Available with either M6 x 1.0 or M8 x 1.25 mounting thread. Precision CNC machined alloy with anodised gunmetal finish.

Order Code    Description  
**BARMNT05**    M6 x 1.0 thread mount  
**BARMNT10**    M8 x 1.25 thread mount

**NEW**

### Handlebar Risers

Aluminium and CNC finished handlebar riser clamps, raises bar height by 30mm. Available for 22.2mm and 28.6mm bar clamps

Order Code    Fitment  
**BARRIS02**    28.6mm handlebar  
**BARRIS04**    22.2mm handlebar

### Multi-Stage Handlebar Riser Kit

Aluminium handlebar riser kits  
 Precision quality CNC machined components  
 Premium polished finish

Features base mount, bar mount and three sizes of spacer  
 Includes three sets of M8 fitting bolts for various height options  
 4 height options (+5mm, +10mm, +15mm, +30mm)

Uses the original bar top clamp  
 Available for 22.2mm and 28.6mm bar sizes

Order Code    Fitment

## Replacement Clip-On Tube

Replacement handlebar tubes with integrated nylon bar-ends.

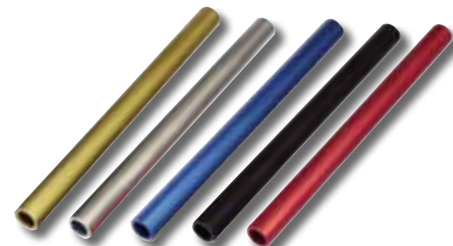

Order Code	Colour
BARCP18	Black
BARCP20	Gold

## Clip-On Tubes

**Sportsbike Clip-On Tubes. Pair**

- 22.2mm (7/8") diameter
- 280mm length
- 6061 T6 Aluminium

Order Code	Colour
BARCPBLK	Matt black
BARCPBU	Matt blue
BARCPSL	Matt silver
BARCPGD	Matt gold
BARCPR	Matt red

## Boxer Bar Muffs

- Protects rider's hands from wind and rain
- 3 layer neoprene construction provides optimum protection
- Unique universal fitting, grips and levers locate through the bar muff
- Contoured fit, increased comfort
- Reflective print safety feature
- Optional mirror cords

Order Code: **GRPBOX**

## Bar Pads

Handlebar crash pads available in selection of colours and designs.

Each Bar Pad includes high-density foam pad and printed vinyl sleeve with velcro fastener.

Order Code	Description
BARPAD01	Honda Red
BARPAD02	Kawasaki Green

## Cruise Control

Motorcycle cruise control / wrist rest. Allows periodic resting of throttle hand on long journeys.

**NEW**

Order Code	Size
<b>CRUC22</b>	22mm, 7/8inch handlebars
<b>CRUC25</b>	25mm, 1 inch handlebars

## Cruise Control

Cruise Control allows the throttle to be set at an open position during riding, minimising stress and strain on the rider's wrist and hand. When set, the control will maintain the bike at a constant speed, but can be instantly deactivated when needed by simply flicking the lever off. Simple accessory for comfy riding, essential for long journeys and touring.

Order Code: **CRUCON**

Universal fitting kit

## Cruise Aid

Save wrist-ache on long journeys! Clip this gadget over the throttle grip and use it as a rest for thumb heel. Simple and effective for cruising at higher speeds.

Order Code: **CRUAID**

### LED Blade Indicators

**NEW**

Aggressive styling indicator with two feature cut-outs.  
Super-bright amber LEDs.  
75mm width.  
E-Marked.

Order Code: **INDLED63**

### LED Force Indicators

Compact LED indicator with safety end cut out for increased visibility.  
E-marked.

Order Code	Description
<b>INDLED25</b>	Short Stem Black
<b>INDLED26</b>	Long Stem Black
<b>INDLED27</b>	Short Stem Carbon
<b>INDLED28</b>	Long Stem Carbon

**For LED relays see page 125**

### LED POD Indicators

**For LED relays see page 125**

Measuring just 55mm from base to tip, with a 30mm x 20mm lens, POD indicators are a fantastic mini unit featuring bright inset LED's.  
E-marked.

Order Code	Description
<b>INDLED36</b>	Black
<b>INDLED37</b>	Chrome

### LED Diamond Indicators

**For LED relays see page 125**

These indicators utilise bright, fast LED's set into a neat diamond shape body.  
Available in black, as either short or long stem options.  
E-marked.

Order Code	Stem	Body Colour
<b>INDLED09</b>	Short stem	Black
<b>INDLED10</b>	Long stem	Black

## LED Fairing Insert Indicators

Easy and effective solution to upgrade OEM fairing indicators. These indicators are shaped to fit the hole left after removing the factory originals.

- Simple screw fit installation.
- Do not require additional fairing spacers.
- E-marked.

## Fairing Indicator Risers

Fairing Indicator Risers are rubber mounts which fit directly into the fairing cavity. The mounts raise the height of fairing indicators to offer improved visibility of the indicator to other road users. Suitable for use with flush-fit and stalked indicators. Available for majority of modern sportsbikes.

## 127pc Heat Shrink Wire Wrap Assortment

Contains 7 popular sizes, complete with sectioned storage case. When heated, these sleeves shrink around wiring for optimum connection and insulation.

Order Code: **ASST21**

## Scotch Lock Wire Connectors

Push fit connector blocks for easy and tidy connection of electrical wires. Ideal for installing indicators, rear lights etc. Pack of 10 connectors.

Order Code: **ASST24**

## LED Indicator Relays

LED indicators work to a lower wattage than standard bulb-type indicators. To avoid rapid flashing it may be necessary to replace the existing relay with a specially designed LED relay with the correct wattage.

Order Code	Description
<b>WRELED01</b>	2 pin Universal
<b>WRELED02</b>	3 pin Universal
<b>WRELED03</b>	OEM Block type Fits most Honda, Kawasaki, Yamaha
<b>WRELED05</b>	7 pin Suzuki OEM block type, 12V

## LED Indicator Resistor

An easy alternative to installing an LED indicator relay, these resistors are simply connected in series to each indicator, creating correct indicator flash rate without needing to replace the OE relay. Each indicator requires 1 resistor. Sold individually.

Order Code: **WRELED04**

## Indicator Bulbs

Order Code	DESCRIPTION	QTY	BASE	VOLT	WATT	BULB	COLOUR	FOR

## Handlebar Mirror Mount

Universal fitting mount fits 25mm bars, includes additional inner sheath to make fitment to 22mm bars. 10mm mirror thread.

Order Code: **MRUMNT01**

Universal fitting mount fits 22mm bars. 10mm mirror thread.

Order Code: **MRUMNT04**

## Mirror Extender

This mount offers 40mm horizontal and 27mm vertical extension. Available with 10mm standard and 10mm Yamaha thread fitment

Order Code	Thread
<b>MRUMNT08</b>	10mm Standard
<b>MRUMNT12</b>	10mm Yamaha

## Mirror Adaptors

Adaptors that allow fitment of different size mirror threads.

Order Code	Description	Colour
<b>MRUADAP810</b>	8mm to 10mm	Alloy
<b>MRUADAP810B</b>	8mm to 10mm	Black
<b>MRUADAP108</b>	10mm to 8mm	Alloy
<b>MRUADAP108B</b>	10mm to 8mm	Black

Left hand Yamaha mirrors have a standard clockwise thread, right hand Yamaha mirrors have a reversed anti-clockwise thread.

The right hand adaptors in these kits will allow a universal 10mm or 8mm standard thread mirror to be attached. It has a 10mm reverse thread at the base, and an internal 10mm or 8mm standard thread at the top.

The left hand adaptor in this kit simply raises the height of the left mirror to match the right hand.

Order Code	Description
<b>MRYADAP1010</b>	Black kit allows 10mm standard thread mirrors to be mounted to Yamaha's -
<b>MRYADAP10CH</b>	Chrome kit allows 10mm standard thread mirrors to be mounted to Yamaha's -
<b>MRYADAP810</b>	Conversion kit allows 8mm standard thread mirrors to be mounted to Yamahas

## Bar Mount Adaptors

Bar mount 10mm adaptors

**BLACK**

Order Code	Mounting Thread	Thread
<b>MRAF1STBLK</b>	Thread	Standard
<b>MRAF1YTBK</b>	Thread	Yamaha

**CARBON LOOK**

<b>MRAF1STCBN</b>	Thread	Standard
<b>MRAF1YTCBN</b>	Thread	Yamaha

## Adjustable Mount Adaptors

10mm inner thread with 10mm or 8mm bolt options.

Order Code	Bolt size
<b>MRUMNT16</b>	10mm
<b>MRUMNT20</b>	8mm

## Handlebar Mount Adaptors

Handlebar mount adaptors for 10mm mirrors. Ideal for F1 mirrors. 22mm bar diameter fitment.

**BLACK**

Order Code	Mounting Thread	Thread
<b>MRAF1SBBLK</b>	Handlebar	Standard
<b>MRAF1YBBLK</b>	Handlebar	Yamaha

**CARBON LOOK**

<b>MRAF1SBCBN</b>	Handlebar	Standard
<b>MRAF1YBCBN</b>	Handlebar	Yamaha

## Blind Spot Mirrors

Convex wide angle mirror eliminates blind spots. Adjustable mirror fits different riding positions. Effectively increases viewing angles. Pair.

## LED Rear Lights

Clear Lens version incorporates red LED's in the stop/tail function, and also have unique integral LED indicators in amber colour, enabling stock indicators to be removed for trimmed down look or to be kept as additional safety feature. \*

Cool Grey smoked-lens version incorporates red LED's in the stop/tail function, but do not have integral indicators.

Both formats are easy to install, simply bolting in place of the existing OEM unit and benefitting from OEM block connectors for quick and hassle-free wiring.

## Number Plate Hanger Brackets

Lightweight aluminium bracket for mounting number plate, number plate light and rear indicators.

Features multiple-locating base plate for universal fitment, hinged bracket allows optimum angle adjustment of number plate. Indicator mounts are adjustable through 4 widths or removable. A totally versatile bracket allowing fitment of all road-legal and show-only plate sizes. Designed to be used with Solar (RLTNUM03) and Cluster (RLTNUM05 / 07) number plate lights.

Order Code: **RLTNPT10**

Universal adjustable number plate hanger bracket with indicator mounts.

Order Code: **RLTNPT05**

## LED Spoiler Rear Light

Durable plastic universal spoiler, with three bolt fitting locations  
 Features 10mm indicator fitting mounts on side  
 Incorporates integral LED stop/tail light  
 Clear lens with red LEDs  
 (12V 0.2W)  
 E-marked

Order Code: **RLTLED18**

## Rear Fender LED Rear Light Spoiler

Universal spoiler fits to rear fenders  
 Incorporates integral LED stop/tail light  
 (12v 0.2W)  
 E-marked.

Order Code: **RLTLED11**

## Faze Number Plate Light

Premium metal bodied LED number plate light

Order Code: **RLTNUM19**

## LED Number Plate Lights Bolts

Machined alloy 6mm number plate bolts  
 13mm diameter dome housing incorporates single white LED  
 for number plate light illumination  
 Supplied as pair

Order Code:  
**RLTNUM17**

## LED Blade Indicator with Stop/Tail Light

3-in-1 LED unit with indicator, tail light and brake light function. Aggressive body styling with two feature cut-outs. Super-bright LEDs. 75mm width. Supplied as pair. E-Marked.

Front matching indicators available see page 114.

Order Code: **RLTLED20**

**NEW**

## LED Number Plate Light

Plastic bodied number plate light with 3 super-bright LEDs. Single bolt/nut fitment. Size: 60x20x45mm (WxHxD). E-Marked.

Order Code: **RLTNUM20**

**NEW**

## LED Number Plate Light

Micro LED number plate light, with universal fitting bracket and fixings. Perfect for tail conversions. Size: 37mm x 19mm x 9mm E-marked.

Order Code: **RLTNUM01**

## Solar LED Number Plate Light

'Solar' LED number plate light, universal screw fitting. 12v 0.2w four bright LED's. Size: 56mm x 25mm E-marked.

Order Code: **RLTNUM03**

NB, this product is NOT solar-powered. It should be connected to the motorcycle's electrical circuit as per original number plate light unit

## Atom LED Number Plate Light

These tiny units feature a "brow" on the lens to direct the emitted white light downwards onto the number plate. Can be fitted above the number plate or used as number plate bolts. Universal 6mm bolt fitting. 12V 1.4W E-marked. Size: 2.6 x 1.8 x 1.7cm

Order Code	Colour

## Biketek Raiser Stand

Biketek Raiser Stands enable easy lifting and positioning of motorbikes.

Utilising a bike specific adaptor the stand is connected to the motorcycle frame, an inbuilt hand-operated lifting mechanism raises the bike and both wheels clear of the ground.

The chassis of the stand is mounted on swivel casters, allowing the bike to be effortlessly rolled into any position in a workshop or garage.

Max load 230kg  
Raised height 15cm

## Paddock Stands

Bike Tek Front and Rear Paddock Stands allow easy and safe lifting of wheels for most repair and maintenance jobs. Extra heavy duty construction, these stands are available in red finish, supplied with front under-fork or rear swing- arm cup adaptors. A bobbin hook kit is available for rear stands see page xxx.

### Features:

- Spring loaded quick release under fork and cup adaptors
- HD oil resistant wheels
- Protective rubber base bungs

## SERIES 3

PDSFRT

PDSTAND

Series 3 paddock stands utilise a unique design to create a sturdier and stronger stand, the revised handle shape offers better handling for lifting motorcycles.

Wheel design may vary

## Static Rear Stand

This new rear stand from Bike Tek offers a unique method of motorcycle storage, especially suited for dealership displays and long term private home storage.

A 9mm steel support bar is inserted through the rear wheel axle, which is then secured to the stand body. The bike is pushed backwards and raises into position on the stand. Cleaning and maintenance work can be carried out when the bike is mounted on the stand (except for tasks that involve removal of the rear wheel).

Front paddock stands can still be used in conjunction with the Bike Tek static stand.

Manufactured from 1.4mm steel, 23mm diameter tubing, the stand is a 1pc unit requiring no assembly and offering optimum strength and rigidity.

Finished in durable powder-coating and with protective ground-contact bungs.

Order Code: **PDSR014**

## Aluminium Box Paddock Stands

Aluminium box section tubing paddock stands. Lightweight and extremely rigid. Self-assembly construction, each side-section connected by 3 bolts. Features PU blue wheels. 30 x 30mm box section base.

Order Code	Description
<b>PDSR016</b>	Rear stand, with bobbin adaptors
<b>PDSR018</b>	Front stand, with rubber under-fork rockers

NB: Bike must be fitted with swinging arm bobbins (not included) when using PDSR016

## Aluminium Jumbo Box Stands

Oversize aluminium box sections make these stands extremely durable and rigid. Self-assembly construction, 3-bolts securing each side section to the handle-base. Oversize 45 x 45mm box section base.

Order Code	Description
<b>PDSR020</b>	Rear stand with bobbin fit hardware
<b>PDSR022</b>	Front stand with self-adjusting under-fork hardware

NB: Bike must be fitted with swing-arm bobbins (not included) when using PDSR020

## Aluminium Paddock Stands

The Bike Tek Aluminium Race Paddock Stands are manufactured from ultra lightweight aluminium over-sized tubing offering a robust and sturdy build quality. Rear stands are supplied with bobbin fork mounts which are width adjustable to fit all twin swing-arm motorcycles, the mounts are lockable by means of integral allen head bolts. Suitable for all motorcycles fitted with swinging arm bobbins / cotton reels.

Front stands are 1 piece construction, which can be width adjusted. Interchangeable pins allow for use on bikes with split level forks. These are serious upgrades from standard steel paddock stands! The locking bobbin fork mounts and light weight make it especially suited for track and paddock use where speed and ease of use is essential.

Order Code	Description
<b>PDSR001</b>	Rear
<b>PDSR008</b>	Front

Wheel design may vary

## Front Head Stand

The Bike Tek front head stand folds out to enable a motorcycle to be lifted by the front steering head tube. This offers maximum access to the front end for all repair, cleaning and maintenance work. Each stand is supplied with a kit of 5 of the most popular sized head lift pins covering 90% of motorcycles (including 13mm, 15mm, 16.5mm, 17mm and 18mm). Other larger size pins are available separately. Pins are easily and quickly changeable, making the stand extremely versatile across a wide range of bikes.

Order Code Description

Order Code	Description
PDSBOBK10	10mm thread, 1.25 pitch, offset
PDSBOBK12	12mm thread, 1.25 pitch, offset
PDSBOBKZX	10mm thread, 1.25 pitch, long

Bobbin spools specific to Kawasaki bikes with offset bobbin.

For Swingarm spools see page 251

## Swing Arm Spool Sliders

Dual function swing arm spools

- Protect swing arm in crash
- Allow bike to be lifted by paddock stand

Manufactured from high grade Synthetic Polymer (STP) or T6 Aluminium, these Spool Sliders allow high impact strength with anti-friction and non-shatter properties. Each kit is CAD designed, CNC machined, and uses the highest grade steel bolts and aluminium inserts as required.

Use of Swing Arm Spool Sliders is intended to limit damage to a motorcycle in a fall or accident. It is NOT a guarantee of no damage.

Fits	Thread	Order Code	Order Code
		Black STP	Aluminium
Honda/Suzuki/Ducati	8mm 1.25	7010309	8010300
Yamaha/Aprilia	6mm 1.00	7010609	8010600
Kawasaki	10mm 1.50	7010709	8010700
Kawasaki	10mm 1.25	7010709K	8010700K

Application list is not exhaustive, see specification above for both sizes.

## Bobbin Hook Adaptors

Pair of bobbin hook adaptors replace standard cup adaptors, allowing you to lift the bike by the bobbins instead of swing arms.

## Bike Tek Adjustable Wheel Chock

- 1pc construction wheel chock provides excellent stability of motorcycles in storage or transit.
- 38mm tubular steel construction.
- Steel base-plate for front wheel location features 2 side-plates to grip front wheel.
- Side-plates are lockable and width adjustable up to 8" maximum, to ensure secure fit.
- Can be used free-standing, but can also be permanently fixed to ground or inside vehicle via 2 fixing locations (fittings not supplied).

For use in several locations an optional quick-release plate is available, enabling the wheel chock to be removed quickly and easily - ideal if the chock is used inside a vehicle.

The quick-release plate can be bolted to any fixed surface via the 4 fixing location (fittings not supplied), the wheel-chock simply connected by 1 bolt-fitting.

Order Code	Description
<b>PDSCHK23</b>	Adjustable Wheel Chock
<b>PDSCHK25</b>	Quick-release base plate

NB Intended for use on front wheel of motorcycles only

## Wheel Brace

This steel tubing wheel brace bolts into the ground providing a base for motorcycle wheels to be located.

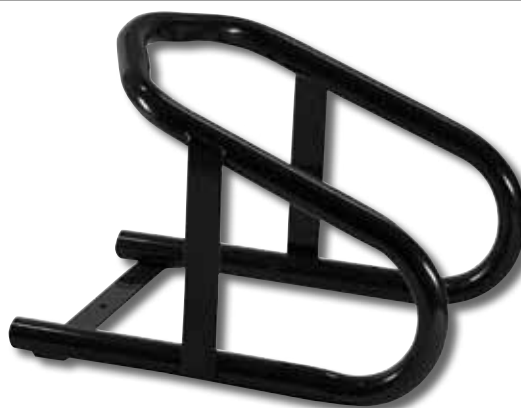

Can be fixed in vehicles and on trailers for increased stability in transit, equally suitable bolted on the floor for parking aid and a security lock point.

160mm width.

Fittings not supplied.

NB: bike must also be secured by tie-down straps, or with the bike's centre/side stand

Order Code: **PDSCHK21**

## Self-assembly Wheel Chock

### Self-assembly Wheel Chock

Supports front wheel of bike during storage and transit.

Fully adjustable to fit wheels 12" to 18" (adaptor kit available to convert to 21").

Features pivot clamp which locks the front wheel securely by the bike's weight.

Can be bolted to ground.

Order Code: **PDSCHK17**

### 21" Wheel Adaptor Kit

Replacement support strut converts the self-assembly wheel chock to fit wheels up to 21".

Order Code: **PDSCHK19**

Note: Bike must also be secured using tie-down straps

## Wheel Chock

One piece construction tubular wheel chock.

Supports front wheel of bike during storage and transit.

Fully adjustable to fit wheels 12" to 18".

Features pivot clamp which locks the front wheel securely by the bike's weight.

Can be bolted to ground.

Order Code: **PDSCHK15**

## Aluminium Loading Ramps

**NEW**

Strong and durable loading ramps, made from lightweight aluminium, enable safe and easy loading and unloading of motorcycles and scooters. Space-saving folding design, allows compact storage when not in use. Features coated extension arms on top end for stability during use. Rigid aluminium box section side rails. Strong aluminium centre plates with cut-outs for tyre grip. Available in three width options. Max load 340kgs/ramp.

PDSRAMP07

PDSRAMP08

Order Code	Type	Width	Length

PDSRAMP06

## Loading Ramp

Constructed from ultra lightweight aluminium, and utilising a unique folding design, Loading Ramps are perfect for loading motorcycles on / off trailers and transport vehicles.

Each ramp is 2170mm length when extended, available in two widths. Max load: 340 Kgs / 750 Lbs

Order Code	Size
<b>PDSRAMP01</b>	230mm width
<b>PDSRAMP04</b>	280mm width

PDSRAMP01

PDSRAMP04

## Loading Ramp Bag

Padded storage bag for loading ramp. Zip closing with carry handles.

Order Code	Description
<b>PDSRAMP03</b>	Fits PDSRAMP01
<b>PDSRAMP05</b>	Fits PDSRAMP04

NB. Ramp not included

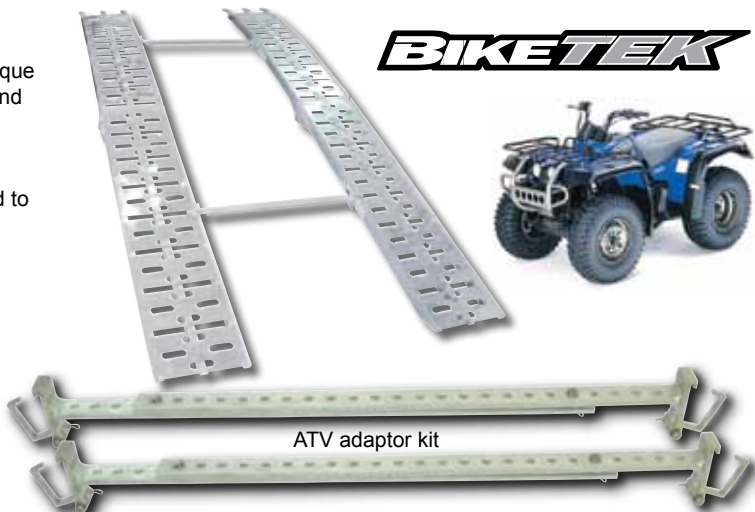

## ATV Loading Ramp

Constructed from ultra lightweight aluminium, and utilising a unique folding design, this Loading Ramp is perfect for loading ATV's and quads, when using two ramps, on / off trailers. Simply order 2 ramps and one adaptor kit. Each kit contains 2 adjustable arms that clip onto the inner struts of each ramp, stabilising and keeping them parallel. Each arm can be adjusted to change the width between ramps from 520mm to 940mm.

EXTENDED PLATE LENGTH = 2170mm  
Max load: 340 Kgs / 750 Lbs per ramp

Order Code	Description
<b>PDSRAMP02</b>	ATV adaptor kit
<b>PDSRAMP01*</b>	Loading ramp, 230mm width
<b>PDSRAMP04*</b>	Loading ramp, 280mm width

\* Order 2 loading ramps for ATV / quad use

**BIKETEK**

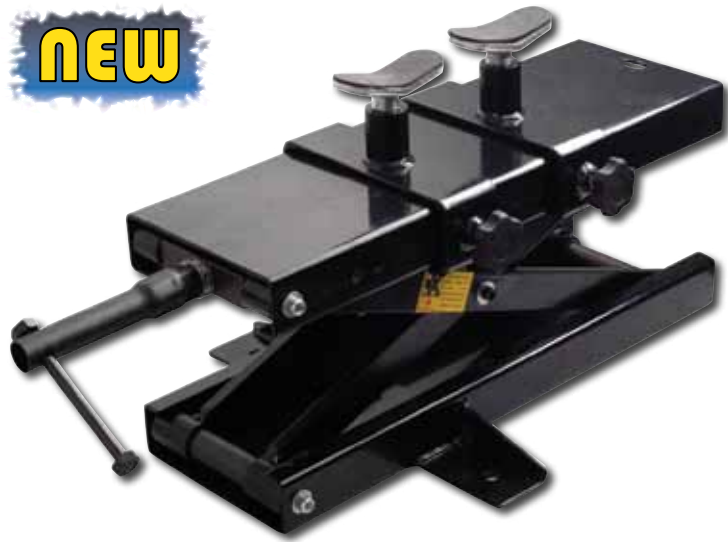

ATV adaptor kit

## Platform Lift Jack

**NEW**

This platform lift jack is designed for raising motorcycles with either a flat base or a tubular frame. A hand-operated scissor-lift mechanism raises the top-platform from a height of 100mm to 340mm. Features two width and height adjustable support struts, with rubber protector inlays, to locate under tubular framed bikes - these support struts are removable when lifting flat based bikes. Base section has two mounting plates, enabling the lift jack to be bolted permanently to table lifts and work stations. Platform size 450mm x 150mm. Max load 500kgs.

Order Code: **PDSLIFT09**

## Premium Lift Jack

This mini lift jack is suitable for lifting bikes with a flat base or tubular frame, lifting from 100mm to 340mm.

The height and width adjustable cup supports can be added for additional clearance of sumps.

- Max lift 500kgs
- Handle operated (also supplied with socket head adaptor)
- Height and width adjustable removeable cups
- CE approved
- Suitable for ground or table use

**BIKETEK**

Order Code: **PDSLIFT05**

Lift Jack Size: 465mm x 150mm (excluding handle and supports)

**Not to be confused with lower spec alternatives available elsewhere!**

## Americana 2 Hydraulic Workshop Lift

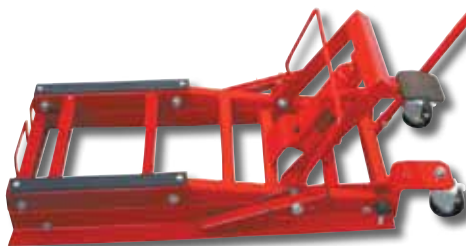

- Unique heavy weight hydraulic lift, designed specifically to lift lower sitting framed bikes, perfect for Harley Davidsons.
- Ideal for cleaning, servicing and adding accessories.
- Manually operated by foot, a hydraulic ram lifting up to 600kgs from height of 121mm (4 3/4") up to 404mm (15 3/4") with hand release valve lowering system.
- Added security of side-locking safety bars.
- Wheel-mounted for on-stand bike manoeuvring, complete with pull-handle
- Manoeuvring pull handle
- Lowest clearance 13cm

Order Code: **PDSAMER02**

**EXCLUSIVELY  
DESIGNED FOR  
HARLEYS!**

**AMERICANA  
HYDRAULIC LIFT 2**

\* An additional supporting block (not supplied) may be required for bikes that have a sump hanging lower than the frame rails or those that have odd height, lower frame rails.

## Americana Hydraulic Workshop Lift

- Unique heavy weight hydraulic lift, suitable to hoist unfaired motorcycles including choppers and cruisers, MX bikes and ATV's
- Perfect for cleaning, servicing and adding accessories.
- Manually operated by foot, a hydraulic ram lifting up to 600kgs from height of 146mm (5 3/4") up to 419mm (16 1/2") with hand release valve lowering system.
- Added security of side-locking safety bars.
- Wheel-mounted for on-stand bike manoeuvring, complete with pull-handle
- Manoeuvring pull handle
- Lowest clearance 15.5cm

## Bike Tek Deluxe Centre Stand Mover

- Deluxe centre stand mover, with 43x18cm plate area for centre stand to locate on.
- Anti-slip covering on plate area.
- 500kgs max load (intended for motorcycles only!).
- Oversize 7cm diameter PU-coated wheels, with 360 degree rotation, for stability and ease of movement.
- Brake mechanism on each individual wheel.
- 25mm clearance from ground to underside of plate.
- Manufactured from 7mm thickness hardened steel sheet.
- Black powder coat finish.

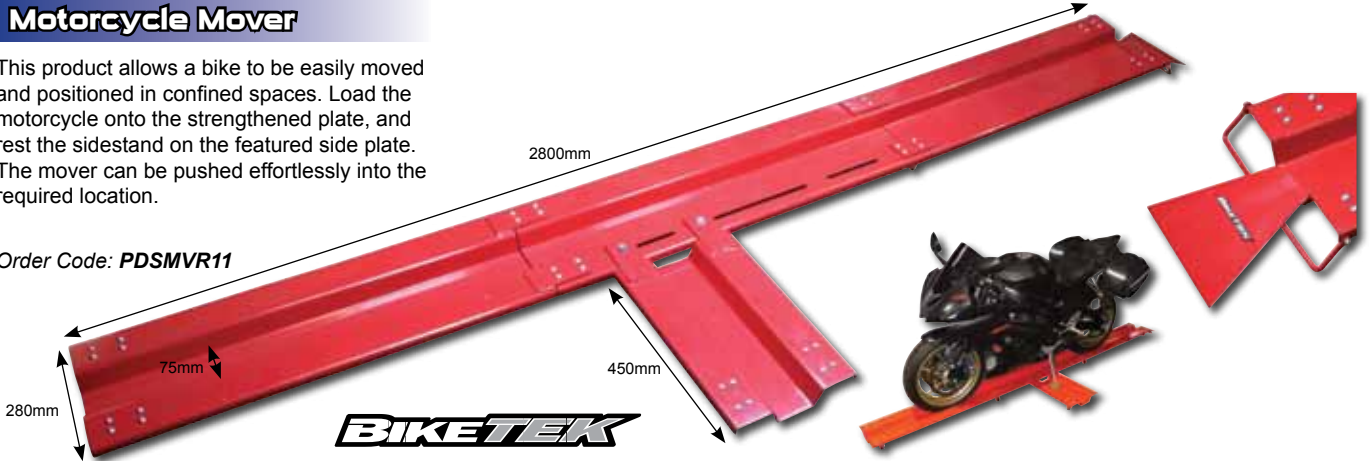

Order Code: **PDSCTR11**

## Motorcycle Mover

This product allows a bike to be easily moved and positioned in confined spaces. Load the motorcycle onto the strengthened plate, and rest the sidestand on the featured side plate. The mover can be pushed effortlessly into the required location.

Order Code: **PDSMVR11**

## Wheel Spinner

This device allows front and rear wheels to be rotated for cleaning, tyre inflation and chain lubricating. The rollers utilise sealed bearings, distance between rollers can be adjusted for all sizes of tyre. Galvanised finish. Includes kick-stand puc to raise height of bike for stability in use.

Order Code: **PDSSPN01**

## Centre Stand Mover

Use this stand to manoeuvre motorcycles with centre-stands where space is restricted. Centre stand locates on the plate, 360° casters allow bike to be moved in any direction. Complete with brake mechanism. Ideal for workshop, display room and home garage use. Max load: 150kg

Order Code: **PDSCTR07**

## Hydraulic Motorcycle Workshop Lift Table

Designed to enable efficient and safe access of motorcycles, allowing repairs and servicing, adding accessories and extensive cleaning. Suitable for both workshops and home garages. The table smoothly and safely lifts the motorcycle to an optimum height and position, maximising workshop and garage space. Suitable for all types of motorcycles and scooters, front wheel locks into clamp, bike held stable by centre stand or paddock stand (not supplied).

### FEATURES:

- Table size – 2100 X 620mm
- Side and forward locking wheel clamp
- Foot operated hydraulic ram lifts 400kgs from height of 200mm up to 800mm
- Wheel mounted for ease of manoeuvring, with adjustable locking feet
- Locking side safety bars
- Removeable plate for rear wheel access
- Integrated tie-down hook attachment points
- Automatic height-positioning ramp
- Non-slip metal tread plate
- Max load 400kgs

CE Approved

## Optisan Spill Kits

Optisan spill kits immediately absorb liquid spills including oils, turning the spillage into a powder which can be promptly and efficiently swept away. The kits consist of anti-slip absorbent powder, 10 times more absorbent than clay-based products, which soak up liquids and contains them in a more manageable mass. Suitable for use on all liquids, including oil, fuel, drinks, grease, paints and more.

Available in two formats. 2.5litre multi-use tub, ideal for workshops and garages where frequent spillages are expected. 500ml single-use emergency kit, is supplied in a carton which acts as a dustpan/scrapper, including spill powder, gloves and waste sack - ideal for keeping in vehicles.

Order Code	Description
CLE046	500ml Emergency Spill Kit
CLE048	2.5litre Tub

## Chain Cleaner

- Biodegradable
- Breaks down grime, oil and grease
- Suitable for all chain types including O and X-ring
- 500ml

Order Code: **CLE020**

## Chain Lube

- Synthetic clear, dry non stick lubricant
- PTFE based, withstands all weathers
- Performs in high temperature and wear conditions
- 500ml

Order Code: **CLE022**

## Silicone Care Spray

- Silicone based fast acting dressing and lubricant
- Protects, lubricates and renovates plastic, rubber, metal and other surfaces
- Leaves treated area with a sheen finish
- 500ml

Order Code: **CLE028**

## Brake Disc Cleaner

- Quickly breaks down oil, dirt and grime
- Quick drying formula
- Useable on clutch plates and housings
- Useable as a contact cleaner
- 500ml

Order Code: **CLE026**

## Degreaser

- Biodegradable
- Foaming formulation for increased dwell time
- Breaks down grime, oil and grease
- 500ml

Order Code: **CLE024**

## MW40 Penetrating Spray

- Multi-purpose lubricant and penetrating fluid
- Frees and lubricates seized mechanisms and components
- Displaces water, protects electrics
- Quickly penetrates through oxides and soiling
- Leaves a lubricating protective film on treated areas
- 500ml

**PRO-CLEAN** has been the market leader of motorcycle cleaning and maintenance products in the UK and Europe for over fifteen years. We are continuously challenged to develop the best complete range of products by the many top-flight teams who use the range, but still keep an affordable price tag.

The exciting news is that **PRO-CLEAN** is now DEVELOPED FOR YOUR SPORT. This has been achieved by working closely with some of the biggest names in each discipline. Which ever your ride of choice, there is now a range of products for you.

All you need to do is go out and get dirty!

## Pro Clean

DEVELOPED FOR YOUR SPORT

Pro-Clean is a unique blend of fully biodegradable chemicals designed to clean every part of the exterior of your race machine.

The intelligent chemical formulation releases the correct level of active cleaning agents to ensure perfect results every time from mud covered rally cars to the most refined precious metals and carbon fiber components of delicate racing cycles.

Order Code	Description
<b>PCNPCL1</b>	1 Litre
<b>PCNPCL5</b>	5 Litre
<b>PCNPCL25</b>	25 Litre

## Pro Care

DE WATERING, ANTI RUST TREATMENT

Pro-Care is a blend of lubricants and low evaporation penetrating oils designed to displace water from the hidden places where rust and corrosion may occur between washes and after poor weather.

Order Code	Description
<b>PCNPCR1</b>	1 Litre
<b>PCNPCR5</b>	5 Litre
<b>PCNPCR25</b>	25 Litre

## Pro Tecton

WATER BASED CORROSION INHIBITOR

Pro Tecton is completely unique & revolutionary water based corrosion inhibitor, which leaves a microfilm coating designed to protect against road salt, rust and general corrosion attacks from the elements.

Pro Tecton can be sprayed safely over any surface. Once dry it leaves a molecular film, which protects the treated surface. Pro Tecton does not affect brake discs or other brake components.

Order Code	Description
<b>PCNPTN1</b>	1 Litre
<b>PCNPTN5</b>	5 Litre

## De Greaser

HIGH POWER DE GREASING AGENT

Degreaser is a specially designed and blended formulation, perfectly balanced to remove grease and dried oil build up on chains, sprockets, spindles, engines etc. Heavily soiled components can be immersed in the De Greaser fluid and left until corrosion and soiling is removed from the surface.

Order Code	Description
<b>PCNDGR1</b>	1 Litre
<b>PCNDGR5</b>	5 Litre

## Grip Lock

NON-ADHESIVE GRIP FITTING SPRAY

Grip Lock is a trick new product from the Pro-Clean lab. It's unique non adhesive formula is specifically designed to take the effort out of fitting new grips to motorcycles, quads and mountain bikes.

Using Grip Lock couldn't be easier. Simply hold the can approximately 50mm from the neck of the grip and apply one short burst, slide the grip onto bars and adjust into position. The grip is locked in just a few minutes making the task of changing grips not only clean, but easy.

Grip Lock leaves no sticky residue on the bar and when the grip is eventually replaced, a new one can be fitted in seconds.

Order Code	Description
<b>PCNGLA070</b>	70 ml

## Super Polish

SILICONE FREE NON ABRASIVE POLISH

Super Polish is a rich non abrasive silicone free polish designed to work on all surfaces including plastic, paintwork and aluminium leaving a superb gloss finish. Simply apply to a small area at a time with a dry lint free cloth and buff to brilliant shine. Avoid contact with grip surfaces of seat covers as polish is difficult to remove from grained surfaces.

Order Code	Description
<b>PCNSP500</b>	500ml

## Tyre Paste

Universal tyre paste for quick and easy mounting and demounting of tyres. Non-staining, protects beads and rims.

**NEW**

Order Code Description  
**PCNTP5** 5kg

## Tyre Lube

NON RESIDUE, LOW FRICTION TYRE FITTING GEL

Tyre Lube...Tyre fitting with ease!

This revolutionary tyre fitting gel takes all the effort out of fitting a tyre. Tyre Lube leaves no unsightly paste stains and the tyre slips on quickly and easily. The unique quick drying, non-corrosive formulation is perfectly safe on all types of tyres and rims.

Order Code Description  
**PCNTL250** 250ml  
**PCNTL25WS** 2.5 Litre

## Hand Scrub

ADVANCED FORMULA HAND CLEANER

Hand Scrub is a superior hand cleaning gel containing polymer beads, sanitizer and moisturizers to ensure clean and protected hands.

Order Code Description  
**PCNHS500** 500ml

Colour may vary

## Anti-Fling Chain Lube

HIGH POWER CHAIN LUBE

**NEW**

This high performance chain lube is a scientifically designed for all Open chains as well as O and X ring plus the latest Z ring chains.

The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

Order Code Description  
**PCNCLA400B** Aerosol, 400ml

## Chain Lube (Aerosol)

CLEAR POLYMER CHAIN LUBE

This high performance chain lube is a scientifically developed lubricant designed for all open chains.

The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

Order Code Description  
**PCNCLA400** Aerosol, 400ml

## Super Lube (Aerosol)

DE WATERING, ANTI RUST SPRAY

This superior grade maintenance spray is a heavy duty multi purpose spray designed to displace and repel moisture from moving parts and electrical apparatus, helps protect against rust and corrosion, lubricates and releases seized metal components.

Super Lube leaves a light protective lubricant film on surfaces ensuring prolonged anti moisture protection.

Order Code Description  
**PCNSLA400** Aerosol, 400ml

## De Greaser (Aerosol)

HIGH POWER CLEANER DE GREASER

Aerosol De Greaser is a fast acting quick drying cleaner/degreaser specially designed for the fast and easy removal of grease and oil deposits on discs, chains, sprockets, engines etc, when the need to remove grease is immediate. Aerosol degreaser is completely safe on discs and all braking components, leaves no residue and dries instantly.

Order Code Description  
**PCNDGA400** Aerosol, 400ml

## Pro Clean Race Pack

RACE ESSENTIALS FROM PRO CLEAN

Replacing the "Buc - Kit", the Pro Clean Race Pack is bigger and better than ever before, but keeps its affordable price tag. Perfect for those who are new to the Pro Clean range, or a great gift to anyone who already uses the products. The kit contains: 1 LTR PRO CLEAN • 400ml SUPER LUBE • 400ml CHAIN LUBE • 400ml DE GREASER • 250ml TYRE LUBE • 500ml HAND SCRUB • BIG HANDFUL SPONGE • DETAIL BRUSH • CHAMOIS

## Mains-Water Power Washer

A mains-water fed power washer which runs independently of mains-electricity. Ensures safe and efficient washing of motorcycles and vehicles. Simply attaches to standard fitment garden-hose (not supplied)

- 1900 P.S.I / 130 Bar
- Interchangeable nozzles for spray options
- 8 Litre/min flow rate
- Efficient 4 stroke generator
- Robust wash lance
- 8m high-pressure wash hose
- Steel tube frame with tube-type tyres

Order Code:  
**WSH003**

**NO MAINS  
ELECTRICITY  
REQUIRED**

## Remote Power Washer

A superbly powerful washer which runs independently of mains electricity and mains water. This unique function enables it to be used remotely at MX events and tracks.

- 2200 P.S.I / 154 Bar
- Interchangeable nozzles for spray options
- 7.5 Litre/min flow rate (2.0 gallons / min)
- Efficient 4 stroke generator
- Robust wash lance
- 8m high-pressure wash hose
- Steel tube frame with tube-type tyres
- Water-feed hose with immersible filter

**Do not confuse this item with other versions commonly available that need mains water and electricity supply.**

Order Code: **WSH004**

**NO MAINS  
ELECTRICITY  
REQUIRED OR  
MAINS WATER**

## Parts Washer

Parts washers are the perfect solution for cleaning parts and components in any workshop or garage, expelling dirt, grease and oil. An integral electrical pump delivers the cleaning fluid along a directional nozzle to soak the part, making light work of brushing and cleaning.

BikeTek washers are available in two sizes, a compact 3.5 gallon work-top unit and a 20 gallon floor-standing unit.

NB. Cleaning solvent NOT included. Instructions detail correct specification solvent to use.

### 3.5 GALLON WASHER

### Brake Bleeding Assistor Kit

Brake bleeding assistor kit utilises a compact unit with one-way valve and connector hoses that simply attach onto the bleed nipple. When the nipple is open and brakes bled, the unit prevents air and old fluid from being pulled back into the system, freeing the user from having to repeatedly open and close the bleed nipple.

Order Code: **BRKKIT01**

### Brake Bleeding Kit

Complete brake bleeding kit includes nipple adaptor, one-way valve, hoses and receiver. Safe and easy bleeding.

Order Code: **BRKKIT03**

### Fluid Receiver

Makes brake bleeding safe and clean. Sturdy canister with vented cap holds bleed fluid delivered from caliper.

Order Code: **BRKKIT05**

### Brake Bleeder/Vacuum Pump

Comprehensive workshop vacuum pump kit. Includes reservoir and nipple adaptor for brake bleeding. The hand operated pump pulls the fluid through the bleed nipple, eliminating need to use the brake lever or pedal. Manual pump with pressure gauge allows testing of many vacuum operated systems, eg fuel pumps, carbs, etc.

Order Code: **BRKKIT07**

### Antifreeze Tester

**NEW**

Anti-freeze level checker enabling accurate coolant levels in winter and summer. For use with Ethylene Glycol, can be used hot or cold.

Order Code: **TLSANT13**

### Manual Fluid Extractor

9.0 litre manual fluid extractor for removal of non-explosive liquids such as engine oil from crankcases, gear oil from transmission cases, coolant and brake fluids. Floor-standing design makes extracting simple and stable. Includes various tubes and fittings for specific fluid removal.

Order Code: **TLSPMP21**

### Fuel Line Clamp

Clamps securely over fuel pipe cutting off fuel flow for engine work.

Order Code: **FLC**

## Fuel Jug

5 litre fuel jug with lid and flex spout.

Order Code	Description
SYP007	Fuel jug
SYP009	Replacement spout.

## Oil Funnel

Metal oil funnel with flex pipe  
Order Code: SYP005

## Auxiliary Fuel Tank

- For use when tuning with fuel tank off bike
- Temporarily replaces fuel tank while synchronizing carbs
- Includes fuel line and in-line petcock
- Graduated fuel tank with hanging hook for gravity feed.

Order Code:  
AUX008

Close up  
of in-line  
petcock

Replacement in-line  
petcock  
Order Code:  
AUX008P

## Fuel Syphon

Hand-pump syphon, simple and efficient  
for transfer of fuels and liquids. Use for  
transferring fuel or for tank draining.  
Order Code: SYP001

## Fuel Funnel

2 pc plastic fuel funnel (funnel & extension  
pipe)

- Removable flexible stem
- Handle
- Gauze filter

Order Code:  
SYP003

## Fuel Jerry Cans

Heavy duty fuel storage cans in 20 litre and 10 litre options. Feature robust carry handle and safety locking cap. Extra safe pouring nozzle available separately.

Order Code	Size
JRC20L	20 litre
JRC10L	10 litre

### POURING NOZZLE

Order Code: JRCPOU

## 10 Litre Oil Pan

10ltr oil drain pan featuring front and rear  
hand-grabs, directional spout, rolled edges to  
prevent spillage.

Order Code: OILPAN10

## 8 Litre Oil Pan

- 8ltr Oil Drain Pan - easy and efficient collection and disposal of engine oil/fluids.
- Non-spill pouring spout.
- Oil filter drain ledge.
- Easy grip rim.

Order Code: OILPAN

## Oil Drain Can

Collected oil is sealed inside can, carry  
handle and stoppers allow can to be removed  
and drained cleanly without spillage.  
6ltr Oil Drain Can  
Easy and efficient collection and disposal  
of oil.

Order Code: OILCAN6

 REP025 5kg

**NEW**

## Wheel Weight Remover

Hand tool for removing self-adhesive wheel weights and adhesive residue

Order Code: **TLSWG13**

## Tyre Fitting Tool

Eases tyre fitment by positioning tyre, allowing fitter to mount opposite bead.

Order Code:  
**TYLCLP**

## Spark & Spoke Wrench

Multi-function tool with 13mm/16mm spark plug spanner head, with opposite end featuring 3 size spoke key.

Order Code: **SPOWRE9**

## Steel Tyre Valve Puller With Rubber Protector

Valve puller tool with rubber protector for safely pulling long or short valves into rims without damaging the valve or rim.  
 Order Code: **VLVINS**

**NEW**

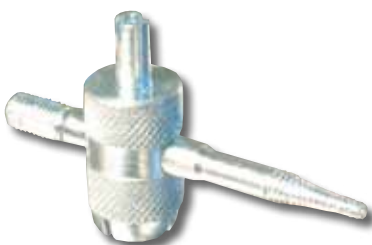

## Rim Protectors

Rim protector for tyre changing (2 pcs) with connecting cord.  
 Order Code: **RIMPROT**

## Valve Tool

4 Way valve removal tool  
 Order Code: **VLVTOOL**

## Air Valve Puller

Simplifies inner tube and tyre fitment, attaches to the valve enabling it to be pulled through the valve hole in wheel rim.

**NEW**

Order Code:  
**VLVPUL**

## Tyre Crush Tool

Long handled tool offers great leverage for tyre removal, forcing tyre beads off the rim.

## Axle Bolt Punch

Strong bolt punch specific for tapping out axle bolts.

**NEW**

Order Code: **TLSAXL13**

## Professional Front Axle Driver Set

Professional kit of four 1/2" drive spindle keys (17/19/22/24mm) complete with ratchet head and jumbo handle for maximum leverage and ease of use.

Order Code: **TLSAXD08**

### INDIVIDUAL SPINDLE KEYS

**TLSAXD17** 17mm 1/2" drive  
**TLSAXD19** 19mm 1/2" drive  
**TLSAXD22** 22mm 1/2" drive  
**TLSAXD24** 24mm 1/2" drive

## Rear Axle Nut Spanner

Order Code Description

**TLSAXD04** 36mm offset rear axle nut spanner

**TLSAXD10** 32mm straight rear axle nut spanner

## Deluxe Wheel Balancer

Portable wheel balancer  
 Adjustable truing arm  
 Sturdy steel construction  
 Suitable for 10" - 21" wheels  
 Wheel can be mounted on adjustable centering cones or steel rod  
 Max mounting cone diameter 31mm  
 Adjustable side arms up to max 32cm gap

Order Code: **WHB012**

## Digital Tyre Tread Depth Gauge

Suitable to check tyre tread depth, brake shoe and disc pad wear.  
 Large LCD display.  
 Metric/Inch selectable.  
 Manual power on/off.

Order Code: **TGUDIG05**

## Tyre/Bead Breaker

Portable tyre and bead breaker, suitable for all wheel and tyre sizes from 16".  
 Order Code: **TYC008**

## Front Axle Driver Tool

Single tool fits most spindles (17/19/22/24 mm). Use socket or spanner to fit and remove front wheel.

Order Code: **TLSAXD06**

## Wheel Balancer

Portable wheel balancer, includes 17<->25mm cones and spindles needed for precise and easy alignment and balancing. Oversize cones kit 24-38mm available separately.

Order Code Description

**WHB008** Wheel Balancer

## Digital Tyre Pressure Gauges

Selectable PSI and BAR settings. Pressure range 2-99 PSI, 0.15 - 7.00 BAR.

Order Code Style  
**TGUDIG01** Straight  
**TGUDIG02** Curved

TGUDIG01

Digital readout pressure gauges set in an ergonomic module.

- Rotating Nozzle
- Fully Automatic

Order Code Description  
**TGUDIG03** PSI Type (5 -150 PSI)  
**TGUDIG04** BAR Type (0.5 - 11 BAR)

TGUDIG04

## Jumbo Barrel Foot Pump

Vertical barrelled foot pump with folding foot-stand.

Measures up to 100 PSI / 7.0 BAR.

Over-sized dial for ease of use. Schraeder and Presta valve fitment.

Valve adaptor storage compartment.

Order Code: **PMP007**

Footstand locked in storage position.

## Micro Tyre Pressure Gauge

Undersized tyre pressure gauge ideal for all wheels including spoked.

Measures up to 160 PSI / 11.0 BAR.

PSI / BAR / KPA / Kg-cm2 selectable LCD display.

Order Code: **TGUDIG06**

## Keyfob Pressure Gauge

Tyre pressure gauge keyfob (BAR-PSI reading)

Order Code: **TGUKEY01**

## CO2 Canister Kit

CO2 tyre inflator kit, includes adaptor and two 16gram canisters.

Replacement canisters available separately. Delivers pressure to tyre without manual effort.

Order Code Description  
**PMP005** CO2 canister kit  
**PMP005R** Replacement CO2 canister 16gram

## Mono Cylinder Foot Pump

Mono cylinder footpump. Pressure range 0-100 PSI. TUV approved.

Order Code: **PMP001**

## Pro-Pressure Tyre Monitor

- Easy-read analogue dial
- Displays PSI rating
- Pressure draw-off button for pressure accuracy
- Shock resistant

Order Code: **TGUANA01**

## Low Pressure Gauge

1-20 PSI range gauge. Perfect for off-road and trials.

Order Code: **TGULOW**

## Mini Foot Pump

Mini foot pump with storage pouch and valve adaptors.

## Vacuum Gauges

Vacuum gauges enable easy synchronisation and balancing of motorcycle carburettors for 4 cylinder and 2 cylinder machines. Each unit includes precision gauges mounted on a robust metal base for workshop use, threaded brass carb extensions (65mm and 180mm), connectors and vacuum hose.

Order code	Description
VGA2	2 cylinder gauge
VGA4	4 cylinder gauge
VGA6	Replacement connectors (4pcs)
VGA8	Replacement extensions (4pcs)

## Float Level Gauge

Measures the float height level between float and carburettor gasket

Order Code: **TLSCRB14**

## Carburettor Adjusting Tool

Long reach tool with hexnut and screwdriver slot end, aids easy carb adjustment, suitable for use on most Japanese multi-cylinder engines.

Order Code: **CRBTOOL**

## Deluxe 4pc Pick Set

Set of 4 hook and pick tools for variety of intricate applications such as removal of oil seals, O-rings, pull springs and cotter pins, making punch holes. Features selection of sharp ends and contour handles.

**NEW**

Order Code: **TLSPIC13**

## Oil Seal Puller

Dual hooked-tip tool allows removal of hard-to-reach seals without damaging housing or bearings.

**NEW**

Order Code: **TLSPUL13**

## Precision Scrapers

3pc set of scraping tools with various shape and size heads, makes quick and accurate work of gasket removal and preparation, adhesive and dirt removal etc.

Order Code: **TLSKNF03**

## Mechanic Stethoscope

Quickly locates the source of engine noise such as piston slap, worn gears and bearings, damaged valves, water pump failure, and blown gaskets.

Order Code: **TLSSTH12**

**NEW**

## Brake Caliper Piston Tool

Specific handtool for holding and detaching brake pistons, grabs brake caliper pistons internally enabling seized pistons to be worked free.

Order Code: **TLSHOL49**

## Combination Wrench Set

Premium quality 17pc metric chrome vanadium combination wrench set. Each wrench is precision manufactured to DIN 3113 specification, featuring one open and one offset ring end. Supplied in storage tray designed for tool chest shelving. Includes ones of each wrench size 6-22mm.

Order Code: **TLSET16**

**NEW**

## Flywheel & Clutch Pulley Holder

This adjustable pulley holder is suitable for flywheel and clutch pulleys. Adjustable from 70-125mm with lockable adjuster bolt. Non-slip coated handle for safety and comfort.

Order Code: **TLSHOL07**

## Flywheel & Clutch Pulley Holder

This adjustable pulley holder is suitable for flywheel and clutch pulleys. Features an adjustable foot which locates onto pulley, 45-120mm. Non-slip coated foot and strap ensure optimum pulley grip.

Order Code: **TLSHOL28**

## Pulley Wrench

This wrench is designed to lock V-belt pulleys in place so they can be removed and fitted, has many automotive applications including belt driven scooters.

Order Code: **TLSHOL42**

## Flywheel Puller

This puller enables removal of tapered lock rings on most magento flywheels. Includes the most popular 6 sizes;

- M10x1.25R
- M14x1.5R
- M16x1.5R
- M18x1.5R
- M24x1.0R
- M27x1.0L

## Adjustable Fork Oil Seal Driver

Universal tool to safely and simply install fork oil seals into forks, without causing damage to the new oil seals or fork stanchions. Adjustable from 39 – 50mm

Order Code: **TLSFRK11**

**NEW**

## Bearing Packer

Compact unit which connects to grease gun (not supplied) and injects grease into bearing units, completing the job quickly and cleanly. Suitable for bearing diameters 50-95mm. Complete with dust cover for clean storage after use.

Order Code: **TLSBEA02**

**NEW**

## Air Shock Pumps

Aluminium barrelled premium hand-pumps for air shock inflation, both feature pressure dials for accurate measurement.

**NEW**

Order Code	Description
<b>PMP009</b>	Universal valve, 300PSI
<b>PMP011</b>	Universal valve, 300PSI, removable gauge

## Steering Head Cup Remover

Steering head cup tool ensures accurate and simple steering head bearing race/cup removal. The flared end-section locates on the internal lip of the race/cup, the opposite end is then hammered to remove the race/cup.

**NEW**

Order Code	Description
<b>TLSRMV02</b>	28-32mm
<b>TLSRMV04</b>	38-55mm

## Universal Shock Wrench

Order Code	Size
<b>SHKWRE</b>	69-76mm & 89-96mm
<b>SHKWRE01</b>	38-45mm & 45-52mm

## Graduated Workshop Syringe

60ml graduated workshop syringe. Many applications such as brake bleeding and fork oil adjustment.

Order Code: **TLSYR11**

## Front Oil Level Adjuster

Features level adjuster mounted on filler probe and graduated syringe. Makes easy work of precision fork oil adjustment.

Order Code: **TLSFRK07**

## Key Safe Store

Metal storage unit for keeping keys safe. Features hinged front cover with lock, internal divider and 93 loops for hanging keys. Wall mountable. Unit size 24x30x8cm.

Order Code:  
**TLSCAB07**

**NEW**

## Folding Kit Cart

- Versatile folding trolley for storing and moving motorcycle kit and tools
- 35kg load capacity
- Lightweight collapsible design, for easy storage
- Telescopic aluminium handle
- Expanded dimension 42 x 40.5 x 33cm
- Folded dimension 42 x 40.5 x 8cm
- Rubberised wheels

Order Code: **TLSCRT35**

## Tool Chest & Cabinet

Mechanics steel combination tool chest and cabinet set.

Lower unit features two drawers and large capacity storage compartment with up-and-over door. Tool chest features multiple lockable drawers plus lid.

Tool chest can be placed in storage compartment. Width 616mm x depth 330mm x height 1070mm

Order Code: **TLSCAB03**

## Mobile Workstation

Steel mobile workstation and tool storage unit. Features lower shelf for open storage of tools and cleaning products. Two storage shelves set on smooth ball-bearing mechanism. Top work surface has durable inlay for grip and protection, the surface slides outwards to expose lockable internal storage compartment. Mounted on sturdy 1" casters with brakes for easy movement. Assembled size 705x370x830mm

### KTM/Euro MX Hardware Mini Kit

This 50pcs kit includes the perfect assortment of metric bolts, nuts, cotter pins, washers and specific hardware for KTM/Euro off-road and MX bikes.

**NEW**

Order Code: **BOLKIT15**

### Japanese MX Hardware Mini Kit

This 50pcs kit includes the perfect assortment of factory sized metric bolts, nuts, cotter pins, washers and specific hardware for Honda, Kawasaki, Suzuki and Yamaha off-road and MX bikes.

**NEW**

Order Code: **BOLKIT12**

### Rivet Push Pin Kit

This 80pcs kit includes an assortment of nylon rivet push pins for use on panels and fairings. Includes M6, M7 and M8 sizes.

**NEW**

Order Code: **BOLRVT02**

### ATV / Quad Hardware Kit

This 188pcs kit includes the perfect assortment of factory sized flange/allen/button bolts, nuts, screws, cotter pins and specific hardware for Honda, Kawasaki, Suzuki and Yamaha ATVs.

**NEW**

Order Code: **BOLKIT06**

### KTM/Euro MX Hardware Kit

This 158pcs kit includes the perfect assortment of metric bolts, nuts, cotter pins, washers and specific hardware for KTM/Euro off-road and MX bikes.

**NEW**

Order Code: **BOLKIT03**

### Fairing Bolt Kit

This 160pcs kit includes the perfect assortment of M5 and M6 metric button head bolts and washers for fairing fitment.

**NEW**

Order Code: **BOLKIT18**

### Sportsbike Hardware Kit

This 258pcs kit includes the perfect assortment of factory sized flange/allen/button bolts, nuts, screws and specific hardware for Honda, Kawasaki, Suzuki and Yamaha sportsbikes.

**NEW**

Order Code: **BOLKIT01**

### Japanese MX Hardware Kit

This 170pcs kit includes the perfect assortment of factory sized metric bolts, nuts, cotter pins, washers and specific hardware for Honda, Kawasaki, Suzuki and Yamaha off-road and MX bikes.

**NEW**

Order code: **BOLKIT09**

### Compartment Store

Plastic storage compartment 205mm (W) x 100mm (L) x 27mm (D). 6 internal compartments with 2 removable dividers to make 6, 12 or 18 compartment combinations. Hinged securing lid. Perfect for storing bolts, washers, nuts, fuses etc.

Order Code: **TLSCOMP**

Contents not included

## 141pc Rubber Washer Assortment

Selection of rubber and fibre washers in a storage case.  
Order Code: **ASST03**

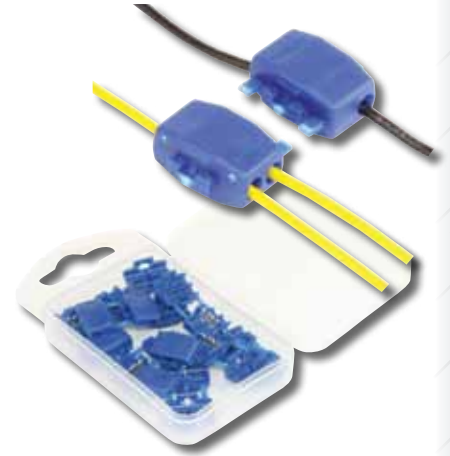

## 500pc Cotter Pin Assortment

A wide selection of pins for all securing needs. Complete with a storage case.  
Order Code: **ASST12**

## Scotch Lock Wire Connectors

Push fit connector for easy and tidy connection of electrical wires. Ideal for installing indicators, rear lights etc. Pack of 10 connectors.  
Order Code: **ASST24**

## 100pc Nylon Locknut Assortment

Nylon insert works as a lock washer to keep fasteners secure in high-vibration applications. Zinc-plated to resist corrosion. Selection of 6, 8, 10, 12mm in a plastic storage case.  
Order Code: **ASST06**

## 180pc Terminal Assortment

Heavy plastic sleeves provide insulation and keeps wires from flexing. Popular sizes fit a variety of applications when adding or replacing electrical accessories.  
Order Code: **ASST18**

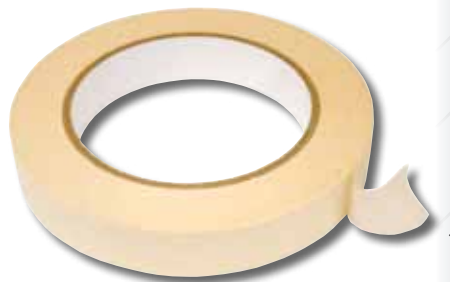

## Insulation Tape

Pack of 10 rolls  
Order Code Colour  
**INTBLK** Black

## Tiedown Straps

A selection of tiedown straps for safely securing vehicles in transit and storage, available in varying webbing sizes, ratchet and auto-lock combinations.

Order Code	Qty	Type	Colour	Breaking Strength	Hook
TIE2AUTO	2	Autolock 1.8m x 25mm	Red	400kgs	S
TIE4AUTO	4	Autolock 1.8m x 25mm	Red	400kgs	S
TIE2RAT	2	Ratchet 5m x 25mm	Blue	500kgs	S
TIE4RAT	4	Ratchet 5m x 25mm	Blue	500kgs	S
TIERATPRO	1	Ratchet Pro 2.4m x 50mm	Red	1375kgs	Claw
TIERAT08	2	Ratchet Jumbo 3m x 30mm	Green	1375kgs	Claw

TIERATPRO

TIERAT08

TIE2RAT

TIE2AUTO

## Tiedown Shrouds

Protect fairings and bodywork from abrasion when using tie-downs. Bespoke neoprene sleeves wrap and fasten around the tie-down webbing strap. The shrouds can then be adjusted along the tie-down to contact points between bike and webbing. Supplied in pairs. Available for 25, 30 and 50mm width straps.

Order Code	Width
TIE2SHR	25mm
TIE2SRA	30mm
TIE2SRB	50mm

**NEW**

## Micro Tiedown Straps

TUV approved micro webbing strap with auto-lock mechanism. Ideal for additional strapping of motorcycles and vehicles in transit and storage.

- 25mm wide, 2.5m long
- 200kgs capacity
- Supplied in pairs

Order Code: **TIE2MIC**

## Quick Release Tiedown Anchors

This pair of stainless-steel anchors consist of 2 base mounting blocks and quick-release anchor-loops.

The mounting blocks should be drill mounted to wood or metal surfaces, such as van floor or side wall, providing a sturdy fixing point for the quick-release anchors.

The anchors attach by a simple but strong spring mechanism, ready to secure tie-down straps or ropes to the strong loops.

When not in use, the anchor-loops can be easily removed leaving just the flush-fitting mounting blocks – preventing nasty snags and scrapes

## Lever Jammer 2

Additional securing device for use when transporting motorcycles. The jammer attaches over the brake lever and throttle grip, engaging the front brake of the motorbike. Prevents movement of the front wheel whilst being transported.

Order Code: **LEVJMR**

**NEW**

## Bar Support Straps

Nylon webbing strap with grip cuffs. Fits across handlebars to provide anchor points for tie-down straps to secure bike in transit.

Order Code: **TIEBAR**

## Easy Loops

Pair of 45cm long nylon tie down extensions, eliminates direct contact between metal tie down hooks and motorcycle. Prevents damage and scratching from metal hooks.

Order Code: **TIEEASY**

## Lever Jammer

Lever Jammer is an additional securing device for use when transporting motorcycles, locking the front brake of the bike to prevent potential movement of the front wheel when on a truck or van. The Lever Jammer, a strong neoprene strap with D-clip, wraps around the throttle grip and closed brake lever and secures fast to keep the lever depressed and front brake locked on. Lever Jammers should be used in conjunction with other securing products such as tie-down straps and shrouds.

# Super Performance Lithium Ion Batteries

The latest in motorcycle battery technology, Lithium Ion batteries are the lightest and most environmentally friendly options on the market.

More than 65% weight saving of normal lead-acid type batteries, makes Lithium Ion batteries perfect for track and race bikes where weight reduction is an enhancement.

Unique casing design with spacers for exact height adjustment, cases are same size as the original battery that is being replaced.

**Less volume and weight** – 1/3 of equivalent model normal lead-acid batteries

**No pollution** – contains no acid or heavy metals such as lead, cadmium, mercury

**Non-spilling** – contains no acid

**Super cranking power** – greater cranking power (40CA+)

**Increased safety** - non-polluting, non-explosive and non-combustable.

**Excellent cycle life** - 2000+ charging cycles

**Easy charging** - Any standard 12v motorcycle battery charger can be used with Lithium Ion Batteries.

## Dynavolt Batteries

Dynavolt is an established and recognised OEM motorcycle battery manufacturer, the batteries are also the approved after sales battery to several top Japanese and European motorcycle manufacturers.

Bike It customers can now benefit from this superior range with the reassurance of an OEM product, superior build quality and guaranteed performance.

**GEL NANOTECHNOLOGY**  
**CONVENTIONAL SEALED-ACTIVATED**  
**MAINTENANCE FREE WITH ACID PACKS**  
**HIGH PERFORMANCE DRY CHARGE**  
**CONVENTIONAL DRY CHARGE**

## Maintenance Free With Acid Packs (DTX Series)

Valve regulated lead acid batteries once activated, are totally sealed. This eliminates spills and leakages, making them particularly suitable for motorcycles, ATVs and personal watercraft. Each battery is supplied with an easy-fill acid pack for activation, no further maintenance or topping up is required. Robust and vibration resistant, maintenance free batteries last up to three times longer than conventional batteries.

## Gel Nanotechnology (MG Series)

### High Performance MG...

Dynavolt offer an advanced range of sealed activated models (MG). Utilising a real gel electrolyte, rather than liquid, the Nano-Gel is able to fully cover the active material all the time, providing a larger effective surface area and prevent lead from sulphation. The nature of Nano-Gel provides maximum holding to the plates which is able to withstand severe vibration and prolong battery life.

Significantly, true gel MG batteries offer more battery cycles and longer shelf life, compared to other factory-activated batteries on the market.

## Gel Nanotechnology Upgrades

### MG versions of DTX and DB models.

Dynavolt have taken some of the most popular maintenance free and conventional battery models (eg DTX9BS and DB4L-B) and developed upgrade batteries using MG technology. These upgrade batteries offer improved battery performance over the original battery type, and as they are factory sealed and activated they do not require acid-filling to commission.

## High Performance Dry Charge (DB Series)

20-30% more starting power than conventional batteries, more plates per cell give higher cranking performance. Extra power for machines with additional electrical components or high compression engines.

## 6/12V Battery Charger

A simple and very effective charger for all 6V/12V lead acid, sealed, VRLA and GEL batteries.

Supplied with interchangeable crocodile and ring terminal leads

- Trickle-charge function ensures battery is constantly maintained
- Auto-stop prevents overcharging
- 6V/12V 1A
- Solid state dual colour LED indicator
- Reverse polarity protection
- Spark proof
- Fireproof plastic enclosure

Order Code: **BCH012**

## 9 Stage 12V Battery Charger with Battery Recovery

A fully automatic 12V 1A charger with a 9 stage charge programme. Battery Recovery function maximises potential of badly maintained batteries. Suitable for all 12V lead acid, sealed, VRLA and GEL batteries. Supplied with interchangeable crocodile and ring terminal leads

- Fully automatic charging and maintenance
- Spark proof
- Reverse polarity protection
- Fireproof plastic housing
- Short circuit protection
- LED indicator display
- 12V 1A

Order Code: **BCH014**

## 4 Stage 6V / 12V Automatic Battery Charger

A fully automatic charger that detects 6V and 12V batteries. Microprocessor controlled. 4 stage charge programme. Suitable for all 6V / 12V lead acid, sealed, VRLA and GEL batteries. Supplied with interchangeable crocodile and ring terminal leads

- Fully automatic charging and maintenance
- Spark proof
- Reverse polarity protection
- Fireproof plastic housing
- LED indicator display
- 6V 0.8A / 12V 3.8A

Order Code: **BCH016**

## BikeTek PRO-3 Diagnostic Battery Charger

12V 1A Battery Charger. Fully Automatic diagnostic charger and maintainer. Suitable for all 12V batteries including lead-acid, sealed lead acid and gel-filled.

Features:

- Reverse Polarity Protection
- Identifies and recovers deeply discharged batteries
- Short circuit protection
- Thermal protection
- Over-charge prevention
- Interchangeable connection leads
- LED status indicators
- Suitable for medium to longterm charging
- Charge battery whilst still connected to vehicle
- Includes interchangeable leads (crocodile clamp and terminal type)

Order Code: **BCH001**

**LEADS**

Order Code Description

**BCHCON03** Terminal Leads (Female)

**BCHCON04** Crocodile Leads (Female)

## BikeTek Battery Chargers

BikeTek chargers offer a simple and effective motorcycle battery charging solution. Each charger is supplied with two connector leads, "Crocodile" and "Terminal", which have a male connector block. This block simply plugs into the female block of the charger unit, offering quick and versatile connection. Crocodile leads simply clip to the battery terminals and are suitable for worktop charging. Terminal leads can be permanently connected to the battery terminals whilst fitted on the motorcycle eliminating the need for battery removal. Spare leads are available separately to enable one charger to be used on multiple bikes.

Order Code Description

- BCH2PIN** European 2 pin plug, 12v  
**BCH3PIN** UK 3 pin plug, 12v/6v selectable  
**ACEURO** European 2 pin plug adaptor (Converts UK 3 pin plug to Euro 2 pin)  
**ACFRA** French plug multi-adaptor, converts 3 plugs to 1, CE approved

### LEADS

- BCHCON01** Terminal Leads (Male)  
**BCHCON02** Crocodile Leads (Male)

## Terminal Adaptors

Order Code: **BATADAPTOR**

## Motorcycle Booster Cable

- Ideal for emergency use in Motorcycles and small vehicles
- Light weight, easier for storage
- For 6V and 12V batteries
- Length: 1.5M
- Copper area: 6mm<sup>2</sup>
- Amps: 30 amp

Order Code:  
**BCHCON07**

## Battery and Charging System Voltage Tester

- Tests voltage of all 12V lead acid, sealed, VRLA and GEL batteries
- Rainbow indicator shows state of charge
- Good / Bad alternator test

Order Code: **BCH018**

## Battery Filler

This oversized dropper has a 175ml bulb, allowing electrolyte to be taken up and injected into dry battery cells simply and safely.

Order Code: **ACDFLL13**

**NEW**

## Acid Filler Funnel

Plastic tapered funnel makes adding electrolyte to dry-charge batteries simple and safe.

Order Code: **ACDFNL**

## Battery & Alternator Tester

Biketek battery and alternator tester monitors the charge state of 12V batteries and alternator system, showing results with a simple traffic light display. Connecting to the battery by terminal leads, the unit will give a Poor, Fair or Good reading of battery state, and an indication of the operating status of the alternator when the engine is running. The unit is IP65 water-proof, allowing it to be permanently connected to the motorcycle if required. Ensures quick and easy battery monitoring, prompting good battery maintenance and extending battery life.

Unit size: L56 x W45 x H21mm

Battery State:

- No LED – FAULTY battery (<11.6V)
- Red LED – POOR battery (11.6V+)
- Yellow LED – FAIR battery (12.0V+)
- Green LED – GOOD battery (12.5V+)

Alternator Function:

- Green LED – Charging system working well (13.5V detected)

Order Code: **BCH020**

## Twinz 12V Horns

Twin packs of 12V snail-style horns 130dB, High and Low tones. Includes mounting kit Use individually or as pair. 3 colour options to choose from.

Order Code	Colour
HORTBLK	Solid Black
HORTBU	Translucent Blue
HORTR	Translucent Red

## Horns

Order Code	Description
HORS6V	6V alloy horn, 70mm diameter, 100db
HORS12V	12V alloy horn, 70mm diameter, 100db
HORL12VBLK	12V black horn, 100mm diameter, 110db
HOR12VR	Red coloured horn, 12v, 110db, 90mm
HOR12VBU	Blue coloured horn, 12v, 110db, 90mm
HOR12VGD	Gold coloured horn, 12v, 110db, 90mm
HOR12VCH	Chrome horn, 12V, 110 db, 100mm diameter
HOR12VCHS	Chrome slitted horn, 12V, 110 db, 100mm diameter

## Indicator Relays

### UNIVERSAL

Order Code	V	W	Pins	Size
WRE01*	6	8/10	2	Small

WRE05*	6	18/23	3	Small
WRE06*	12	18/23	3	Small
WRE08	12	18/23	2	Medium
WRE09	6	18/23	2	Large

### OEM

WRE11*	Yamaha DT50
WRE12*	Yamaha TZR125
WRE14*	Honda 12.8v 23(21)x2+3.4w CBR600, CBR900, CBR1100, VFR750, VTR1000 etc

\*Complete with Rubber Holder

## LED Indicator Relays

LED indicators work to a lower wattage than standard bulb-type indicators. It may be necessary therefore to replace the existing relay with a specially designed LED relay with the correct wattage.

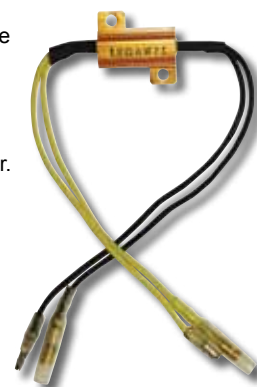

Order Code	Description
WRELED01	2 pin Universal
WRELED02	3 pin Universal
WRELED03	OEM Block type Fits most Honda, Kawasaki, Yamaha
WRELED05	7 pin Suzuki OEM block type, 12V

## LED Indicator Resistor

An easy alternative to installing an LED indicator relay, these resistors are simply connected in series to each indicator, creating correct indicator flash rate without needing to replace the OE relay. Each indicator requires 1 resistor. Sold individually.

Order Code:  
**WRELED04**

# Triple SSS Chains *the Driving Force*

Triple-S chains have been developed with the input and support over the years of professional Yamaha race teams in World MX, British Superbikes & British Supersport.

Ongoing rigorous and extensive testing with these Yamaha squads gives Triple-S the race proven knowledge to pass on to the customer a superb range of chains.

The Triple-S range of standard, heavy duty, solid bush, O-ring and X-ring chains may not bring you the British Titles and World Championship race wins of the Yamaha UK teams, but it will give you the reassurance on the road and track that you have an excellent product keeping you in front.

## Standard - Triple S Chains

Standard grade motorcycle drive chain available in 420, 428, 520 and 530 sizes.

Triple-S Standard chains offer all the performance required from smaller capacity motorcycles requiring this grade of roller chain.

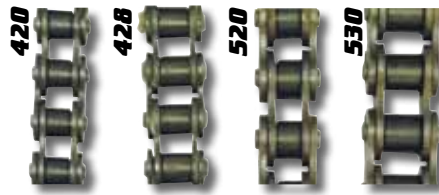

Produced in an OE facility, Triple S Standard chains are quality engineered and manufactured to guarantee trouble free strength and durability.

## Solid Bush - Triple S Chains

Solid Bush motorcycle drive chain available in Standard 420, Heavy Duty 428 and 520 sizes. Solid Bush chains utilise the same links and rollers as the equivalent Standard or Heavy Duty chains, but use a solid bushing instead of a split bushing inside the roller. This solid bushing increases wear resistance of the chain and minimises chain elongation, making the chains a worthy upgrade. Suitable for road and off-road applications. Produced in an OE facility, quality engineered and manufactured to guarantee trouble free strength and durability.

## O-Ring Black

Heavy duty O-Ring grade motorcycle drive chain available in 428 and 520 sizes. Featuring a rubber O-ring between the inner and outer link, O-Ring chains both retain the lubricant sealed within the pin and bushing and prevent dirt working into the chain, prolonging chain longevity. Triple-S O-Ring chains offer all the performance required from larger capacity road and off-road motorcycles requiring this grade of roller chain. Produced in an OE facility, Triple S O-Ring chains are quality engineered and manufactured to guarantee trouble free strength and durability. Nickel plate finish.

## O-Ring Gold - Triple S Chains

These chains incorporate a rubber O-shaped seal that fits between the inner and outer links. This seal ensures that the grease between the pin and solid bush is retained and offers permanent internal lubrication. With the dual purpose of stopping dirt working into the chain, the seals help prolong the life of the chain.

## X-Ring Gold - Triple S Chains

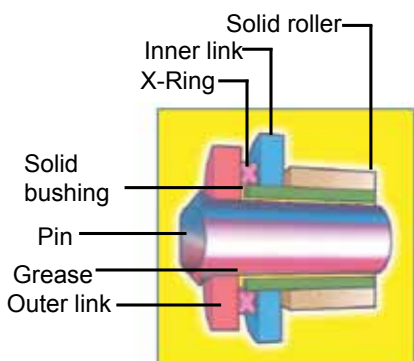

In these chains an X-shaped rubber seal is fitted between the inner and outer links, the extra two points against the links retain internal grease and stop dirt entering. With characteristic lower friction levels and increased running performance over O-ring chains, X-ring chains are recommended for higher powered and touring bikes.

# Chain & Sprocket Kits

A winning combination of two proven products - Triple S chain and JT sprockets. Triple S chain, as used by and developed by Team Yamaha UK's Superbike and MX teams, is the perfect replacement chain for today's motorcycles. Available in X-ring, O-ring, HD and Standard options.

To compliment the chain, Bike It utilise JT sprockets to offer a comprehensive range of Chain & Sprocket kits. JT Sprockets are Japanese made from C45 steel (rear sprockets) and C45 steel/ SCM415 chromoly (front sprockets).

The listed chain and sprocket kits are comprised of the correct combination sprockets and chain type/ grade for the bikes as stipulated by the manufacturer. Use of alternative chain will render warranty claims void - use the detailed chain grade only!

Please note, if the correct length of chain is not available, Bike It will send an alternative longer length that needs to be cut to the correct size. If JT Sprockets are not available, Bike It will send an alternative of equivalent quality.

To order, select correct bike model, then choose chain grade required.

# ARMSTRONG

## RACING DISC PADS

Armstrong Racing Disc Pads offer a comprehensive range of TUV approved disc pads for all of today's motorcycle applications, on and off-road.

- **HH Gold Pads** – designed for use on all bikes, especially today's powerful superbikes. A sintered compound with heat transfer of up to 650°C, ideal for rapid braking.

- **GG Green Pads** – an organic compound pad particularly suited for commuters. A heat transfer of up to 350°C offers performance braking for lesser powered machines including scooters, learner-legals and mid-range power bikes.

- **HH MX Pads** – developed for the varied and demanding conditions of off-road riding, a sintered compound with excellent durability and resistance. As used by the Bike It Cosworth Yamaha Racing MX team in FIM World MX Championship.

- **C-Pro Race Pads** – a soft-sintered compound with added carbon component, offering a very high resistance to temperature with greater friction coefficient than standard sintered pads. Suited for harder sportsbike braking and track use.

**Manufactured from premium Japanese induction hardened stainless steel.**

### ARMSTRONG BRAKE DISCS

Armstrong Brake Discs comprises a fully comprehensive range of wavy design upgrades to OEM discs, offering improved braking. Braking performance is optimised by the wavy design by creating a more efficient area of disc pad contact.

All discs are precision laser cut from premium Japanese induction hardened stainless steel, diamond ground for perfect finish.

- Front floating wavy street discs
- Rear solid wavy street discs
- Front and Rear solid wavy off-road discs. As used by the Bike It Cosworth Yamaha Racing MX team in FIM World MX Championship.
- Oversize front floating wavy off-road discs, with caliper adaptor

# Armstrong Racing Disc Pads

To order Armstrong disc pads, select the required pads from the table below. Where there is a choice of compounds be sure to choose the one with the right properties for that motorcycle. See the splash page for advice about organic GG, sintered HH and sintered carbon C-PRO pads. Also visit [www.bikeit.co.uk](http://www.bikeit.co.uk) for full downloadable application list.

## Armstrong Road Wavy Front Floating Brake Discs\*

Optimising performance with a more efficient area of pad contact compared to standard round discs. Laser cut from premium Japanese induction hardened stainless steel, diamond ground for the perfect finish, these discs not only look great but also offer lighter weight over standard OEM models. (All discs are sold individually).

\* All discs are Wavy Front Floating except those indicated otherwise.

## Armstrong Road Wavy Rear Solid Brake Discs

Optimising performance with a more efficient area of pad contact compared to standard round discs. Laser cut from premium Japanese induction hardened stainless steel, diamond ground for the perfect finish, these discs not only look great but also offer lighter weight over standard OEM models.

(All discs are sold individually)

## Quick Release Fuel Line Coupler

Simple in-line fuel hose coupler allows quick and safe removal of petrol tank without fuel spillage. Each end of the coupler features a valve mechanism which permits fuel flow when the coupler is secured, but instantly isolates the fuel when the coupler is released. Available for 6mm and 8mm fuel hose.

Order Code	Fits
<b>FLCP06</b>	6mm fuel hose
<b>FLCP08</b>	8mm fuel hose

## Fork Stroke Indicators

A very simple but handy accessory. These fork indicators simply slide onto fork legs against the dust seal. As the forks compress the indicator is pushed up the leg, clearly showing fork performance.

## Filtrex Performance Air Filters

FILTREX performance replacement air filter product guaranteed to increase horsepower and acceleration. Professionally engineered with a premium filtration material set within a high specification chassis, Filtrex will deliver increased performance and longevity over OEM and other aftermarket filters.

Filtrex air filters consist of four sheets of cotton gauze layered between two sheets of strong galvanized steel mesh coated with epoxy. This rigid construction guarantees against deformation under heat and powerful engine forces. Deep pleating of the filter material increases air filtration area and enhances speed of airflow, creating an overall high performing filter product.

Every filter is set within a frame produced from highly durable EPDM which is able to sustain extreme temperatures and still retain its form.

All Filtrex air filters are tested on state-of-the-art German made MAHA LPS3000 dynameters, specifically designed for motorcycle and vehicle purposes. Fully washable and reuseable

Filtrex air filters are available for the majority of the latest sports and street bikes  
ISO9001

## Valve Caps

Multi-packs of the most widely used replacement valve caps. Available in black plastic and nickel plated ally. Sold in packs of 50pcs

Order Code	Description
VLV015	Black plastic (50pcs)
VLV020	Nickel plated (50pcs)

**NEW**

## Valve Extenders

Access to motorcycle tyre valves can be restricted when using some tyre inflators such as garage forecourt compressors. This selection of valve extenders simply screw onto the tyre valve allowing easier access for attaching air-chucks.

NB Remove immediately after tyre has been inflated – do not ride with extenders fitted.

Order Code	Description
VLVECH	90 degree, chrome plated
VLVEXT	Flexible braided hose

## Valve Caps

Pairs of valve caps in chrome and anodised colours (blue, gold, green, purple, red, black & chrome)

<b>Order Code</b>	<b>Shape</b>
<b>VCPHEX</b>	Hexagon
<b>VCPSP1</b>	Small piston
<b>VCPRND</b>	Round
<b>VCPLPI</b>	Large piston

**VCPBULCH\*** Chrome bullet  
\*Available only in chrome

Dependant on what colour you would like please add one of the following after the code: BU (blue), GD (gold), GN (green), PU (purple), R (red), CH (chrome), BLK (black).

## Carbon Fibre Valve Caps

Premium quality valve cap, features chrome effect ends with a real carbon fibre sleeve.

Order Code:  
**VCPCBN13**

**NEW**

## Wheel & Bike Stripes

Biketek versatile tape rolls take wheel stripes one step further. The rolls of tape mould to the contour of the surface being adhered to, making easy and effective work on wheels. Each roll is long enough to cover both sides of 2 wheels. The tape can also be used on fairing panels and bodywork for colour coding with greater visibility and safety. The tapes will flawlessly follow curves and panel shapes, simply apply by hand.

<b>Order Code</b>	<b>Description</b>
<b>WST010</b>	7mm reflective light blue
<b>WST014</b>	7mm reflective white
<b>WST016</b>	7mm reflective dark blue
<b>WST018</b>	7mm reflective red

<b>WST022</b>	7mm reflective green
<b>WST024</b>	7mm reflective black
<b>WST026</b>	7mm reflective gold

**WST5PC** 5 pack wheel/body stripes 7mm  
(Best selling mixed colours)

## CAPPA Dustcaps

Push-on / pull-off valve caps. Attaches to valve stem to prevent it being dropped or lost. Made from highly resistive thermoplastic rubber. Non-screw design makes pressure checks quick and easy. Watertight and airtight. Available in 9 colours

<b>Order Code</b>	<b>Description</b>
<b>CPP004</b>	Pink
<b>CPP006</b>	Black
<b>CPP008</b>	Red
<b>CPP010</b>	Silver
<b>CPP012</b>	Yellow
<b>CPP014</b>	Blue
<b>CPP016</b>	Green
<b>CPP018</b>	White
<b>CPP020</b>	Orange

**CPP002** 12 Pack

## Pressure Alert Valve Caps

Simple but effective valve caps that constantly monitor tyre pressure and alert you of pressure loss. Each cap has a minimum pressure rating, when tyre pressure is above the minimum a green ring shows - all OK. If pressure drops below the minimum rating, a red ring shows - time to inflate and check tyres.

Select the lowest PSI limit nearest to the bike manufacturer's recommended tyre pressure. 4 versions available, supplied individually.

<b>Order Code</b>	<b>PSI Limit</b>	<b>PSI Range</b>
<b>PSIAL2930</b>	28	29-30
<b>PSIAL3234</b>	30	32-34
<b>PSIAL3537</b>	34	35-37
<b>PSIAL4143</b>	40	41-43

## Tyre Pens

White indelible marker pens for enhancement of tyre side walls. Available in round and chisel nibs

<b>Order Code</b>	<b>Description</b>

# MAMMOTH

Utilising the best materials and components available, the Mammoth range provides security solutions for all motorcycle and scooter needs.

The Mammoth range includes:

Ground Anchors, Square & Hexagon section chains, Cable locks with and without integral U-lock options, Disc locks, U-locks and Lock reminders.

## GROUND ANCHORS

A lock and chain is only as good as the anchor point it is locked to. Ground anchors provide the perfect solution for this and are useable indoors & outdoors, in garages & driveways.

## EXTENSIONS & COILS

Extenders are useful for adding extra security by linking bikes together or to other objects. A reminder coil will stop any rider trying to pull away without removing a disc lock.

## LOCKS & CHAINS

Heavy duty chain & locks are a fantastic security option. Offering serious strength, locks and chains are an excellent visual deterrent also.

## DISC LOCKS & U-LOCKS

Provide a deterrent to thieves by making it increasingly difficult to wheel a bike away. Their small size and weight make them perfect security options when out & about.

[www.mammothsecurity.co.uk](http://www.mammothsecurity.co.uk)

## Mammoth Flip Ground Anchor

Unique design bolt-in ground anchor  
 Heavy-duty steel plate bolts into concrete surface  
 Suitable for indoor and outdoor use  
 Anchor loop folds flat when not in use  
 Neat plastic housing fits over anchor

Kit includes;  
 1 x Ground anchor unit  
 4 x Expander Allen Head Bolts  
 4 x Anti-Tamper Bearings  
 1 x Plastic housing cover

Order Code: **GRD007**

### Mammoth Rated

## Mammoth Lock & Chain

10mm square link hardened steel chain.  
 Hardened steel lock body with double bearing lock mechanism.  
 11mm hardened steel closed U-shackle.  
 Drill and pick resistant lock.  
 Bright green fabric sleeve acts as visual deterrent, protects wheels and paintwork.

### When to use:

Designed for all securing needs, especially suited to secure a motorbike to permanent fixing such as ground anchor, lamp post etc.

Order Code    Length  
**LOCM009**    1.8m

### Mammoth Rated

## Junior Bolt-In Ground Anchor

A security lock and chain is only as effective as the locking point it is secured to - thieves can easily remove a motorcycle if it is not secured to an anchor point.  
 The Mammoth Junior Bolt-In Ground Anchor provides a robust base to chain motorcycles to.

- Heavy-Duty ground anchor
- Simply bolts into concrete surface
- Manufactured from hardened steel
- Suitable for outdoor and indoor use

Order Code:  
**GRD005**

### Mammoth Rated

## Concrete-In Ground Anchor

- Heavy-Duty ground anchor
- Simply sink the anchor into new concrete
- Manufactured from hardened steel
- Rotating head section allows optimum access for chain and ease of use
- Suitable for outdoor and indoor use

Kit includes;  
 1 x Ground Anchor Unit  
 Instruction Guide

## Mammoth Lock & Chain

- 12mm square link Cr-Mo steel chain
- Available in 1.8m and 1.2m chain length.
- Hardened steel lock body with double bearing lock mechanism
- 11mm hardened Cr-Mo steel closed U-shackle
- Reinforced cylinder plates resist drilling and picking

**When to use:**  
Designed for all securing needs, especially suited to secure a motorbike to a fixing such as ground anchor, lamp post etc.

Order Code	Length
LOCM003	1.8m
LOCM007	1.2m

This Mammoth security product has been evaluated against "The British Insurance Industry's Criteria for Vehicle Security", using specific tests to indicate the effectiveness of the product. It is recognised as a Thatcham 'Approved Device' Category 3 Mechanical Immobiliser. Thatcham Evaluation number TMC3-303-1207

## Mammoth Mini U-Disc Lock

- Hardened steel lock body
- 13mm extra hardened Cr-Mo steel U-shackle, with moulded covering
- Reinforced cylinder structure resists drilling and picking
- Designed for use as a disc lock

**When to use:**  
Intended as an additional or short-term security device. Disc locks are great for use when a lock and chain cannot be used, such as on journeys. Small and light enough to store in luggage or underseat, disc locks will make it more difficult for would be thieves to wheel a bike away. Use as additional security also whenever the bike is chained.  
Can also be used with a chain.

Order Code:  
LODM006

This Mammoth security product has been evaluated against "The British Insurance Industry's Criteria for Vehicle Security", using specific tests to indicate the effectiveness of the product. It is recognised as a Thatcham 'Approved Device' Category 3 Mechanical Immobiliser. Thatcham Evaluation number TMC3-305-1207

## Mammoth Shackle Disc Lock

- Hardened steel lock body with double bearing lock mechanism
- 11mm hardened Cr-Mo steel closed U-shackle
- Reinforced cylinder plates resist drilling and picking
- Extended length shackle and body for use as a disc lock

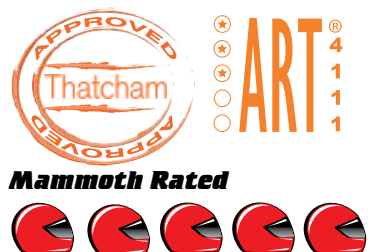

**When to use:**  
Intended as an additional or short-term security device. Disc locks are great for use when a lock and chain cannot be used, such as on journeys. Small and light enough to store in luggage or underseat, disc locks will make it more difficult for would be thieves to wheel a bike away. Use as additional security also whenever the bike is chained.

Can also be used with a chain.

Order Code:  
LODM002

This Mammoth security product has been evaluated against "The British Insurance Industry's Criteria for Vehicle Security", using specific tests to indicate the effectiveness of the product. It is recognised as a Thatcham 'Approved Device' Category 3 Mechanical Immobiliser. Thatcham Evaluation number TMC3-304-1207

## Mammoth U-Lock

Premium quality U-Lock  
Extremely robust body for maximum theft deterency  
16mm hardened steel shackle with rubberised protective coating  
Double locking mechanism bar  
Weatherproof key cover  
125mm width (87mm internal) x 300mm length (internal)

### When to use:

Intended as an additional or short-term security device. U-Locks are ideal for use when a lock and chain cannot be used, such as on journeys when it is difficult to carry a heavy device – compact and light enough to store in panniers, tailbags and top-boxes. U-locks should be inserted through wheels, discs and forks, making it more difficult for would be thieves to wheel a bike away. Also use as additional security whenever the bike is chained to a permanent fixing.

Order Code: LOUM012

### Mammoth Rated

## Mammoth Disc Lock

Premium quality 10mm disc lock  
Extremely robust hardened steel body for maximum theft deterency  
10mm hardened steel pin

### When to use:

Intended as an additional or short-term security device. Disc locks are ideal for use when a lock and chain cannot be used, such as on journeys when it is difficult to carry a heavy device – compact and light enough to store in luggage or underseat. Disc locks should be inserted through brake discs making it more difficult for would be thieves to wheel a bike away. Also use as additional security whenever the bike is chained to a permanent fixing.

Order Code: LODM010

## Loop & 'U' Cable Lock

Cable locks offer the same functionality as lock and chains, but with the advantage that the lock head is integrated on the cable end. Use to lock motorcycles to ground anchors and other security points.

### INTEGRATED DISC LOCK

- Integrated mini U-lock allows disc lock function
- Fully rotating for ease of use
- Weatherproof barrel cover
- 14mm covered hardened steel shackle

### CABLE LOCK

- Woven hardened steel cable with protective outer sleeve (14mm)
- Outer sleeve protects paintwork and rims
- 1.6m cable
- Loop end allows 'noose' function for versatile locking options

Order Code: **LOCSU65**

### Mammoth Rated

## Lock & Chain

- 48" steel chain with protective cover.
- 8mm link.
- Laminated padlock with hardened steel pin.

Order Code Size  
LOCLCH Large 8mm

## Chain Storage Pouch

Robust nylon storage pouch for Mammoth lock and chains. Adjustable velcro straps fit securely under pillion seat for on-bike fitment.

Order Code: **LOCMAMP**

## Maxi Disc Locks

- 11mm hardened steel pin
- Tapered design for improved disc access
- Hinged barrel cover

Order Code: **LODMAX01** *Use as a disc lock or a shackle lock for chain!*

## Combination Cable Lock

- Woven hardened steel cable (20mm) with protective sleeve
- Outer sleeve protects paintwork and rims
- 1.65m cable
- Selectable 5 digit combination lock (no keys to lose!)
- Robust reinforced lock head

Order Code:  
LOCCOM65

**Self-selecting 5 digit combination lock is built into reinforced lock head.**

**Mammoth Rated**

## Shackle U-Lock

Designed to lock through the front discs or wheel, this robust shackle U-lock prevents a bike being wheeled away.

- Hardened steel shackle
- Anti-scratching shackle covering
- Double locking bar mechanism
- Weatherproof barrel protector
- 160mm width x 320mm length

Order Code: **LOUM011**

**Mammoth Rated**

## Disc Lock Reminder

Bikers do forget to remove a disc lock before riding away - the results are costly and embarrassing! A Disc Lock Reminder simply attaches between the brake lever and disc lock, offering a visual reminder to remove the lock. Also offers a visual deterrent to would-be thieves.

Order Code: **LODCOIL**

**Prevents riding away with disc lock attached!**

## X-Line Cable

The X-Line is a versatile cable that should be used with other security products as an extender or to loop around anchor points. USE WITH SHACKLE LOCKS, PADLOCKS and U-LOCKS

- Reinforced steel cable with protective sleeve (6mm)
- Outer sleeve protects paintwork and rims
- 1.8m recoiling cable
- Looped ends

**Mammoth Rated**

Order Code:

LOCXLIN

**Use as an extension cable with other security products including U-locks, cable locks and lock and chain.**

Shown used in conjunction with U-lock.

## 12V Motorcycle Alarm - Basic

Biketek alarm suitable for all 12v motorcycles, scooters and ATVs

- Self-install unit with just 2 wires, connecting to battery terminals
- Includes self-adhesive mounting pads
- 125dB piercing dual-tone siren
- Weatherproof sensor module and siren
- Compact sensor module, activated when vehicle is moved
- Includes 1 controller keyfob

Order Code:  
**ALAREM12**

## 12V Motorcycle Alarm - Full Model

Biketek alarm suitable for all 12v motorcycles, scooters and ATVs

- Self-install unit with just 9 wires, connecting to battery terminals, indicators
- Includes self-adhesive mounting pads
- 125dB piercing dual-tone siren
- Waterproof sensor module and siren
- Compact sensor module, activated when vehicle is moved
- Arming reminder
- Vehicle finder function
- Includes 2 controller keyfobs
- 100 meter range

Order Code:  
**ALAREM14**

## Garage Guard

- Remote PIR Alarm
- Keypad controlled alarm
- Activates when movement detected
- 2 Keyfob Remote Controls
- Entry / Exit delays
- Piercing 105dB alarm sound
- Wall mounted OR Stand alone
- Battery Operated

Order Code: **ALAGRG01**

Battery operated motion sensor alarm, perfect for use in garages or sheds.

## Multi-Purpose Alarm

Any thief will think twice about trying to steal a bike once an alarm is triggered – drawing attention to the situation, a thief cannot hang around.

This simple alarm offers great effectiveness at a minimal cost. Battery operated, the alarm requires little installation, just fix the alarm to the bike with the adhesive pads or fitting bracket supplied, no wiring is necessary. A key barrel activates the alarm, any movement of the bike thereafter will trigger the piercing alarm which will continue to sound until the bike is left stationary or until the key deactivates it.

Ideal also for garage doors, internal doors, windows, jet ski's etc. Requires 1 x 9v battery (PP3/PP7/6LR6) (not supplied).

- Battery Operated
- Easy installation – no wiring
- Use on any moveable items

Order Code: **ALAMUL**

## Helmet & Clothing Locks

LID-LOK is excellent for securing helmets and clothing to bikes or other anchor points.

- Reinforced steel cable with protective sleeve (6mm)
- 1.65m self coiling cable
- Reinforced lock head

Order Code: **LOCLID**

### Mammoth Rated

## Handlebar Helmet Lock

The universal helmet lock comprises of a locking bar unit that clamps onto round tubing such as handlebars. When fitted, a helmet can be locked to the unit by the double D-Ring of the neck strap.

Order Code: **LOCHELM**

## Standard Tyre Warmers

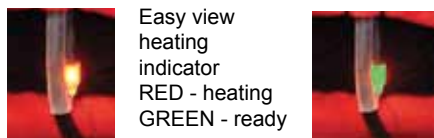

Bike Tek tyre warmers are available for every bike application and user budget. Whether for serious superbike, supermoto or 125cc racing, or for track day fun, Bike Tek offer a tyre heating solution to make the most of tyre performance and enhance track time.

This model of warmer offers easy and efficient tyre warming. Every warmer is thermostatically controlled with dual LED indicators which illuminate RED when the warmer is heating, switching to GREEN when full temperature (80°C) is reached. The heating element design ensures optimum heat coverage across the tyre, fully insulated to retain the generated warmth.

The warmers are secured by sturdy velcro fasteners, the contoured shape and elasticated sides aiding simple and effortless fitting.

Supplied with drawstring storage bag.

Bike Tek tyre warmers have been developed with and used by BSB teams and will again be in use in the 2013 BSB season.

Easy view heating indicator  
RED - heating  
GREEN - ready

As used in the British Superbike Championship

## BikeTek Tyre & Wheel Bag

Heavy-duty transit and storage bag for motorcycle tyres and wheels. Protects all types of tyres. Suitable for tyre sizes 16"-21". Made from robust oxford material. Features handle for carrying and hanging. PVC window for name / team tags. Elasticated seams with velcro closure.

Order Code: **TYRB01**

All Bike It warmers offer 1 year warranty from date of purchase

## Professional Digital Tyre Warmers

Enjoying the same heating element design and insulation as the standard warmers, Bike Tek Professional Digital warmers use a digital display micro-processor temperature controller offering adjustable heating. Depending on weather conditions, the greater control of the professional warmers allows precise heating through a range from 40-99 °C, with the benefit of real time temperature readouts. The temperature controller is located in a central module, so both front and rear warmers can be controlled and viewed simultaneously.

## BikeTek Crash Protectors

Crash protectors fit to engine frames and provide a ground contact point in the event of a crash. With the impact concentrated through the protector, bike and fairing contact is reduced and can minimise crash damage. Biketek offer a full range of protectors, with mounting kits where required. The protectors are a highly durable non-shatter material with low friction upon contact – the ideal properties for crash protectors. Some models will require the fairing to be modified and cut to allow installation of the adaptors, these are detailed in the below application list.

# BIKETEK

## Crash Protectors - T6 Aluminium & Carbon-Fibre

Aluminium and carbon-fibre sleeved crash protectors, offer all the advantages of STP polymer protectors, but with a different look – high polished aluminium and carbon-fibre. Complete with mounting kits where required. Some models will require the fairing to be modified and cut to allow installation of the adaptors, these are detailed in the below application list.

## Crash Protectors - STP Polymer

Crash protectors fit to engine frames and provide a ground contact point in the event of a crash. With the impact concentrated through the protector, bike and fairing contact is reduced and can minimise crash damage. Biketek offer a full range of protectors, with mounting kits where required. The protectors are manufactured from STP polymer, a highly durable non-shatter material with low friction upon contact – the ideal properties for crash protectors. Some models will require the fairing to be modified and cut to allow installation of the adaptors, these are detailed in the below application list.

## Billet Aluminium Race Pegs

- Billet aluminium racing footpegs, designed to replace OEM's
- Aluminium material offers weight reduction over stock pegs
- Rigid 1pc construction - no assembly required
- Slash-Cut for increased ground clearance
- Machined sole grooves for optimum grip
- Uses existing OEM mounting hardware and springs
- Available in matt black and alloy finishes

## Biketek Adjustable Footpegs

Biketek adjustable footpegs can be rotated in a full forward/back circle, enabling adjustment by 45 degree graduations and offering improved rider positioning. The mounting hardware features an octagon shaped mechanism which can be adjusted through eight possible settings, allowing the footpeg to be permanently set to the optimum position. Precision CNC machined footpeg, hanger and mounting block, with hard-wearing nylon slider tip.

## Hour Meters

Hour meters record the actual running time of an engine to encourage correct servicing at regular intervals. The meter is accumulative and data is non-erasable.

- Works on any petrol engine, 2 or 4 stroke
- Low power consumption
- Easy installation
- Waterproof to IP68 standard
- Records and displays up to 99999 RPM (hour/tachometer) and 9999.9 hours (hour meter and hour/tachometer)
- Up to 2 year battery life, 17500 hours of standby time

Order Code Description

**MTR002** Hour Meter

**MTR004** Hour/Tacho

**NEW**

MTR002

## Digital LCD Clock

Splash proof, self adhesive digital LCD clock with time and date function. Backlight feature.

Order Code: **LCDCLOCK**

## LED Illuminated Speedo

61mm Diameter Face Speedos with blue LED illumination. Features analogue speed dial, LCD functions of Total Distance, Trip 1 and Trip 2.

Order Code Description

**MSPM09** MPH Ratio 2:1 (140mph/h)

**MSPK09** KMH Ratio 1:4 (230km/h)

## Mechanical Cable Speedos & Tachos

All speedos & tachos - 65mm face

Order Code Description

**MSPMPH** Chrome mini speedo (MPH) - 60mph = 2240rpm

**MSPKMH** Chrome mini speedo (KPH)

**TAC01** Kawasaki chrome tachometer, 1:5 ratio

**TAC02** Honda chrome tachometer, 1:7 ratio

**TAC03** 1:4 ratios chrome tacho, fits Honda, Yamaha and Suzuki

This multi-purpose chrome mounting bracket provides an anchor point for accessories such as mini speedos and tachos. Fits all sizes of bars, complete with rubber sleeves for smaller diameters.

**MSP001** Universal handlebar bracket mount

## Exhaust Wrap

Exhaust and header pipe high-temperature tape, requires no wetting to fit. Highly durable and thermal shielding, the material is constructed from fibres extruded from pulverised lava rock. The wrap handles direct continuous heat over 700 degrees C, helping reduce heat transfer from exhaust systems. Supplied with stainless steel ties for fitting. 1" width, 50ft roll.

**NEW**

Order Code: **STKHRT04**

## Adhesive Heat Shield Sheet

Self-adhesive heat shield for bodywork protection from engine and exhaust heat. Supplied as a 50x50cm sheet, the shield can be precisely cut to the required shape and size for use on fairings and panels. Flexi aluminium top section, fibreglass inner with ultra-sticky adhesive backing.

**NEW**

Order Code: **STKHRT02**

## Fairing Mesh Detail

20\*33.5cm aluminium mesh panel, available in variety of colours to match bike. Mesh can be moulded and cut to specific shape to fill fairing intakes. Includes panel fittings

<b>LPT04</b>	Rigid 2mm thick with Fixing brackets (pack of 10)

### Mudflaps

Easy to install mudflaps fit to fenders or number plates. Available in plain black or L-Plate design.

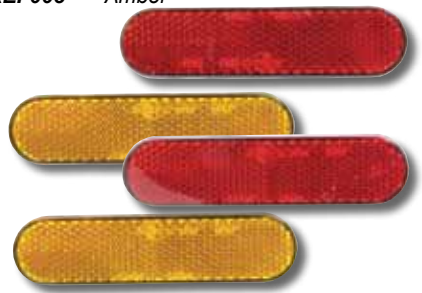

Order Code	Description
<b>MUD011</b>	Black
<b>MUD015</b>	L-Plate

### Reflector Kits

- 22mm x 94mm self-adhesive reflector kits
- Available in red and amber
- Sold in pairs
- E-marked

Order Code	Colour
<b>REF006</b>	Red
<b>REF003</b>	Amber

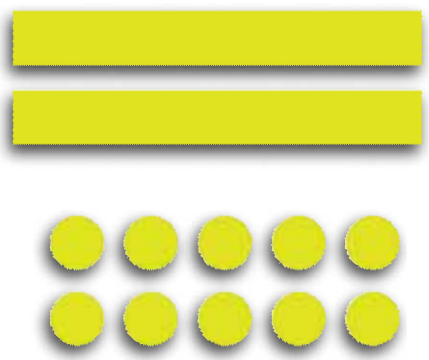

### Reflective Sticker Set

- Self-adhesive stickers
- Place on motorcycles and vehicles for increased visibility and safety
- 20pcs round sticker
- 4pcs rectangle sticker

Before fitting ensure area where sticker is to be placed is clean, dry and free from grease.

Order Code: **REFSTK7**

### Number Plate Reflector Bolts

Compact round reflector mounted on butterfly fixing bolt, ideal for number plate fitting. 20mm diameter.

Order Code: **REFNUM**

### Racing Numbers

Self adhesive race numbers for use on fairings, cowls and number boards.

Available in 6 & 8" size in Blue (**BU**), White (**W**) and Black (**B**) colour. Sold as packs of 10pcs of single number.

To order numbers, use Order Code: **STK**, followed by the size (**6** or **8**) then colour (Blue, Black or White), then number required (**0-9**).  
eg. **STK8W9** = Pack of 8" White in number 9.

### Stick On Number Plate Reflectors

Self adhesive. 20mm diameter.

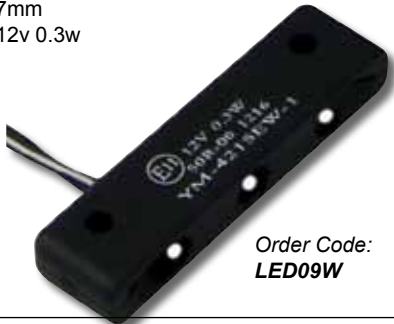

Order Code	Description
<b>REF009</b>	2 pc pack
<b>REF012</b>	50pc pack

## LED Detail Light

A tiny detail light unit contains 3 white LED's. Use as number plate light, marker light or behind bodywork. Size: 44mm x 12mm x 7mm  
12v 0.3w

Order Code:  
**LED09W**

## Custom Detail Bolts

Decorative chrome finish custom bolts, complete with washers and nuts. Choose from eagle and skull designs.

Order Code	Description
<b>BOLEAG</b>	Eagle (4pcs)
<b>BOLSKULL</b>	Skull (1pc)

## LED Spear Marker Lamps

12v LED's inset in a chrome-effect based marker lamp unit (55 X 25 X 30mm). Constant illumination LED's create a colour co-ordinated neon glow. Available in 4 LED colours - Blue, Green, Red and White. Self-adhesive backing for universal fitting.

Order Code	Description
<b>LEDMAR1BU</b>	Blue LED
<b>LEDMAR1GN</b>	Green LED
<b>LEDMAR1R</b>	Red LED
<b>LEDMAR1W</b>	White LED

## LED Skull Bolt

Detailed chrome Skull Bolts complete with inset bright red LED eyes. The bolts are easy to fit and simply wire into bike electrics for constant, eye-catching illumination.

Order Code: **LEDSKUR**

## LED Glo-Strips

- Easy-install bike decoration kit
- Stunning LED illumination
- Waterproof construction

This LED decoration kit contains 1 pc self-adhesive, flexible LED strip (30cm). The strip is easily stuck onto motorcycle fairings, nose cones, tails, bending to the exact contour of the bodywork.

Simply connect into the bike's lighting circuit (12v) for constant LED illumination, or into indicator circuits as additional safety feature.\*

Available in colours to suit all bikes, LED GLO STRIPS offer great styling with increased visibility.

\* Should be used in conjunction with existing indicators, not intended as replacement indicators. It is the owners/fitters responsibility to ensure correct installation.

Order Code	Description
<b>LED08BU</b>	LED Glo strip blue 12v
<b>LED08GN</b>	LED Glo strip green 12v
<b>LED08R</b>	LED Glo strip red 12v
<b>LED08W</b>	LED Glo strip white 12v
<b>LED08Y</b>	LED Glo strip yellow 12v

## Bike Stand Pads

Saves your stand sinking in the mud, protects driveways and pavements. Random colours.

Order Code	Description
<b>BSPOVAL</b>	Bike-stand pad oval
<b>BSPOVAL10</b>	Bike-stand pad oval (10 pcs card set)

Colours may vary from those shown.

## Fork Protectors

Protectors strap over forks, protecting them from stone chips and scratching!

## Premium Motorcycle Cover

- Offering maximum bike protection, this rain cover will provide bike protection from rain and environmental soiling.
- Generous sized cover made from premium PVC
- Totally waterproof for maximum protection
- Non-woven backing prevents bodywork abrasion
- Elasticated edges at ends for secure fit
- Underbike securing strap
- Features additional webbing strap extender to wrap over bike for closer fitment
- Reinforced holes at base for security chain access

Order Code	Description
<b>RCOPREM</b>	Medium - up to 600cc
<b>RCOPREL</b>	Large - up to 1000cc
<b>RCOPREXL</b>	Extra Large - 1200cc plus

## Motorcycle Top Cover

- Protects upper half of bike from rain, wind and environmental soiling.
- Protects seat, handlebars and tank in sunny conditions.
- Keeps seat, controls and electrics clean and dry
- Compact size and pillion seat bag provides bike protection on the move - ideal for commuter use
- Multi-securing points; elasticated skirt, front fairing strap, foot-control and pillion-peg straps

Offering lightweight and compact bike protection on the move, this top cover design will provide limited protection from rain. It is intended for periods of short use, such as when parked at work location.

Order Code	Description
<b>RCOTOPM</b>	Medium - up to 600cc
<b>RCOTOPL</b>	Large - up to 750/1100cc

## "URBAN" Scooter Apron

- Provides wind and rain protection for rider
- Simple waist fitment by adjustable webbing belt and buckle
- Apron is tailor-fitted to rest over legs when riding
- Thick and durable oxford outer layer
- Inner fleece lining for maximum warmth
- 2 side pockets with reflective piping
- Supplied with storage bag

Order Code: **RCOLEG02**

## "CHASER" Scooter Apron

- Provides wind and rain protection for rider
- Connects to scooter by webbing straps and velcro closures
- Bib fitment for additional rider protection
- Apron is designed to attach to scooter, creating protective cover for legs
- Thick and durable oxford outer layer
- Inner fleece lining for maximum warmth
- Folds flat into internal storage compartment with shoulder strap when not in use
- Supplied with storage bag

### Smart Phone Handlebar Holder

This handlebar mounted holder is made from weather resistant PVC with waterproof zip closure, providing a secure pod for smartphones and GPS devices. The PVC surface enables use of touch screens without removing from the case. Features water-resistant silicone port for lead entry. Includes a 360° swivel bar-mount allowing optimum device positioning, with quick release adjuster. Fits 22 and 25mm diameter bars. Available in two sizes.

Order Code	Description
<b>LUGGPS10</b>	Small 12x6.5cm, fits smaller devices such as iPhone 4S, Blackberry
<b>LUGGPS14</b>	Medium 13.5x8cm, fits larger devices such as iPhone 5, Sat Navs etc

### Sat Nav / GPS Holder

- Handlebar / Yoke fitting holder for Sat Nav and GPS devices
- Clear vinyl top allows viewing of device
- Rubber cable port
- Single zip-closing compartment for device positioning, second base compartment for accessories
- Velcro fit over-case for additional water-repellency

Order Code:  
**LUGGPS06**

### Sat Nav / GPS Holder

- Handlebar / Yoke fitting holder for Sat Nav and GPS devices
- Clear vinyl top allows viewing of device
- Rubber cable port
- Main compartment for device positioning, second base compartment for accessories
- Clip-on over-case for additional water-repellency

Order Code: **LUGGPS02**

### Smart Phone Tank Holder

- Compact zip-close pouch designed for storing smart phones.
- Clear vinyl top allows viewing of phone screen
- Rubber cable port
- Magnetic fitting to petrol tank

- 130L capacity
- Main storage compartment with dirty kit bag
- 2 end compartments suitable for helmets and boots
- Integral roll-out changing mat
- Travel wheels and retractable trolley handle
- Shoulder straps and carry handles
- 841 x 400 x 400mm

Travel Wheels

Trolley Handle

**130 litres**

Order Code: LUGKITA

## Midi Kit Bag

Features

- 90L capacity
- Main storage compartment with dirty kit bag
- 2 end compartments
- Integral roll-out changing mat
- Shoulder straps and carry handles
- 701 x 350 x 350mm

**90 litres**

Order Code:  
LUGKITB

## Luggage Tool Roll

Tri-folding heavy duty nylon tool roll, featuring dividers and elastic retainers for tool storage. Includes fold out document pouch. 40 x 30cm opened.

**NEW**

Order Code: LUGTLS13

\* Tools not included

## Luggage Protection Web

Anti-slip webbing mat increases grip between luggage and tanks / tail sections. Also prevents scratching and wearing of paintwork. These sheets can be folded to cover the area to be protected, or simply cut to fit for a more precise and detailed cover.

Large - 60 x 90cm

Order Code: LUGWEBL

Small - 30 x 40cm

Order Code: LUGWEBS

## Urbano Tank Bag

- 15 Litre contoured tank bag
- Expands to 23 Litre
- Magnetic fitting to petrol tank
- Zip closing main compartment
- Clear vinyl top allows viewing of maps and printed itineraries
- Zip off base features map pouch
- Main bag converts to rucksack
- Includes rain cover

Order Code: **LUGTNK40**

## Mini Tank Bag

- 7 Litre mini tank bag, contoured shaping
- Magnetic fitting to petrol tank
- Zip closing main compartment
- Front compartment for wallet and keys
- Top phone compartment with clear vinyl window
- Includes rain cover

Order Code: **LUGTNK24**

## Midi Tank / GPS Bag

- 8 Litre mini tank bag, contoured shaping
- Magnetic fitting to petrol tank
- Zip closing main compartment
- Front compartment for wallet and keys
- Pop-up Sat Nav / GPS holder with rubber cable port
- Includes rain cover

Order Code:  
**LUGTNK28**

## Tank Map Pouch

- Magnetic fitting map pouch
- Clear vinyl top allows viewing of maps and printed itineraries

Order Code: **LUGTNK32**

## Backpack / Helmet Carrier

A sensibly proportioned backpack for motorcycle use  
 Padded shoulder straps  
 Adjustable waist belt for secure fit  
 Main central compartment  
 Two side pockets  
 Features unique inbuilt helmet "cradle" enabling helmet to be stored.

Order Code: **LUGRS12**

## Biketek Waist Bag

Ripstop nylon waistbag comprising main central compartment and two side pouches. Perfect storage for wallets, phones and keys whilst riding.  
 1.6 Litre capacity.

Order Code: **LUGBUM13**

**NEW**

## Bumbag

Deluxe multi compartment nylon bum bag with adjustable waist strap

Order Code: **LUGBUMBLK**

## Waterproof Rucksack Cover

Universal fitting rucksack cover, fits most medium/small sized backpacks.  
 Hi-Vis yellow material with reflective piping for increased on-road safety.  
 Waterproof coated nylon.  
 Outer mesh pocket.

Order Code: **LUGRS11**

## Helmet Carrier

A generous sized storage bag for one helmet plus kit and gloves  
 Central compartment for helmet storage  
 Two side zip pockets  
 Fleece lined for protection  
 Feature ventilation ducts allows kit to breathe and dry  
 Carry handle and hanger-loop

Order Code: **LUGHEL12**

## Biketek Hydration Pack

This Biketek hydration pack is a complete drinks system for use whilst on the move, perfect for green-laning, trail and road riding.  
 The robust backpack features a well-sized main compartment with internal key pocket and a further 3 outer zip pockets, and MP3 headphone port. The 2 litre drinks bladder locates in a separate external section, with drinking-tube retainers on the shoulder straps. External bungee and quick release chassis enables trapping of spare clothing and luggage. Fully padded shoulder straps and back support, with chest and waist belts for snug fitment.

**NEW**

Order Code Description  
**LUGHYD07** Hydration pack with 2L bladder  
**LUGHYD09** Replacement bladder 2L

## Rucksack

Heavy duty nylon rucksack, 2 inner and 2 outer compartments, plus torso strap for extra stability.

Order Code: **LUGRSBLK**

## Emergency LED Hazard Lamp

Battery powered 16 red LED strobe lamp with 9 flash modes

Use as an emergency beacon or breakdown warning.  
9 flash programmes including circular, permanent and strobe effects.  
Integral magnet (for mounting to vehicle surfaces)  
Heavy duty plastic casing  
Hanging loop.  
Small enough to carry under seat or in luggage.  
Simple one button control.  
Requires 2 x AAA batteries (not included).

Order Code: **TLSFLR13**

**NEW**

## Emergency Roadside Kit

In line with European legal requirements, this kit includes a collapsible warning triangle and reflective vest, necessary for road users in event of a breakdown or accident. The kit breaks down into a compact hardshell case and storage bag, ready for packing into luggage and panniers.

Order Code: **REFEME**

## Luggage Anchor Kit

Finding suitable anchor points on some bikes for bunjees and cargo nets can be tricky. Bike It offer three solutions to this, with universal anchor kits that bolt onto bike tail sections. All kits require some drilling of bodywork.

This kit consists of a pair of aluminium threaded stems which bolt into tail sections. Finished with rounded heads, the stems provide a sturdy fixing point for cargo net and bungee hooks.

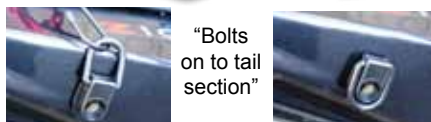

Order Code: **LUGANCH**

## Luggage Hooks

These robust PC hooks also bolt onto tail sections but have an additional feature of folding away when not in use. The hooks are perfect for anchoring cargo nets and bunjees, as well as hooks from luggage such as tail packs and panniers.

Order Code: **LUGHOOK**

"Bolts on to tail section"

## Luggage Loops

Premium CNC machined alloy luggage hooks. Sold in pairs.

Order Code: **LUGLOOP**

## Cargo Nets

Strong and durable cargo nets, available in 2 sizes.  
Feature coated steel hooks.

## BikeTek Action Sports Camera

Fantastic value action sports camera, captures video footage whilst mounted to sports helmets or on-board motorcycles, cycles etc.

This waterproof camera records 640x480 VGA (320x240 QVGA) resolution at 30 frames per second.

Powered by 2 x AA batteries (not supplied) the unit will record for up to 120 minutes (where external memory permits).

64Mb of internal memory can be increased up to 8Gb by use of an SD card (not supplied).

What's included:

- 1.3 Megapixel waterproof Action Sports Camera
- 1 x Pivoting quick-release camera mount
- 1 x Handlebar mount
- 1 x Velcro strap - LONG
- 1 x Velcro strap - SHORT
- 1 x Silicon rubber helmet strap
- 1 x Strap/Adhesive mount
- AV cable for use with TV/PC capture cards
- USB cable
- LCD information panel
- Velcro pads
- Rubber spacer pads
- CD and manual

## Earplugs in Keyfob Case

Countertop dispenser containing 120 pairs of PU protective earfoams. Each pair of earfoams is supplied in a plastic keyfob canister for easy storage.

Order Code:  
**EARFOAM120**

## Ear Foams

Bag of 25 pairs 'Spark Plugs'

- 35db SNR noise absorption
- CE approved
- Conical shape for extra comfort and improved fit

Order Code: **EARFOAM25**

## Visor Cleaning Fingerbands

4pc pack of fleece fingerbands to wear over gloves. Effectively clears visor of water and grime whilst riding. Wear as many bands as needed, keep clean spares in pocket. Fully washable

Order Code:  
**VCL015**

It is the users responsibility to ensure that fingerbands do not interfere with controls whilst riding.

## Neoprene Helmet Skirt

A neoprene-constructed helmet skirt that attaches to the base of full-face helmets. Skirt reduces windflow and noise, increasing rider comfort. Universal full-face helmet fitting, easily installed and removed. Secures in place by inbuilt non-slip backing.

Order Code: **HELSEKR1**

## Visor Pouch

Durable visor waist pouch with integral belt. Ideal for long journeys where a change between light and dark visors are needed

## BikeTek Inner Wear

New from the Bike Tek range comes a comprehensive range of base layers offering everything needed for optimum rider comfort in warm and cold weather.

Comfort during riding is proven to minimise rider fatigue and promote better concentration and safer riding. This is achieved simply and effectively by using the correct base layers and combinations.

### Warm weather:

Use the Coolmax product, either leggings and top, or a 1pc inner suit. The product works wonders under leathers and textile garments, the Coolmax material has specialised properties which wicks moisture away from the skin to keep dry, as well as drawing heat away from the body. The breathable Coolmax layer will prevent the rider's skin being in contact with damp leathers or textiles.

### Cold weather.

Use the Thermolite top and leggings. Thermolite material has specialised properties to wick moisture away whilst keeping the body warm. For colder conditions use the Coolmax product under the Thermolite product, adding additional base layers increases heat retention. Base layers use high-performance materials which offer superior warmth and protection in thin layers, avoiding use of bulky garments which prove cumbersome and restrict movement.

## COOLMAX Inner Wear

### Coolmax Top

A close fitting design jersey manufactured from premium Coolmax Active cooling and wicking material. Stretch panelling on sides and under-sleeve optimise fitment. Features chest pocket

### Coolmax Leggings

A close fitting design legging manufactured from premium Coolmax Active cooling and wicking material. Stretch panelling on inner thigh optimises fitment.

### Coolmax Active

- Moisture wicking material, superior wicking performance than nylons, cottons and polyesters.
- Faster drying than other fabrics
- Wicks sweat away from your body
- Keeps you cool, dry and comfortable
- Lightweight, soft and breathable

## COOLMAX 1pc Inner Suit

### 1pc Inner Suit

Manufactured from Coolmax Everyday cooling and wicking material, the 1pc suit is perfect to provide a comfort layer between the skin and leathers or textiles. The mesh material prevents skin chafing whilst regulating moisture and heat retention.

An on-bike contoured cut with stretch panelling on lower back and calf make this a perfect fitting suit. Under-foot straps and thumb-hooks allows easy use even with tight-fitting leathers. 2-way full frontal zip allows easy access for toilet stops.

### Coolmax Everyday

- Moves moisture away from your body
- Fabric dries quickly
- Lightweight, soft and breathable
- Keeps you cool, dry and comfortable

## Kit Care

### LEATHER CARE

Leather is arguably the best material used in motorcycle protective clothing, Bike It offer this great range of leather care products to maintain and preserve garments, gloves, boots and even luggage.

### LEATHER CONDITIONING CREAM 100ml

This wax based conditioning cream is mixed with Carnauba wax to improve water repellency and durability. Performs by waterproofing leather as well as nourishing.

Order Code: **CPT019**

### LEATHER SOAP 350g

The original method of cleaning and caring for smooth leathers, this product uses pure ingredients including natural vegetable soaps. Also contains glycerine conditioner to maintain supple leather.

Order Code: **CPT011**

### LEATHER ENHANCER 250ml

This wax waterproofing spray reconditions, rejuvenates and nourishes leather. The soft consistency allows deep absorption and prevents leather from becoming brittle. Offers high level of water and dirt repellency. Simple spray on / wipe off application.

Order Code: **CPT017**

### LEATHER SPONGE

This sponge is designed for use in leather cleaning by means of a patented non-scratch surface, which when damp, loosens dirt and deposits without damaging the leather. Perfect for use with leather soap.

Order Code: **CPT015**

### HELMET & BOOT CARE

### ANTI-FOG

Improves visibility for safer riding by preventing misting and fogging on the inside of visors. Apply with a soft cloth.

Order Code: **CPT005**

### KIT DEODORANT

Helmets & boots are notorious for accumulating bacteria and nasty odours. This silver based anti-bacterial solution kills off bacteria and actively resists further bacterial growth. Simply spray inside boots and helmets to kill off odours and keep kit fresh.

Order Code: **CPT001**

### VISOR REPELLENT

Creates a non-stick coating to force rain to bead and run off aerodynamically. Simply apply with a soft cloth for miles of clear visor riding.

Order Code: **CPT003**

### TEXTILE CARE

All textile clothing is waterproofed by the manufacturer using a coating spray or solution. Over time and under normal usage these waterproof barriers deteriorate and cause the material to allow water to pass through.

### TEXTILE WATER-PROOFER & PROTECTOR 250ml

Order Code: **CPT009**

### ANTI-BAC CLEANER

Textile clothing when worn regularly will accumulate bacteria and start to smell unpleasant over time.

Machine washing is the best option for cleaning textiles but normal household washing detergents can damage waterproofed and technical materials.

This neutral pH bespoke detergent cleaner that kills bacteria whilst not affecting materials, leaving kit refreshed and revitalised. Can be used for hand-washing, see label for full instructions.

## Pillion Buddy

An updated version of the ever-popular Pillion Grippers.

This new 'Pillion Buddy' design features a torso-pad fitted with comfort moulded handle-grippers and waist-belt buckles.

The rider can wear the torso-pad on either the front or back, allowing more comfortable and secure pillion riding. Waist belt is fully adjustable for most sizes of riders.

Order Code: **LUGBUD**

**NEW**

## Pillion Grippers

Creates holding points for pillion riders. Worn by the rider, this webbing waist belt has a handle-grip on each side for the pillion to grab hold of. The belt is fully adjustable and features a large Kwik-Klik buckle. Perfect for bikes without grab rails or straps.

Order Code: **LUGPIL**

## Neoprene Knee Warmers

These neoprene knee warmers can be worn underneath or on top of motorcycle jeans and pants, providing knee protection from cold and wind.

- Provides warmth and support to knees
  - Universal fit and adjustability with velcro closure
  - Ideal for commuting and touring
  - Hand washable
- Pair

Order Code: **WRMK09**

## Neoprene Waist Warmer

Designed to be worn under motorcycle jackets, providing protection from lower back exposure due to jacket rising when in riding position.

- Provides warmth and support to lower back
- Fleece lined for increased warming
- Velcro closure fits 30" to 40" waist
- Hand washable

## Mini First Aid Kit

Comprehensive first aid kit containing many essential emergency items, including: Various bandages, emergency blanket, surgical tape, tweezers and scissors, sterile gloves, plasters, safety pins and cleaning wipes.

Supplied in storage bag with velcro securing loop, which fits compactly into luggage or motorcycle - a legal requirement in many EU countries.

Order Code: **AIDKIT01**

## "Vox Box" Rider-to-Pillion Intercom + Music Player Interface

This mini sized motorcycle intercom kit offers 2-way communication between rider and pillion, operating on a continuous "open channel" makes its use hands-free. Vox-Box also offers a "music line-in" option to plug-in MP3, CD players and Personal Stereos. The ear-piece fits snugly into the ear, the microphone design filters out wind-rush and the flexi-boom allows the microphone to be positioned correctly to the user's mouth.

- Intercom and Music Player
- Simple fitting and connection
- Hands free operation
- Volume control
- Comfort fit in-the-ear earphones
- Flexi-boom microphone
- Mini size module with belt buckle
- Battery operated (2 x AAA batteries not supplied)

Order Code: **TARVOX**

## "Chatterbox" Rider-to-Pillion Intercom

This compact motorcycle intercom kit allows uninterrupted 2-way communication between rider and pillion. Operating on a continuous "open channel" there are no answer or transmit buttons to press. The ear-piece/microphone boom simply clips onto the shell of all helmet types. The flexi-boom ensures optimum positioning of the microphone to the rider's mouth, the ear-piece fits flush in the ear for extra comfort when putting on and wearing crash helmet.

- Simple fitting and connection
- Hands free operation
- Volume control
- Comfort fit in-the-ear earphones
- Flexi-boom microphone
- Fits all styles of helmet
- Compact size module with belt buckle
- Battery operated (4 x AAA batteries not supplied)

Order Code: **TARCHAT**

## Crystal Heatpads

Re-usable hand warmers (pair).

- Simple and safe chemical reaction radiates warmth for over an hour
- Flexing the contained metal disc heats the pads to 50°C within seconds
- Ideal for all outdoor pursuits especially motorcycling and touring
- Rechargeable and reuseable more than 1000 times
- Can be placed inside clothing to warm any part of the body

## Alcohol Breath Tester

Drinking and riding or driving is a serious matter, ideally nobody should drink and then take control of a vehicle, but in reality many of us do. This little device will help you make an informed decision whether or not to ride a bike (or drive a car) after you've had an alcoholic drink. The current UK guidelines\* state a threshold of 80mg of alcohol per 100ml of blood, often referred to as a BAC (Blood-Alcohol Concentration), in this case 0.08%. This device has 3 LED indicators detailing the BAC of the user's breath sample, the LED's use a traffic light sequence to show if the user is safe to drive a vehicle or not.

GREEN = sample below 0.05% BAC > OK to ride

YELLOW = sample over 0.05% BAC > Borderline case, recommendation not to ride

YELLOW & RED = sample over 0.08% BAC > Do NOT ride

Encased in a small unit key-fob, there is no reason ever to be without this essential tool, it might save you your license! Additional features included in the unit; LED torch and clock with countdown timer and stopwatch.

Order Code: **ALCTST01**

This unit must only be used as a guideline to the user's alcohol concentration, it cannot be relied upon to be calibrated to Police and local authorities equipment. No responsibility can be accepted by the manufacturer or supplier in cases where the user is found to be in excess of the legal limits. \* Information correct at time of going to press.

## Motorsports Stopwatch

Professional sports timing unit. Includes all features needed for professional time management and logging.

- 1/100th precision STOPWATCH
- 10 hour timing capacity
- 50 lap memory
- Average, Fastest and Slowest laps display
- Count-up / count-down timer with repetition counter
- Pace alarm
- 12/24HR Time and Calendar displays, with alarm
- LCD "in-focus" display
- Ergonomic shell with neckstrap
- Water and Shock resistant

Order Code: **LCDSTP01**

## Helmet Money Box

Help them start saving for their first bike! Ceramic helmet moneybox with feature print design and Bike It logos. Every kid wants one.....

Order Code: **TOYMBX**

## Emergency 3 LED Dynamo Torch

LED wind-up torch is ideal for emergency use.

Compact design can be stored in bike or luggage.

Thumb-crank generates power – no batteries required.

3 ultra bright LEDs.

Wrist strap.

On/off switch.

Thumb-crank locks into torch body when not in use.

Order Code: **TORCH05**

## Air Horn

The race day necessity! Loud air horn. New hand pump type requires no gas

Order Code:  
**AIR001**

## Helmet Fun

The ultimate in lid decoration - easy-fit sucker novelties. We can't guarantee that the novelties will turn you into Britney or your other idols, but they will certainly turn heads!

Order Code	Description
<b>HFUPIG</b>	Pig tails (2pcs)
<b>HFUPONY</b>	Pony tail (1pc)

Bike It... do not condone speeding, but these little critters with their heavy duty suckers will surpass the UK national speed limits.

## UTAG - In Case of Emergency

When you can't speak for yourself, UTAG can provide vital medical information and more....

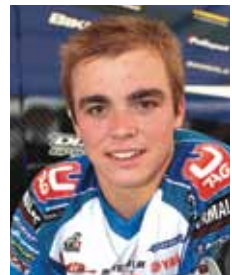

Designed to be the first point of reference in an emergency

### Information stored includes:

- Emergency contact details
- Doctors contact details
- Blood type and key medical information
- Auto translation of key information in 7 languages
  - o English
  - o French
  - o German
  - o Dutch
  - o Spanish
  - o Italian
  - o Portuguese
- Private folder to store encrypted copies of important documents: Drivers licence, passport, travel documents, insurance etc.
- Water and dust resistant: IP57
- Print option

**Developed by ex-SAS soldiers for civilian use.**

**RENAULT F1 Team**

**UTAG has already been adopted by the following personalities and institutions:**

### Renault Formula 1 Team.

"We spend our lives travelling to places where medical standards vary enormously and English is not always widely spoken. U Tag gives us reassurance that information about our medical needs and next of kin are readily available in a universally recognised format" – Pat Symonds, Executive Director of Engineering. UTAG is used by all of Renault's pit crews and executive personnel.

### Nicky Hayden & Chris Vermeulen – MotoGP Riders

**UTAG Yamaha World Moto-X Team** British and World MX1 & MX2 Championship

**British & World Superbike teams and riders**

**Suzi Perry – TV Presenter BBC Grandstand & Channel 5 Gadget Show**

**BMW Riders Club (UK)** Compulsory use at all club events.

**UK Constabularys** Police motorcycle officers and tactical cycle teams are wearing UTAG.

**Motorcycle Test Riders & Journalists** SUN, MCN, Bike, Ride, Motorcycle Racer, TWO, Fast Bikes, Superbike

**UTAG cycling team** Winners of the "Race Across America" ([www.raceacrossamerica.org](http://www.raceacrossamerica.org))

**UTAG is recommended by the British Safety Council**

## UTAG Sport

- Aluminum construction with mini USB chip
- Comes with nylon / Velcro wrist strap
- Can be worn around the neck as a mini Dogtag (chain not included);
- Secure 'Private Folder' to store scans / copies of important documents
- Compatible with Windows ME, 2000, XP and Vista
- Supports USB 1.1 / 2.0 standards
- 10 year data retention
- Size: 54mm x 30mm x 3.2mm
- Weight 6g
- UK IP tested IP57
- CE and FCC approved

Available in a choice of strap colours and sizes.

## Sena SMH5 Motorcycle Bluetooth Communication System

New to the Sena range comes an entry-level Motorcycle Bluetooth Communication System, the SMH5. The SMH5 has been designed with the intent to provide a more pleasurable riding experience, in addition to a more cost effective product without sacrificing quality.

With features inherited from the SMH10, the SMH5 include Bluetooth v3 stereo, top rated stereo sound quality in its class, easy access and intuitive button operations using the revolutionary jog-dial control, Hands Free Profile for Bluetooth mobile phone, voice instructions for GPS navigation, and intercom range of up to 500 meters (545 yards) in open terrain.

The SMH5 is a Bluetooth v3+EDR Stereo Headset with Bluetooth Intercom designed specifically for motorcycles. With the SMH5, you can call hands-free on your Bluetooth mobile phone, listen to stereo music or voice instructions of GPS navigations by Bluetooth wirelessly, and have two-way intercom conversations in full duplex with a passenger or other motorcycle riders.

Thanks to the latest Bluetooth v3+EDR and the advanced digital processing technology, the SMH5 offers the best sound quality for both incoming and outgoing sound in its class. Also, the easy-to-access and intuitive button operations make the SMH5 a perfect companion for motorcycles.

### Features:

- Bluetooth Specification v3+EDR
- Bluetooth Intercom up to 500 meters (545 yards)\*
- Multi-Pair Two-way Bluetooth intercom
- Bluetooth stereo headset for Bluetooth audio devices such as MP3 players
- Bluetooth music playback control by AVRCP: play, pause, track forward and track back
- Easy operation by versatile Jog Dial (Patent Pending)
- Sufficient sound level with integrated audio booster
- Bluetooth hands-free for Bluetooth mobile phones
- Bluetooth headset or stereo headset for Bluetooth GPS navigations
- Water resistant for use in inclement weather
- Crystal clear and natural sound quality
- Up to 8 hours talk time, 7 days stand-by time
- Can be used while charging on road trips
- Individual volume control for each audio source
- Firmware Upgradeable

## Sena SR10 Bluetooth 2-Way Radio Adapter

# SENA

Allows multiple devices to be wirelessly connected to a Sena headset. Allows connection to 2-Way radios offering greater range.

The SR10 is a Class 1 Bluetooth Two-way Radio adapter based on Bluetooth 2.1+EDR technology. You can connect various two-way radio devices in the market by using SR10 and may talk wirelessly using Bluetooth headsets in the market. SR10 has two AUX ports that enable you to connect non-Bluetooth devices such as radar detector or GPS navigation.

Along with SR10, you can talk by phone or by two-way radios at the same time, listen to alarm signal from radar detector and listen to the guides from GPS Navigation. The SR10 may cover such a various application areas as motorcycle group riding, outdoor sports and activities or security.

### Features:

- Bluetooth hands-free adapter for two-way radios
- Bluetooth hands-free gateway for mobile phones
- Connect 1 two-way radio and 1 mobile phone simultaneously
- Compatible with standard stereo or mono Bluetooth headsets
- AUX input for GPS, radar or laser detectors
- Handlebar mounting & belt clamping
- Wired PTT button extension for handlebar grip mounting
- Optional 12V bike-powered kit with on/off control by ignition switch
- Firmware upgradeable

Order Code: **SR1003**

The SPH10 is a Bluetooth v3+EDR Class 1 Stereo Headset with long-range Bluetooth Intercom designed specifically for outdoor sports and activities. With the SPH10, you can call hands-free on your Bluetooth mobile phone, listen to stereo music or voice instructions of GPS navigations by Bluetooth wirelessly, and have intercom conversations in full duplex with your companions.

Thanks to the latest Bluetooth v3+EDR and the advanced digital processing technology, the SPH10 offers the best sound quality in its class. The easy-to-access and intuitive button operations make the SPH10 a perfect companion for outdoor sports.

Features:

- Bluetooth v3+EDR
- Firmware upgradeable
- Bluetooth intercom up to 900 meters (980 yards)\*
- Multi-Pair Bluetooth intercom for 4 persons
- Bluetooth stereo headset
- Bluetooth music playback control by AVRCP (Audio Video Remote Control Profile): play, pause, track forward and track back
- Easy headset Controls by versatile Jog Dial
- Sufficient sound level with integrated audio booster
- Bluetooth hands-free for Bluetooth mobile phones
- Bluetooth headset for GPS navigations
- Durable, sweat and water resistant
- 10 hours talk time, 7 days stand-by time

NEW

The SMH10R is a Bluetooth 3.0 stereo headset with long-range Bluetooth intercom designed specifically for motorcycle riders who prefer smaller form factor for maximizing their riding performance, yet maintaining rich features of Bluetooth intercom. With the SMH10R, you can call handsfree on your Bluetooth mobile phone, listen to stereo music or voice instructions of GPS navigations by Bluetooth wirelessly, and have intercom conversations in full duplex with other riders.

Thanks to the latest Bluetooth and the advanced digital signal processing technology inherited from the SMH10, the SMH10R offers the best sound quality for both incoming and outgoing sound in its class. Also, its super thin and compact form factor contribute higher performance for sports bike riding and it makes the SMH10R a perfect companion of motorcycle riders.

Features

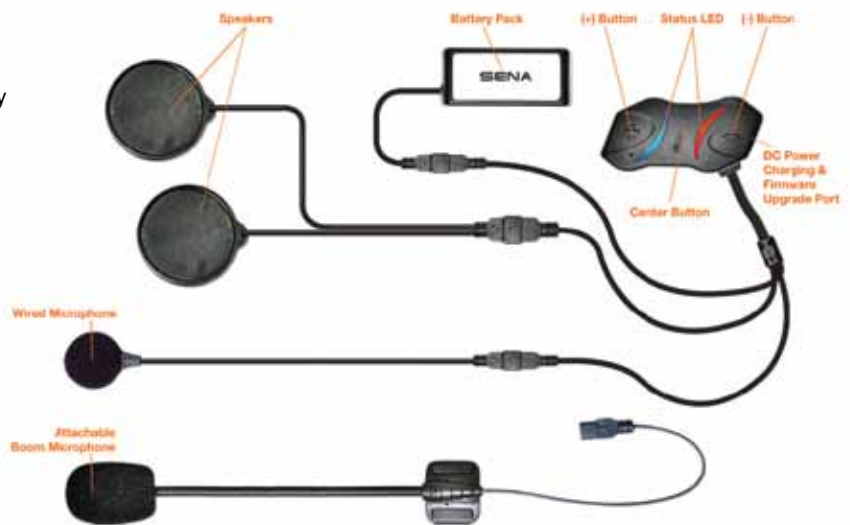

- Bluetooth 3.0
- Bluetooth intercom up to 900 meters (980 yards)\*
- Light weight and ultra slim profile
- Four-way conference intercom
- Conference phone call with intercom participant
- Multipoint for mobile phone+GPS
- Voice prompts
- Bluetooth stereo headset for Bluetooth audio devices such as MP3 players
- Bluetooth music playback control by AVRCP: Play, pause, track forward and track back
- Sufficient sound level with integrated audio booster
- Bluetooth handsfree for Bluetooth mobile phones
- Bluetooth headset or stereo headset for Bluetooth GPS navigations
- Water resistant for use in inclement weather
- Crystal clear and natural sound quality
- Can be used while charging on road trip
- Individual volume control for each audio source
- Firmware upgradeable
- Peace of mind - thanks to the two-year warranty

## BikeTek Lap Timer

- > Laptimer with wireless I.R transmitter
- > A simple and reliable lap-timing unit for all race and practice purposes
- > Compact and lightweight design, the LCD-display receiver is easily mounted to road and off-road motorcycles, karts, cars and cycles
- > Pitwall transmitter unit, powered by two AA batteries (not included)
- > 15 metre range (transmitter<->receiver)
- > Memory capacity of 64 laps / 99 minutes
- > 65x40x11mm receiver unit with wired IR-eye
- > Viewable data; individual lap timings : slowest lap : fastest lap : total time : average lap time
- > 40x20mm LCD display
- > 940nm frequency

Order Code: *TIM011*

# BIKETEK

The receiver should be mounted to the vehicle in an appropriate position which does not interfere with vehicle functioning (self-adhesive velcro mount included).

When the receiver (fitted to the vehicle) passes by the I.R transmitter (left in a suitable location such as pitwall) the lap number is displayed and time is recorded, building up data of lap splits.

If multiple Biketek laptimers are in use in the same session, just one transmitter should be used (ensure no more than one transmitter is in use).

It is the user's responsibility to ensure that laptiming devices are authorised for use at the track / circuit.

## 12V Accessory Power Supply Socket Kits

12V power supply kit for motorcycle fitment.

Enables use of electrical product from cigarette lighter socket or USB socket, such as mobile phone charger, Sat-Nav etc \*.

Can be installed under seat or handlebar mounted.

Quick-connector allows unit to be disconnected from battery and removed when not in use.

\* does not include any charger leads

# OFF ROAD

**ISSUE 13**

[WWW.BIKEIT.CO.UK](http://WWW.BIKEIT.CO.UK)

After a successful 2012 season, which saw the **Bike It** sponsored Factory Monster Energy Yamaha team enjoy podium success in the American AMA Supercross series, World Championship, British Championship and European Championship, with Mel Pocock winning the European EMX2 title.

2013 will continue to see the **Bike It** sponsored Factory Monster Energy Yamaha team field another strong International team with Dean Ferris from Australia, Mel Pocock from the UK and Maxime Desprey from France, all competing in the highly competitive MX2 class. In the European EMX2 championship the team will field British rider Ryan Houghton and Norwegian rider Magne Klingsheim.

At this level, you can't rest on your laurels so the team will continue to work with the **Bike It** R and D department to continually improve the **Bike It** range of products used at GP level, ensuring the end user product that has been developed and tested at the highest level.

Using the Triple S chain, Filtrex Filters, Armstrong oversized discs, pads and hangers at Grand Prix level can only be a true testament on the **Bike It** brand quality.

In the paddock and the workshop the team will continue to work with the Biketek workshop tools and consumables that make life easy as a mechanic or an occasional user. From lock wire to fuel cans and bike lifts the mechanics can rely on the Biketek ever expanding range to get the job done.

### Fork Air Bleeders

Allows bleeding of air pressure in MX forks without additional tools. Easy to install. Simply replaces the OEM bleeder screw

Order Code	Description
<b>FKB31</b>	Fits most KAYABA and SHOWA upside-down forks with M5x0.8 OE screws.
<b>FKB33</b>	Fits KTM/WP 43-48mm with M4x0.7 OE screws.

### Hour Meters

Hour meters record the actual running time of an engine to encourage correct servicing at regular intervals. The meter is accumulative and data is non-erasable.

- Works on any petrol engine, 2 or 4 stroke
- Low power consumption
- Easy installation
- Waterproof to IP68 standard
- Records and displays up to 99999 RPM (hour/tachometer) and 9999.9 hours (hour meter and hour/tachometer)
- Up to 2 year battery life, 17500 hours of standby time

**NEW**

Order Code	Description
<b>MTR002</b>	Hour Meter
<b>MTR004</b>	Hour/Tacho

MTR004

MTR002

### Neoprene Fork Gaiters

Neoprene sleeves fit around off-road front forks. The sleeves prevent water, dirt and debris damaging the fork stanchions and entering fork dust seals. Supplied with cable ties for fitting. 5x36.5cm. Sold as pair.

Order Code: **FRKGTR10**

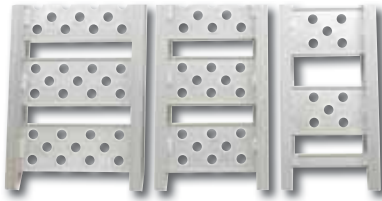

**NEW**

## Aluminium Loading Ramps

**NEW**

Strong and durable loading ramps, made from lightweight aluminium, enable safe and easy loading and unloading of motorcycles and scooters. Space-saving folding design, allows compact storage when not in use. Features coated extension arms on top end for stability during use. Rigid aluminium box section side rails. Strong aluminium centre plates with cut-outs for tyre grip. Available in three width options. Max load 340kgs/ramp.

Order Code	Type	Width	Length
<b>PDSRAMP06</b>	Bi-folding	200mm	2150mm
<b>PDSRAMP07</b>	Tri-folding	230mm	1935mm
<b>PDSRAMP08</b>	Tri-folding	280mm	1935mm

## Loading Ramp

Constructed from ultra lightweight aluminium, and utilising a unique folding design, Loading Ramps are perfect for loading motorcycles on / off trailers and transport vehicles.

Each ramp is 2170mm length when extended, available in two widths. Max load: 340 Kgs / 750 Lbs

Order Code	Size
<b>PDSRAMP01</b>	230mm width
<b>PDSRAMP04</b>	280mm width

## Loading Ramp Bag

Padded storage bag for loading ramp. Zip closing with carry handles.

Order Code	Description
<b>PDSRAMP03</b>	Fits PDSRAMP01
<b>PDSRAMP05</b>	Fits PDSRAMP04

NB. Ramp not included

## ATV Loading Ramp

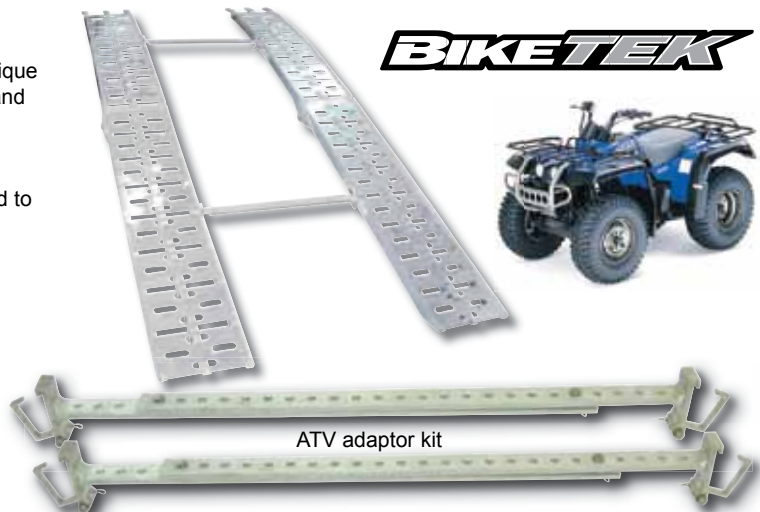

Constructed from ultra lightweight aluminium, and utilising a unique folding design, this Loading Ramp is perfect for loading ATV's and quads, when using two ramps, on / off trailers.

Simply order 2 ramps and one adaptor kit. Each kit contains 2 adjustable arms that clip onto the inner struts of each ramp, stabilising and keeping them parallel. Each arm can be adjusted to change the width between ramps from 520mm to 940mm.

EXTENDED PLATE LENGTH = 2170mm  
Max load: 340 Kgs / 750 Lbs per ramp

Order Code	Description
<b>PDSRAMP02</b>	ATV adaptor kit
<b>PDSRAMP01*</b>	Loading ramp, 230mm width
<b>PDSRAMP04*</b>	Loading ramp, 280mm width

\* Order 2 loading ramps for ATV / quad use

**BIKETEK**

ATV adaptor kit

## MX Scissor Lift

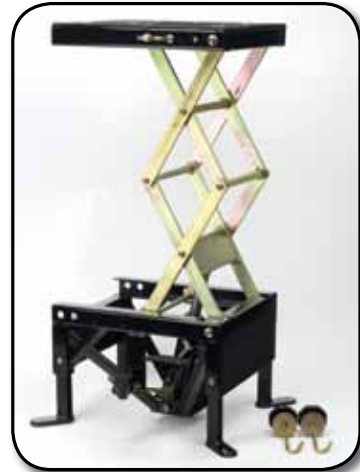

Robust and sturdy hydraulic lift stand. Foot-operated hydraulic ram, raises bike from platform height 340mm to maximum 830mm. Hard-wearing and grippy top mat protects bike frame, with feature cut out for drain hoses and oil drain access. Adjustable height legs. Drop-prevention safety bar. Screw-type footrest clamps secure bike to stand. Perfect for garages and workshop, but light enough to transport to tracks. Max load 140kgs.

Order Code: **PDSMX09**

**NEW**

Arriving  
Spring 2013

**BIKETEK**

## Scissor Lift

Heavy duty hydraulic stand lifts bikes from 340mm to 890mm

- Max lift 135kgs
- Foot lever operated
- Locking footrest springhooks
- Rubber top mat
- Fully CE approved
- Locking safety bar

Order Code: **PDSMX02**

**BIKETEK**

Do not confuse with  
lower specification  
models on the market.

Design may vary

## Self-assembly Wheel Chock

### Self-assembly Wheel Chock

Supports front wheel of bike during storage and transit. Fully adjustable to fit wheels 12" to 18" (adaptor kit available to convert to 21").

Features pivot clamp which locks the front wheel securely by the bike's weight. Can be bolted to ground.

Order Code: **PDSCHK17**

### 21" Wheel Adaptor Kit

Replacement support strut converts the self-assembly wheel chock to fit wheels up to 21".

Order Code: **PDSCHK19**

Note: Bike must also be secured using tie-down straps

### Moto-X H Stand

Minimal design MX lift stand which is strong and durable.

- Foot operated
- Rubber overlays on support struts
- Integral damper for controlled descent

Max Height - 420mm  
Max load - 150kgs

Order Code: **PDSMX08**

### Moto-X H Stand

Minimal design MX lift stand which is strong and durable.

- Foot operated
- Rubber overlays on support struts

Max Height - 435mm  
Min Height - 305mm  
Max load - 150kgs

Order Code: **PDSMX06**

### Moto-X Lift

Heavy-duty steel foot lift, suitable for all off-road bikes - from 60cc to 600cc +

- Manually operated lifting arm
- Rubber matted top-plate for increased grip

Max Height - 395mm  
Min Height - 310mm  
Max load - 150kgs

Order Code: **PDSMX01**

### Ridge Stands

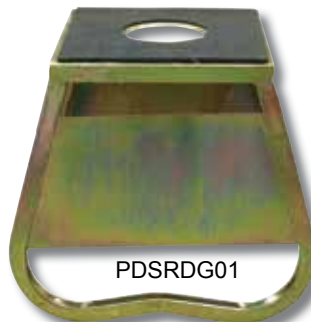

Ridge stands provide a solid platform to load MX bikes onto for storage, or for maintenance and washing.

Manufactured from zinc plated steel, the stands are extremely durable and long-lasting.

Features rubberised non-slip top plate and side graffix boards.

Available in 3 sizes from kids to 125cc plus.

Order Code	Description
<b>PDSRDG01</b>	Mini Ridge Stand (>65cc)
<b>PDSRDG03</b>	Midi Ridge Stand (>100cc)
<b>PDSRDG05</b>	Large Ridge Stand (125cc>)

30cm

38cm

44cm

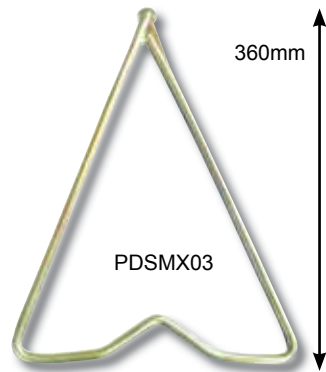

### Triangle Axle Stands

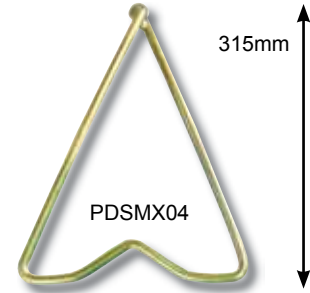

A simple but effective and space saving MX bike stand.

Constructed from heavy-duty steel and zinc coated for protection and longevity.

Order Code	Description
<b>PDSMX04</b>	Rear axle on 18" & 19" wheels
<b>PDSMX03</b>	Side frame on smaller MX bikes (up to 85cc)

360mm

315mm

### Transformer Fairing Headlight

Universal off-road fairing headlight with integral LED indicator function. Twin 12V 20W (MR11) headlight bulbs. Amber LED insets for indicator function. Fitting Kit Included.

Order Code: **HLUTNFBLK**

### Raider Fairing Headlight

Universal plastic fairing headlight with four rubber mounting brackets for fork fitting. 12v 35/35w bulb with separate 12v 5w parking light.

Order Code	Colour
<b>HLURAI</b>	Black
<b>HLURAIU</b>	Blue
<b>HLURAIR</b>	Red
<b>HLURAIW</b>	White

**Replacement Bulbs**  
**BLB37** Headlight 12v 35/35w BA20D  
**BLB34** Parking Light 12v 5w

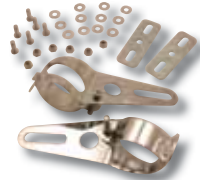

Fitting kit Included

### Rage Enduro Fairing Headlight

Universal off-road fairing headlight with twin bulbs and contrast coloured shield.

Order Code	Shield Colour
<b>HLURAGBLK</b>	Black
<b>HLURAGW</b>	White
<b>HLURAGBU</b>	Blue

**Replacement Bulbs**  
 Order Code Description  
**BLB32** Centre bulb MR16 12v20w

Fitting Kit Included

### Spectre Fairing Headlight

Universal fairing headlight with dual 12v 35w lamps set behind an acrylic protector lens. Features unique LED pods (10 white LED's per pod) on each side for additional illumination. Supplied with universal mounting rubbers.

Order Code	Colour
<b>HLUSPEBLK</b>	Black
<b>HLUSPEBU</b>	Blue
<b>HLUSPER</b>	Red
<b>HLUSPEW</b>	White
<b>HLUSPEY</b>	Yellow

**BLB43** Replacement headlight bulb (12v35w)

Fitting Kit Included

## Vertica Fairing Headlight

Universal "Vertica" headlight fairing. Durable plastic fairing unit with twin vertical mounted lamps (12v 20w bulbs,) set behind protective dome. Complete with mounting rubbers.

Order Code    Colour  
**HLUVERBLK**    Black

Upgrade from standard bulbs to convex type with easy install kits.

Order Code    Description  
**BLB23**        Convex blue projector bulb  
**BLB24**        Convex clear projector bulb

Fitting Kit Included

## Alien Enduro Fairing Headlight

Universal Enduro fairing headlight supplied with mounting rubbers and twin 12v 35 watt bulbs.

Order Code    Colour  
**HLUENDBLK**    Black

## Exhaust Packing Sheets

Easy-use sheets of sound absorption media, manufactured from highly voluminised continuous filament glass yarn using sophisticated texturisation techniques. Suitable for both street and off-road applications.

The material is uniquely compressed and stitched together with a fine low temperature melting thread, which dissolves on contact with exhaust gas, releasing the compressed fibres to expand and fully fill chamber voids. Ideally suited for repacking non-uniform shaped cans such as oval and tri-oval, which can be tricky to repack correctly with standard materials.

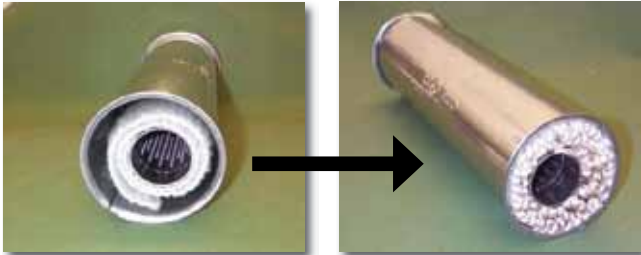

### Easy to use:

- > available in 3 lengths to suit most popular exhaust sizes (length can also be trimmed for precision)
- > no need to use stainless steel wool to cover the perforated pipe
- > simply wrap sheet around the perforated pipe and cut to attain the required fill volume (each sheet is 1M wide)

### Material benefits:

- > higher temperature resistance (up to 1000°C), eliminating need for s/s wool
- > high resistance to High Pulse Compacting
- > increased sound absorption compared to traditional materials
- > improved thermal insulation - reduced need for internal or external heat shields
- > more efficient than conventional needle mat or blown-in fibre products

Order Code	Size
<b>EXCPCK350</b>	350mm x 1M
<b>EXCPCK400</b>	400mm x 1M
<b>EXCPCK450</b>	450mm x 1M

Fibres compressed by melting thread

Fibres expanded after thread has melted

## Exhaust Protector Shield

Exhaust protector shield contours to the shape of exhaust and attached by the four clamps provided. Offers protection from roost chipping and damage. 61cm length, available in two colour finishes

Order Code	Size
<b>EXCPROBK</b>	Black
<b>EXCPROS</b>	Silver

## Exhaust Bung

Protects silencer and engine by stopping water running down through the exhaust during washing.

## Universal MX / Quad Cans

Viper alloy sleeve can with carbon fibre end-cap, suitable for off-road use on quads and MX bikes.

With a standard inlet 51mm ID, the cans are easily mounted to original pipe work, a reducer kit is available separately to allow fitment to smaller pipework.

The carbon fibre end cap neatly finishes the can ensuring that there is no protruding outlet, making the can suitable for track use.

Features a removable baffle

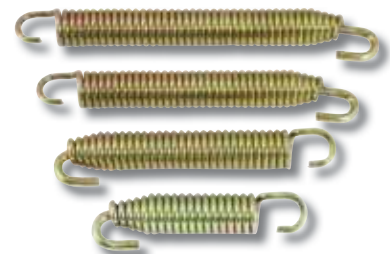

Order Code	Description
<b>EXC759</b>	Stubby Oval Can (39cm) with Carbon Fibre End Cap and Removable Baffle
<b>EXCRDC08</b>	Exhaust inlet reducer kit includes 3 inter-changeable sleeves to allow exhaust fitment to narrower pipes. Minimum closure 44mm.
<b>EXC701</b>	Alloy Oval Stubby (39cm)

## Swivel Exhaust Springs

Swivel exhaust springs supplied in pairs, available in 57mm, 75mm, 83mm and 90mm lengths

Order Code	Size
<b>EXCSPR57</b>	57mm
<b>EXCSPR75</b>	75mm
<b>EXCSPR83</b>	83mm

**Handlebar Mounting Kit**

CR / KX style aluminium handlebar mounting clamps.  
 Precision quality CNC machined base and top clamp sections.  
 Premium polished finish.  
 Includes all fittings.  
 Available for 22.2mm and 28.6mm bar sizes.

Order Code *Fitment*  
**BARRIS12** 22.2mm bar type  
**BARRIS14** 28.6mm bar type

**28.6mm Handlebar Clamp Conversion**

Aluminium and CNC finished handlebar clamp, converts 22.2mm bar clamps to wider 28.6mm size, enabling use of jumbo bars of 28.6mm diameter.

Order Code:  
**BARRIS06**

**Multi-Stage Handlebar Riser Kit**

Aluminium handlebar riser kits  
 Precision quality CNC machined components  
 Premium polished finish

Features base mount, bar mount and three sizes of spacer  
 Includes three sets of M8 fitting bolts for various height options  
 4 height options (+5mm, +10mm, +15mm, +30mm)

Uses the original bar top clamp  
 Available for 22.2mm and 28.6mm bar sizes

Order Code *Fitment*  
**BARRIS08** 22.2mm bar type  
**BARRIS10** 28.6mm bar type

**Motocross Bar End**

Round 13.8mm alloy. Fits all 22mm / 7/8" bars with 14mm internal diameter. Pair

Order Code: **BEWMXCH**

**Bar End Weights**

Pairs of anti-vibration bar-end weights.  
 Fits all bars with 13mm internal diameter.  
 Complete with Allen Key.

**ROUND - 13mm**

Order Code *Colour*

## Handlebar Accessory Mount Top Clamp

**NEW**

A clever and simple solution for mounting accessories such as Sat-Navs and cameras to a motorcycle. This replacement top clamp features an extended arm with a thread mount to enable accessories to be bolted on. The top clamp will fit 22.2mm bars. Available with either M6 x 1.0 or M8 x 1.25 mounting thread. Precision CNC machined alloy with anodised gunmetal finish.

Order Code	Description
<b>BARMNT05</b>	M6 x 1.0 thread mount
<b>BARMNT10</b>	M8 x 1.25 thread mount

## Flush Fit Bar End Weights

Flush-fitting universal bar end weights. Includes reducer sleeves to enable dual fitment to 18mm and 13mm bar inners. Available in 5 colour options. With feature Biketek print.

Order Code	Colour
<b>BEWFLSBK</b>	Black
<b>BEWFLSBU</b>	Blue
<b>BEWFLSGD</b>	Gold
<b>BEWFLSR</b>	Red
<b>BEWFLSS</b>	Silver

## Handlebar Accessory Mount Bracket

**NEW**

Designed to provide a perch for accessories that have a 22.2mm tube mounting bracket, such as Sat-Navs, smart phones and cameras. The 22.2mm diameter perch sits on an adjustable arm, the bracket has a 10mm bolt hole enabling fitment to many mounts such as mirror boss and lever clamps.

Order Code: **BARMNT15**

## Folding Bar Fitment Mirrors

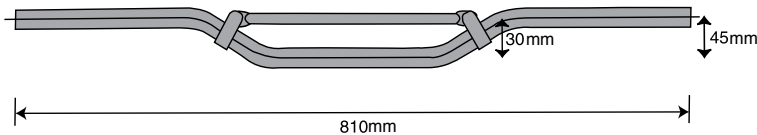

Mini folding - 7/8" bar fitting  
**MRU001L** LEFT  
**MRU001R** RIGHT

## Handlebars

### Low Braced Bar

- Shot peen finish

## Teflon Lever Bracket Sleeves

These hard-wearing Teflon sleeves fit between the handlebar and lever bracket mount. In a crash or fall the teflon sleeve allows the lever bracket to rotate on the bar, reducing risk of snapping the lever and mount.

Order Code: **LVRSLV03**

## Silicone Lever Sleeves

Open-ended silicone sleeves simply pull over levers. Increases finger grip for greater control. Range of OEM colours. Sold in pairs.

Order Code	Colour
LVRSCN02	Black
LVRSCN04	Blue
LVRSCN06	Green
LVRSCN08	Orange
LVRSCN10	Red

## Rotating Bar Clamps

Fitting rotating bar clamps can prevent levers snapping on impact. Machined aluminium clamps feature a nylon inner sleeve which acts to allow the lever or master cylinder to rotate on the handlebar during a fall or knock.

Supplied individually, each pack contains one clamp, nylon sleeve and two stainless steel bolts. Available in black or titanium finish

Order Code	Colour
LVRROT01	Titanium
LVRROT03	Black

## Fuel Caps

Lightweight CNC machined alloy MX fuel caps with colour coded breather valves.

## Security Bolts/Rim Locks

Security Rim Locks prevent tyre slippage on rim when inner tube is at lower pressure. Rubber coated to protect inner tube. Bolt holes may need to be drilled through rim for fitting.

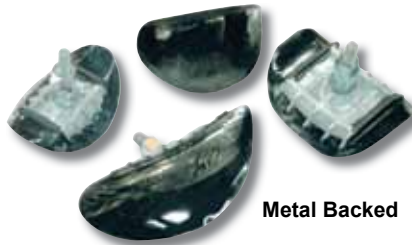

- 1.6 fits most 21" tyres
- 1.85 fits most rear 125 wheels
- 2.15 fits most 200/250 rear wheels.

### Metal Backed

## Exhaust Wrap

Exhaust and header pipe high-temperature tape, requires no wetting to fit. Highly durable and thermal shielding, the material is constructed from fibres extruded from pulverised lava rock. The wrap handles direct continuous heat over 700 degrees C, helping reduce heat transfer from exhaust systems. Supplied with stainless steel ties for fitting. 1" width, 50ft roll.

**NEW**

Order Code: **STKHRT04**

## Adhesive Heat Shield Sheet

Self-adhesive heat shield for bodywork protection from engine and exhaust heat. Supplied as a 50x50cm sheet, the shield can be precisely cut to the required shape and size for use on fairings and panels. Flexi aluminium top section, fibreglass inner with ultra-sticky adhesive backing.

**NEW**

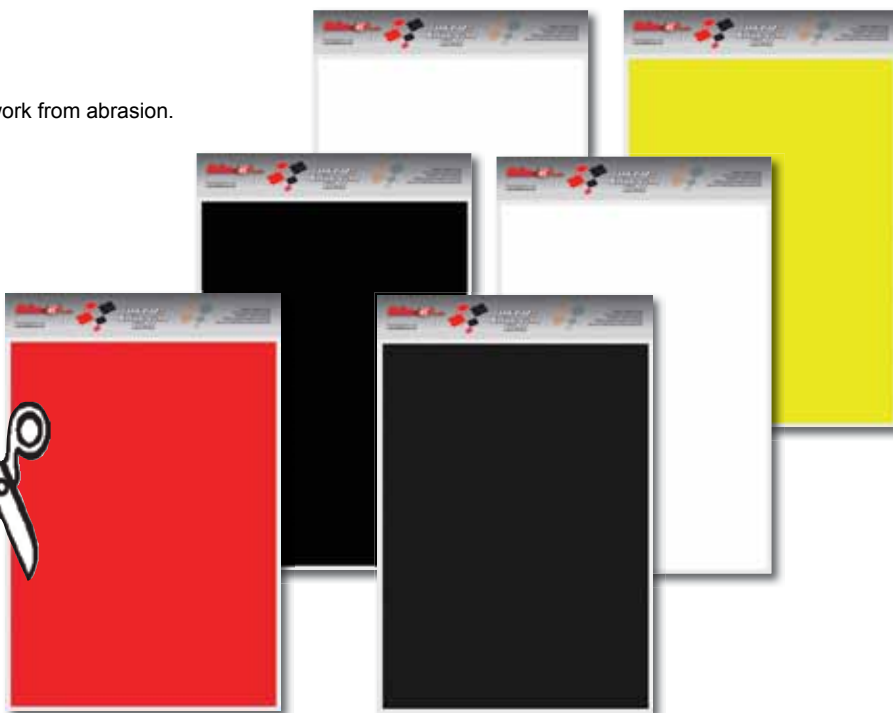

Order Code: **STKHRT02**

## 'Cut Your Own' Tank Pads

45x33cm adhesive protector sheet. Protects road bike tanks, bodywork and framework from abrasion. Use on off-road bikes as panel backgrounds. Cut to required shape and size.

Order Code	Colour
<b>STKBAK02</b>	Transparent
<b>STKBAK04</b>	Carbon Effect
<b>STKBAK06</b>	Black
<b>STKBAK08</b>	White
<b>STKBAK10</b>	Red

### Oil Filter Removal Screw

Strong handled shaft with screw thread end, for removal of air filter canisters.

**NEW**

Order Code: **OFWSCR**

### Rear Axle Nut Spanner

Order Code Description  
**TLSAXD04** 36mm offset rear axle nut spanner  
**TLSAXD10** 32mm straight rear axle nut spanner

### Low Pressure Gauge

1-20 PSI range gauge. Perfect for off-road and trials.

Order Code: **TGULOW**

### Jumbo Barrel Foot Pump

Vertical barrelled foot pump with folding foot-stand.

Measures up to 100 PSI / 7.0 BAR. Over-sized dial for ease of use. Schraeder and Presta valve fitment. Valve adaptor storage compartment.

Order Code: **PMP007**

### Tyre/Bead Breaker

Portable tyre and bead breaker, suitable for all wheel and tyre sizes from 16".

Order Code: **TYC008**

### Mains-Water Power Washer

A mains-water fed power washer which runs independently of mains-electricity. Ensures safe and efficient washing of motorcycles and vehicles. Simply attaches to standard fitment garden-hose (not supplied)

- 1900 P.S.I / 130 Bar
- Interchangeable nozzles for spray options
- 8 Litre/min flow rate
- Efficient 4 stroke generator
- Robust wash lance
- 8m high-pressure wash hose
- Steel tube frame with tube-type tyres

Order Code: **WSH003**

**NO MAINS ELECTRICITY REQUIRED**

### Remote Power Washer

A superbly powerful washer which runs independently of mains electricity and mains water. This unique function enables it to be used remotely at MX events and tracks.

- 2200 P.S.I / 154 Bar
- Interchangeable nozzles for spray options
- 7.5 Litre/min flow rate (2.0 gallons / min)
- Efficient 4 stroke generator
- Robust wash lance
- 8m high-pressure wash hose
- Steel tube frame with tube-type tyres
- Water-feed hose with immersible filter

**Do not confuse this item with other versions commonly available that need mains water and electricity supply.**

Order Code: **WSH004**

**NO MAINS ELECTRICITY REQUIRED OR MAINS WATER**

### 3pc Workshop Brush Kit

Set of three workshop brushes for effective cleaning and maintenance of motorcycle engine and frame parts. Includes one nylon bristle and two metal bristles brushes.

**NEW**

Order Code: **CLE050**

### Bristle & Foam Brush

Double action brush featuring rough foam and nylon bristle sections. Suitable for both general and wheel cleaning. Contoured easy-grip handle.

Order Code: **CLE034**

### Claw Bristle Brush

Nylon bristle brush featuring open-end enabling all-round cleaning of wheels, forks, swinging arms etc. Contoured easy-grip handle.

Order Code: **CLE036**

### Wheel Brush

Tapered nylon bristle brush suitable for both general and wheel cleaning. Contoured easy-grip handle.

Order Code: **CLE038**

### Detail Brush

Double bristled nylon brush suitable for both general and wheel cleaning. Contoured easy-grip handle.

Order Code: **CLE002**

### Brake Bleeding Assistor Kit

Brake bleeding assistor kit utilises a compact unit with one-way valve and connector hoses that simply attach onto the bleed nipple. When the nipple is open and brakes bled, the unit prevents air and old fluid from being pulled back into the system, freeing the user from having to repeatedly open and close the bleed nipple.

Order Code: **BRKKIT01**

### Brake Bleeder/Vacuum Pump

Comprehensive workshop vacuum pump kit. Includes reservoir and nipple adaptor for brake bleeding. The hand operated pump pulls the fluid through the bleed nipple, eliminating need to use the brake lever or pedal. Manual pump with pressure gauge allows testing of many vacuum operated systems, eg fuel pumps, carbs, etc.

Order Code: **BRKKIT07**

### Fuel Jug

5 litre fuel jug with lid and flex spout.

Order Code	Description
SYP007	Fuel jug
SYP009	Replacement spout.

### Oil Funnel

Metal oil funnel with flex pipe  
Order Code: SYP005

### Auxiliary Fuel Tank

- For use when tuning with fuel tank off bike
- Temporarily replaces fuel tank while synchronizing carbs
- Includes fuel line and in-line petcock
- Graduated fuel tank with hanging hook for gravity feed.

Order Code:  
AUX008

Close up  
of in-line  
petcock

Replacement in-line  
petcock  
Order Code:  
AUX008P

### Fuel Syphon

Hand-pump syphon, simple and efficient for transfer of fuels and liquids. Use for transferring fuel or for tank draining.  
Order Code: SYP001

### Fuel Funnel

2 pc plastic fuel funnel (funnel & extension pipe)

- Removable flexible stem
- Handle
- Gauze filter

Order Code:  
SYP003

### Fuel Jerry Cans

Heavy duty fuel storage cans in 20 litre and 10 litre options. Feature robust carry handle and safety locking cap. Extra safe pouring nozzle available separately.

Order Code	Size
JRC20L	20 litre
JRC10L	10 litre

#### POURING NOZZLE

Order Code: JRCPOU

### 10 Litre Oil Pan

10ltr oil drain pan featuring front and rear hand-grabs, directional spout, rolled edges to prevent spillage.

Order Code: OILPAN10

### 8 Litre Oil Pan

- 8ltr Oil Drain Pan - easy and efficient collection and disposal of engine oil/fluids.
- Non-spill pouring spout.
- Oil filter drain ledge.
- Easy grip rim.

Order Code: OILPAN

### Oil Drain Can

Collected oil is sealed inside can, carry handle and stoppers allow can to be removed and drained cleanly without spillage.  
6ltr Oil Drain Can  
Easy and efficient collection and disposal of oil.

Order Code: OILCAN6

### Fuel Measuring & Mixing

Order Code	Description
GTD001	Graduated measuring cylinder 250ml
GTD002	Graduated measuring bottle with stopper & cap 250ml
GTD003	Graduated measuring jug with handle 500ml
GTD004	Graduated measuring jug with handle 1000ml

## Tiedown Straps

A selection of tiedown straps for safely securing vehicles in transit and storage, available in varying webbing sizes, ratchet and auto-lock combinations.

Order Code	Qty	Type	Colour	Breaking Strength	Hook
TIE2AUTO	2	Autolock 1.8m x 25mm	Red	400kgs	S
TIE4AUTO	4	Autolock 1.8m x 25mm	Red	400kgs	S
TIE2RAT	2	Ratchet 5m x 25mm	Blue	500kgs	S
TIE4RAT	4	Ratchet 5m x 25mm	Blue	500kgs	S
TIERATPRO	1	Ratchet Pro 2.4m x 50mm	Red	1375kgs	Claw
TIERAT08	2	Ratchet Jumbo 3m x 30mm	Green	1375kgs	Claw

TIERATPRO

TIERAT08

TIE2RAT

TIE2AUTO

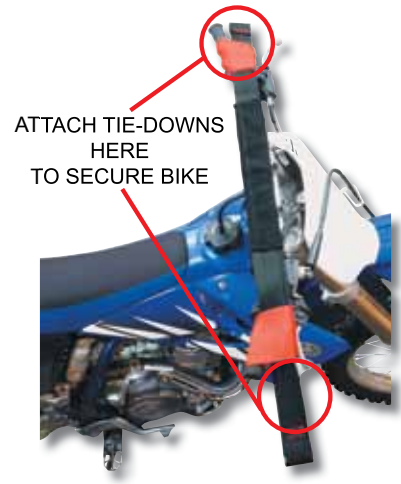

## Bar Support Straps

Nylon webbing strap with grip cuffs. Fits across handlebars to provide anchor points for tie-down straps to secure bike in transit.

Order Code: **TIEBAR**

Stabilises bikes in transit

ATTACH TIE-DOWNS HERE TO SECURE BIKE

## Fork Supports

Fork supports for use when transporting bikes, prevents over compression of forks when using tiedowns. Available in two sizes.

- Order Code Type
- FKV031S Standard size, 28cm+ travel
  - FKV031M Mini size, 19.5cm->27.5cm travel

## Micro Tiedown Straps

TUV approved micro webbing strap with auto-lock mechanism. Ideal for additional strapping of motorcycles and vehicles in transit and storage.

- 25mm wide, 2.5m long
- 200kgs capacity
- Supplied in pairs

Order Code: **TIE2MIC**

## Tiedown Shrouds

Protect fairings and bodywork from abrasion when using tie-downs. Bespoke neoprene sleeves wrap and fasten around the tie-down webbing strap. The shrouds can then be adjusted along the tie-down to contact points between bike and webbing. Supplied in pairs. Available for 25, 30 and 50mm width straps.

- Order Code Width
- TIE2SHR 25mm
  - TIE2SRA 30mm
  - TIE2SRB 50mm

**NEW**

### Chain Cleaner

- Biodegradable
- Breaks down grime, oil and grease
- Suitable for all chain types including O and X-ring
- 500ml

Order Code: **CLE020**

### Chain Lube

- Synthetic clear, dry non stick lubricant
- PTFE based, withstands all weathers
- Performs in high temperature and wear conditions
- 500ml

Order Code: **CLE022**

### Silicone Care Spray

- Silicone based fast acting dressing and lubricant
- Protects, lubricates and renovates plastic, rubber, metal and other surfaces
- Leaves treated area with a sheen finish
- 500ml

Order Code: **CLE028**

### Brake Disc Cleaner

- Quickly breaks down oil, dirt and grime
- Quick drying formula
- Useable on clutch plates and housings
- Useable as a contact cleaner
- 500ml

Order Code: **CLE026**

### Degreaser

- Biodegradable
- Foaming formulation for increased dwell time
- Breaks down grime, oil and grease
- 500ml

Order Code: **CLE024**

### MW40 Penetrating Spray

- Multi-purpose lubricant and penetrating fluid
- Frees and lubricates seized mechanisms and components
- Displaces water, protects electrics
- Quickly penetrates through oxides and soiling
- Leaves a lubricating protective film on treated areas
- 500ml

Order Code: **CLE030**

### Mechanic Glove - Open Finger

Lightweight and comfortable mechanic glove, featuring three open-ended, fingers for increased sensitivity when handling smaller components.

Extended cuff with velcro closure.

Reinforced palms.

Flatlock stitching on open fingers.

Offers hand protection during workshop tasks.

**NEW**

Order Code	Size
GLVMEC10S	Small
GLVMEC10M	Medium
GLVMEC10L	Large
GLVMEC10XL	XL

### Mechanic Glove - Full Finger

Lightweight and comfortable mechanic glove.

Extended cuff with velcro closure.

Reinforced palms.

Offers hand protection during workshop tasks.

**NEW**

Order Code	Size
GLVMEC12S	Small
GLVMEC12M	Medium
GLVMEC12L	Large
GLVMEC12XL	XL

### Latex Gloves

Dermatologically friendly  
Prevents Infection

Order Code Description

GLVLM	Medium latex gloves (Box of 100)
GLVLT	Large latex gloves (Box of 100)
GLVLTXL	XL latex gloves (Box of 100)

### Sure Grip Mechanic Gloves

'Sure Grip' Mechanics Glove with rubber palm and finger grips. Offers protection to hand and increases grip. Great for handling tyres  
1 Size Fits All

Order Code: **GLVMEC02**

**KTM/Euro MX Hardware Mini Kit**

This 50pcs kit includes the perfect assortment of metric bolts, nuts, cotter pins, washers and specific hardware for KTM/Euro off-road and MX bikes. **NEW**

Order Code: **BOLKIT15**

**Japanese MX Hardware Mini Kit**

## Fork Stroke Indicators

A very simple but handy accessory. These fork indicators simply slide onto fork legs against the dust seal. As the forks compress the indicator is pushed up the leg, clearly showing fork performance.

## Filtrex Foam MX Air Filters

New from the Filtrex camp comes a range of replacement foam air filters for off-road applications.

Featuring a double foam layer construction, the filter performs to allow maximum air flow in without sacrificing protection from particles and dirt. Resilient bonding agents prevents separation of foam components. Supplied non-oiled

OFF ROAD

A great range of all-purpose MX tyres offering performance on all terrains.

Sizes available for youth bikes.

Block patterns provide optimum drive and corner grip.

Tyres supplied are Cougar brand wherever possible, if Cougar is not available Bike It will send an alternative brand of equivalent specification.

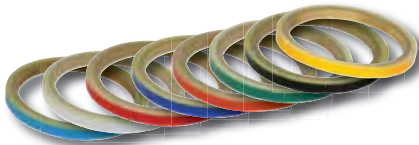

## Wheel & Bike Stripes

Biketek versatile tape rolls take wheel stripes one step further.

The rolls of tape mould to the contour of the surface being adhered to, making easy and effective work on wheels. Each roll is long enough to cover both sides of 2 wheels. The tape can also be used on fairing panels and bodywork for colour coding with greater visibility and safety. The tapes will flawlessly follow curves and panel shapes, simply apply by hand.

Order Code	Description
WST010	7mm reflective light blue
WST014	7mm reflective white
WST016	7mm reflective dark blue
WST018	7mm reflective red
WST020	7mm reflective orange
WST022	7mm reflective green
WST024	7mm reflective black
WST026	7mm reflective gold

WST5PC 5 pack wheel/body stripes 7mm (Best selling mixed colours)

## Biketek Tyre & Wheel Bag

Heavy-duty transit and storage bag for motorcycle tyres and wheels.

Protects all types of tyres. Suitable for tyre sizes 16"-21". Made from robust oxford material. Features handle for carrying and hanging. PVC window for name / team tags. Elasticated seams with velcro closure.

Order Code: **TYRB01**

## CAPPA Dustcaps

Push-on / pull-off valve caps. Attaches to valve stem to prevent it being dropped or lost. Made from highly resistive thermoplastic rubber. Non-screw design makes pressure checks quick and easy. Watertight and airtight. Available in 9 colours

A comprehensive range of tubeless tyres to fit the most popular quads and ATVs.

A carefully selected range of tread patterns cater for all terrains and ground conditions, from tarmac to deep mud, ensuring optimum grip and handling.

All tyres are E-marked (except where indicated)

Tyres supplied are Cougar brand wherever possible – if Cougar is not available Bike It will send an alternative brand of equivalent specification.

## Armstrong MX Off-Road Front Floating Oversize MX Brake Disc with Caliper adaptor

- 270mm Oversize front disc creates greater surface area for increased braking.
  - Conversion adaptor kit included to relocate caliper.
  - Wavy contour disc - optimises pad contact and performance.
  - Premium Japanese induction hardened stainless steel
  - Laser cut for perfection and accuracy
  - Diamond ground finish
- (All discs are sold individually)

## Standard - Triple S Chains

Standard grade motorcycle drive chain available in 420 and 428 sizes.

Triple-S Standard chains offer all the performance required from smaller capacity motorcycles requiring this grade of roller chain.

Produced in an OE facility, Triple S Standard chains are quality engineered and manufactured to guarantee trouble free strength and durability.

## Heavy Duty - Triple S Chains

Heavy Duty grade motorcycle drive chain available in 415, 420, 428 and 520 sizes.

Triple-S Heavy Duty chains offer all the performance required from road and off-road motorcycles requiring this grade of roller chain.

Produced in an OE facility, Triple S Heavy Duty chains are quality engineered and manufactured to guarantee trouble free strength and durability.

## Solid Bush - Triple S Chains

Solid Bush motorcycle drive chain available in Standard 420, Heavy Duty 428 and 520 sizes. Solid Bush chains utilise the same links and rollers as the equivalent Standard or Heavy Duty chains, but use a solid bushing instead of a split bushing inside the roller. This solid bushing increases wear resistance of the chain and minimises chain elongation, making the chains a worthy upgrade. Suitable for road and off-road applications. Produced in an OE facility, quality engineered and manufactured to guarantee trouble free strength and durability.

Order Code	Length
------------	--------

420 Solid Bush Standard	
CHU420078	420-78L

**NEW**

## O-Ring Black

Heavy duty O-Ring grade motorcycle drive chain available in 428 and 520 sizes. Featuring a rubber O-ring between the inner and outer link, O-Ring chains both retain the lubricant sealed within the pin and bushing and prevent dirt working into the chain, prolonging chain longevity. Triple-S O-Ring chains offer all the performance required from larger capacity road and off-road motorcycles requiring this grade of roller chain. Produced in an OE facility, Triple S O-Ring chains are quality engineered and manufactured to guarantee trouble free strength and durability. Nickel plate finish.

## O-Ring Gold - Triple S Chains

These chains incorporate a rubber O-shaped seal that fits between the inner and outer links. This seal ensures that the grease between the pin and solid bush is retained and offers permanent internal lubrication. With the dual purpose of stopping dirt working into the chain, the seals help prolong the life of the chain.

A winning combination of two proven products - Triple S chain and JT sprockets.  
 Triple S chain, as used by and developed by Team Yamaha UK's Superbike and MX teams, is the perfect replacement chain for today's motorcycles. Available in X-ring, O-ring, HD and Standard options.  
 To complement the chain, Bike It utilise JT sprockets to offer a comprehensive range of Chain & Sprocket kits. JT Sprockets are Japanese made from C45 steel (rear sprockets) and C45 steel/ SCM415 chromoly (front sprockets).  
 The listed chain and sprocket kits are comprised of the correct combination sprockets and chain type/grade for the bikes as stipulated by the manufacturer. Use of alternative chain will render warranty claims void - use the detailed chain grade only!

Please note, if the correct length of chain is not available, Bike It will send an alternative longer length that needs to be cut to the correct size.

## Pro Filter Cleaning Kit

### FOAM FILTER CLEANING KIT

Filter Kit includes everything you need to clean and prepare foam filters.. The kit contains: 5 LTR PRO FILTER • DIRT CATCHING TRAY • FILTER PREP BUCKET • HEAVY DUTY NITRILE GLOVES • All contained in a 20 LTR CLEANING BUCKET

Order Code: **PCNFK1**

## Pro Clean Race Pack

Replacing the "Buc - Kit", the Pro Clean Race Pack is bigger and better than ever before, but keeps its affordable price tag. Perfect for those who are new to the Pro Clean range, or a great gift to anyone who already uses the products. The kit contains: 1 LTR PRO CLEAN • 400ml SUPER LUBE • 400ml CHAIN LUBE • 400ml DE GREASER • 250ml TYLE LUBE • 500ml HAND SCRUB • BIG HANDFUL SPONGE • DETAIL BRUSH • CHAMOIS

Order Code:  
**PCNRP1**

**PRO-CLEAN** has been the market leader of motorcycle cleaning and maintenance products in the UK and Europe for over fifteen years. We are continuously challenged to develop the best complete range of products by the many top-flight teams who use the range, but still keep an affordable price tag.

The exciting news is that **PRO-CLEAN** is now DEVELOPED FOR YOUR SPORT. This has been achieved by working closely with some of the biggest names in each discipline. Which ever your ride of choice, there is now a range of products for you.

All you need to do is go out and get dirty!

### Pro Clean

DEVELOPED FOR YOUR SPORT

Pro-Clean is a unique blend of fully biodegradable chemicals designed to clean every part of the exterior of your race machine.

The intelligent chemical formulation releases the correct level of active cleaning agents to ensure perfect results every time from mud covered rally cars to the most refined precious metals and carbon fiber components of delicate racing cycles.

Order Code	Description
<b>PCNPCL1</b>	1 Litre
<b>PCNPCL5</b>	5 Litre
<b>PCNPCL25</b>	25 Litre

### Pro Care

DE WATERING, ANTI RUST TREATMENT

Pro-Care is a blend of lubricants and low evaporation penetrating oils designed to displace water from the hidden places where rust and corrosion may occur between washes and after poor weather.

Order Code	Description
<b>PCNPCR1</b>	1 Litre
<b>PCNPCR5</b>	5 Litre
<b>PCNPCR25</b>	25 Litre

### Pro Tecton

WATER BASED CORROSION INHIBITOR

Pro Tecton is completely unique & revolutionary water based corrosion inhibitor, which leaves a microfilm coating designed to protect against road salt, rust and general corrosion attacks from the elements.

Pro Tecton can be sprayed safely over any surface. Once dry it leaves a molecular film, which protects the treated surface. Pro Tecton does not affect brake discs or other brake components.

Order Code	Description
<b>PCNPTN1</b>	1 Litre
<b>PCNPTN5</b>	5 Litre

### De Greaser

HIGH POWER DE GREASING AGENT

Degreaser is a specially designed and blended formulation, perfectly balanced to remove grease and dried oil build up on chains, sprockets, spindles, engines etc. Heavily soiled components can be immersed in the De Greaser fluid and left until corrosion and soiling is removed from the surface.

Order Code	Description
<b>PCNDGR1</b>	1 Litre
<b>PCNDGR5</b>	5 Litre

### Pro Filter

FAST ACTING FOAM FILTER CLEANER

Pro-filter is another favorite and one of our best sellers. Pro-Filter is designed to remove dirt and tacky oil from all types of foam air filters. Simply immerse the dirty filter in the solution and squeeze gently to remove the tacky oil, then wash the filter in a bucket of warm water with a splash of Pro-Clean to remove any remaining dirt or dust, finally dry thoroughly before re-using the filter.

Order Code	Description
<b>PCNPFT5</b>	5 Litre

### Grip Lock

NON-ADHESIVE GRIP FITTING SPRAY

Grip Lock is a trick new product from the Pro-Clean lab. It's unique non adhesive formula is specifically designed to take the effort out of fitting new grips to motorcycles, quads and mountain bikes.

Using Grip Lock couldn't be easier. Simply hold the can approximately 50mm from the neck of the grip and apply one short burst, slide the grip onto bars and adjust into position. The grip is locked in just a few minutes making the task of changing grips not only clean, but easy.

Grip Lock leaves no sticky residue on the bar and when the grip is eventually replaced, a new one can be fitted in seconds.

Order Code	Description
<b>PCNGLA070</b>	70 ml

### Mega Spray

EXTENDING TRIGGER SPRAY

AVAILABLE FOR: 5 LTR CONTAINERS

Mega Spray is an extending trigger for the 5 Ltr containers allowing the user to simply carry and spray.

Order Code:
<b>PCNMGS</b>

## Mousse Lube

LOW FRICTION, HIGH HEAT TOLERANCE  
MOUSSE LUBE

Mousse Lube was introduced to our product range in 2007 on the request of our UK Distributors. Mousse Lube has been extensively tested by top Paris-Dakar test riders in Sahara temperatures in excess of 43 degrees Celsius and also by the top UK GP Motocross and Enduro teams with excellent results. This is fast becoming one of our best selling products. If you know how to fit a mousse you will know how to use the lube.

Order Code	Description
<b>PCNML250</b>	250ml
<b>PCNML250WS</b>	2.5 Litre

## Hand Scrub

ADVANCED FORMULA HAND CLEANER

Hand Scrub is a superior hand cleaning gel containing polymer beads, sanitizer and moisturizers to ensure clean and protected hands.

Order Code	Description
<b>PCNHS500</b>	500ml

## Anti-Fling Chain Lube

HIGH POWER CHAIN LUBE

This high performance chain lube is a scientifically designed for all Open chains as well as O and X ring plus the latest Z ring chains.

The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

Order Code	Description
<b>PCNCLA400B</b>	Aerosol, 400ml

## Chain Lube (Aerosol)

CLEAR POLYMER CHAIN LUBE

This high performance chain lube is a scientifically developed lubricant designed for all open chains.

The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

Order Code	Description
<b>PCNCLA400</b>	Aerosol, 400ml

## Tyre Paste

Universal tyre paste for quick and easy mounting and demounting of tyres. Non-staining, protects beads and rims.

Order Code	Description
<b>PCNTP5</b>	5kg

## Tyre Lube

NON RESIDUE, LOW FRICTION TYRE FITTING GEL

Tyre Lube...Tyre fitting with ease!

This revolutionary tyre fitting gel takes all the effort out of fitting a tyre. Tyre Lube leaves no unsightly paste stains and the tyre slips on quickly and easily. The unique quick drying, non-corrosive formulation is perfectly safe on all types of tyres and rims.

Order Code	Description
<b>PCNTL250</b>	250ml
<b>PCNTL25WS</b>	2.5 Litre

## Super Polish

SILICONE FREE NON ABRASIVE POLISH

Super Polish is a rich non abrasive silicone free polish designed to work on all surfaces including plastic, paintwork and aluminium leaving a superb gloss finish. Simply apply to a small area at a time with a dry lint free cloth and buff to brilliant shine. Avoid contact with grip surfaces of seat covers as polish is difficult to remove from grained surfaces.

Order Code	Description
<b>PCNSP500</b>	500ml

## Super Lube (Aerosol)

DE WATERING, ANTI RUST SPRAY

This superior grade maintenance spray is a heavy duty multi purpose spray designed to displace and repel moisture from moving parts and electrical apparatus, helps protect against rust and corrosion, lubricates and releases seized metal components.

Super Lube leaves a light protective lubricant film on surfaces ensuring prolonged anti moisture protection.

Order Code	Description
<b>PCNSLA400</b>	Aerosol, 400ml

## Pipe Gel

REMOVES RUST AND CORROSION FROM 2 STROKE PIPES

Pipe Gel is specifically designed to remove rust and corrosion from untreated steel race pipes.

The pipe must be removed from the machine prior to the application of Pipe Gel as it will cause damage if in contact with aluminium surfaces.

Pipe Gel is brush applied and goes to work immediately dissolving rust and corrosion, agitate gently if required, leave for a few minutes then simply wipe away with industrial paper towel or wash off with clean water.

Order Code	Description
<b>PCNPG250</b>	250ml

## Kit Wash

WASHING MACHINE SAFE RACE KIT CLEANER

Kit Wash is a formulation based on Pro-Clean but with low foam and material friendly additives to make it the ideal solution for race kit washing.

Complete with a measuring cap just pour a couple of shots directly into the washing machine drum, add fabric conditioner as you would for a normal cycle and wash at 30 degrees. Not suitable for road leathers.

Order Code	Description
<b>PCNKW500</b>	500ml

## De Greaser (Aerosol)

HIGH POWER CLEANER DE GREASER

Aerosol De Greaser is a fast acting quick drying cleaner/degreaser specially designed for the fast and easy removal of grease and oil deposits on discs, chains, sprockets, engines etc, when the need to remove grease is immediate.

Aerosol degreaser is completely safe on discs and all braking components, leaves no residue and dries instantly.

Order Code	Description
<b>PCNDGA400</b>	Aerosol, 400ml

## Mammoth Lock & Chain

- 12mm square link Cr-Mo steel chain
- Available in 1.8m and 1.2m chain length.
- Hardened steel lock body with double bearing lock mechanism
- 11mm hardened Cr-Mo steel closed U-shackle
- Reinforced cylinder plates resist drilling and picking

### When to use:

Designed for all securing needs, especially suited to secure a motorbike to a fixing such as ground anchor, lamp post etc.

Order Code	Length
LOCM003	1.8m
LOCM007	1.2m

### Mammoth Rated

This Mammoth security product has been evaluated against "The British Insurance Industry's Criteria for Vehicle Security", using specific tests to indicate the effectiveness of the product. It is recognised as a Thatcham 'Approved Device' Category 3 Mechanical Immobiliser. Thatcham Evaluation number TMC3-303-1207

## Garage Guard

- Remote PIR Alarm
- Keypad controlled alarm
- Activates when movement detected
- 2 Keyfob Remote Controls
- Entry / Exit delays
- Piercing 105dB alarm sound
- Wall mounted OR Stand alone
- Battery Operated

Order Code:  
ALAGRG01

Battery operated motion sensor alarm, perfect for use in garages or sheds.

## Bolt-In Ground Anchor

- Heavy-Duty ground anchor
- Simply bolts into concrete surface
- Manufactured from hardened steel
- Twin layer design feature, increases protection
- Suitable for outdoor and indoor use

### Kit includes;

- 1 x Ground Anchor Unit
- 4 x M10 Expander Allen Head Bolts
- 4 x Anti-Tamper Bearings
- Instruction Guide

Order Code:  
GRD001

### Mammoth Rated

This Mammoth security product has been evaluated against "The British Insurance Industry's Criteria for Vehicle Security", using specific tests to indicate the effectiveness of the product. It is recognised as a Thatcham 'Approved Device' Category 3 Mechanical Immobiliser. Thatcham Evaluation number TMC3-317-0310

## Mammoth U-Lock

Premium quality U-Lock  
 Extremely robust body for maximum theft deterency  
 16mm hardened steel shackle with rubberised protective coating  
 Double locking mechanism bar  
 Weatherproof key cover  
 125mm width (87mm internal) x 300mm length (internal)

### When to use:

Intended as an additional or short-term security device.  
 U-Locks are ideal for use when a lock and chain cannot be used, such as on journeys when it is difficult to carry a heavy device – compact and light enough to store in panniers, tailbags and top-boxes. U-locks should be inserted through wheels, discs and forks, making it more difficult for would be thieves to wheel a bike away. Also use as additional security whenever the bike is chained to a permanent fixing.

Order Code: LOUM012

### Mammoth Rated

## Loop & 'U' Cable Lock

Cable locks offer the same functionality as lock and chains, but with the advantage that the lock head is integrated on the cable end. Use to lock motorcycles to ground anchors and other security points.

### INTEGRATED DISC LOCK

- Integrated mini U-lock allows disc lock function
- Fully rotating for ease of use
- Weatherproof barrel cover
- 14mm covered hardened steel shackle

### CABLE LOCK

- Woven hardened steel cable with protective outer sleeve (14mm)
- Outer sleeve protects paintwork and rims
- 1.6m cable
- Loop end allows 'noose' function for versatile locking options

Order Code: LOCSU65

### Mammoth Rated

## X-Line Cable

The X-Line is a versatile cable that should be used with other security products as an extender or to loop around anchor points. USE WITH SHACKLE LOCKS, PADLOCKS and U-LOCKS

- Reinforced steel cable with protective sleeve (6mm)
- Outer sleeve protects paintwork and rims
- 1.8m recoiling cable
- Looped ends

### Mammoth Rated

Order Code: LOCXLIN

Use as an extension cable with other security products including U-locks, cable locks and lock and chain.

## Mammoth Lock & Chain

10mm square link hardened steel chain.  
 Hardened steel lock body with double bearing lock mechanism.  
 11mm hardened steel closed U-shackle.  
 Drill and pick resistant lock.  
 Bright green fabric sleeve acts as visual deterrent, protects wheels and paintwork.

### When to use:

Designed for all securing needs, especially suited to secure a motorbike to permanent fixing such as ground anchor, lamp post etc.

Order Code Length  
 LOCM009 1.8m

### Mammoth Rated

## BikeTek Lap Timer

- > Laptimer with wireless I.R transmitter
- > A simple and reliable lap-timing unit for all race and practice purposes
- > Compact and lightweight design, the LCD-display receiver is easily mounted to road and off-road motorcycles, karts, cars and cycles
- > Pitwall transmitter unit, powered by two AA batteries (not included)
- > 15 metre range (transmitter<->receiver)
- > Memory capacity of 64 laps / 99 minutes
- > 65x40x11mm receiver unit with wired IR-eye
- > Viewable data; individual lap timings : slowest lap : fastest lap : total time : average lap time
- > 40x20mm LCD display
- > 940nm frequency

Order Code: **TIM011**

## BIKETEK

The receiver should be mounted to the vehicle in an appropriate position which does not interfere with vehicle functioning (self-adhesive velcro mount included).

When the receiver (fitted to the vehicle) passes by the I.R transmitter (left in a suitable location such as pitwall) the lap number is displayed and time is recorded, building up data of lap splits.

If multiple Biketek laptimers are in use in the same session, just one transmitter should be used (ensure no more than one transmitter is in use).

It is the user's responsibility to ensure that laptiming devices are authorised for use at the track / circuit.

## Pit Board

Reversible pit board.

- Blackboard on front, whiteboard on reverse
- Dual aspect handles for easy reverse handling
- Made from tough, durable material
- Approximate Size: 55cm x 40cm

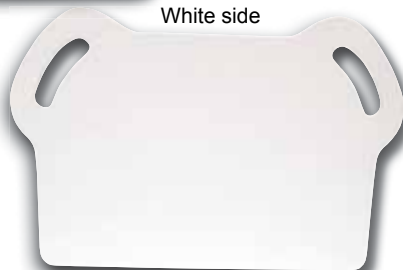

Order Code: **PITB01**

- Count-up / count-down timer with repetition counter
- Pace alarm
- 12/24HR Time and Calendar displays, with alarm
- LCD "in-focus" display
- Ergonomic shell with neckstrap
- Water and Shock resistant

Order Code:  
**LCDSTP01**

## Easy-Up Gazebos

Free-standing gazebos for occasional use, ideal for weekend track use whether off-road or tarmac, provides a sheltered area for rest and working on bikes. Scissor-style powder coated steel frame allows for simple and quick set-up. Height adjustable support legs, peaked roof prevents rain water build up. Strong waterproofed nylon fabric roof.

Each gazebo is supplied as a frame and roof-only format. Side walls are available to purchase separately, attaching to the roof structure by robust velcro trims.

Order Code	Description
<b>GAZ002</b>	3x3m square gazebo frame and roof
<b>GAZ004</b>	3m width side wall for GAZ002 (1pc)
<b>GAZ006</b>	3m diameter hexagon gazebo frame and roof
<b>GAZ008</b>	2m width sidewall for GAZ006 (1pc)

## Event / Workshop Table

Versatile blown plastic moulded table with folding feature. Ideal for additional work space in workshops and outdoor events.

Size: 1830mm x 760mm x 740mm (open)  
Order Code: **CHREVT04**

## Reflective Over Jacket

A superior high visibility product, the 3/4 length sleeves offer additional safety and visibility, especially from the side and in heavy traffic. Features white reflective crystalline tape as used by the British police and emergency services.

- Features:
- Generous cut
  - Zip front
  - Hi-Vis reflective crystalline tape
  - 3/4 Length sleeves
  - Lightweight - fits over existing clothes
- One size fits all.

Order Code:  
**REFJACK**

## Reflective Bib Vest

High visibility bib-vest for increased safety. Bright colours and reflective tape helps other road users see riders both day and night.

- Features:
- Generous cut for comfort
  - Strong zip fastening front
  - EN471/EN340 "Hi-Vis" tape
- One size fits all.

Order Code Description  
**REFVEST** Yellow  
**REFVORG** Orange

## Air Horn

The race day necessity!  
Loud air horn. New hand pump type requires no gas

Order Code:  
**AIR001**

## Quick-Up Awnings

These robust free-standing canopies are ideal for any outdoor events including race days and retail shows. Extremely easy to set up, the awning has removeable side walls to protect people and belongings from the elements. A perfect base set up in minutes.

- Powder coated steel frame (30\*30mm)
- Peaked roof for water drainage
- Quick set-up canopy
- Height adjustable upright posts
- Roof and sidewalls 420D PU coated poly fabric
- Sidewalls include windows on 2 sides
- Waterproof, fire retardant and UV protective
- Sidewalls attach to roof with velcro, & zip together for optimum stability
- Light and portable carry bags for sidewalls and frame
